We have selected these goods to suit the climate, needs and people of this vicinity, and we cordially invite all those wishing to buy anything in this line of goods to call on us before purchasing elsewhere.

I am not seeking an invitation to your wedding but I do want to congratulate you and start you on the highway to prosperity by furnishing your rooms with the best, the handomest and cheapest furniture this side of anywhere.

The following statement from Mr. W. B. Denny, a well known dairyman of New Lexington Ohio, will be of interest to persons troubled with Rheumatism. He says: "I have used Chamberlain's Pain Balm for nearly two years, four bottles in all, and there is nothing I have ever used that gave me as much relief for rheumatism. We always keep a bottle in the house." For sale by M. A. Miller, druggist.

He wants it known.—Mr. J. H. Straub, a well known German citizen of Fort Madison, Iowa, was terribly afflicted with inflammatory rheumatism, when Mr. J. F. Salmon, a prominent druggist there, advised him to use Chamberlain's Pain Balm. One bottle of it cured him. His case was a very severe one. He suffered a great deal and now wants others similarly afflicted to know what cured him. 50 cent bottles for sale by M. A. Miller, druggist.

God's Blessing to Humanity. Loved this world, around the world. So says an Oregon Pioneer. Pioneer (Globe), Ore., March 19. I have used the OREGON KIDNEY TEA and obtained immediate relief. It does bless humanity. I take pleasure in recommending it to the afflicted. I am now nearly sixty years old, came to Oregon in 1852 in the employ of the first and oldest shoe I began using the OREGON KIDNEY TEA I can't say how long. DAVID SHERBEE.

Your Face. You can get your picture taken for \$1.50 per doz. at Crawford & Paxton's, Albany.

IN our travels about town at night we frequently come upon a bevy of boys ranging in age from 10 to 16 years.

The boys may mean no harm by congregating on the back streets but judging by their actions and language those nocturnal meetings are conducive of no good.

At a meeting of the Linn County Hill Club held in Lebanon last Saturday, M. A. Miller was elected president, E. J. O'Connor secretary, E. B. Barker treasurer. J. L. Cowan applied for membership, but his preference being for Cleveland he was rejected.

One of our most noted anglers shouldered his fishing pole, slung his pouch over his shoulder and headed for Cheule Falls last Friday. It was noted that he carried an extra appearance in one hand, in the shape of a raw hide chair. Evidently the gentleman in question intended to "let patience have her perfect work."

There are some indignant farmers in this vicinity. The town boys tramping their grain hunting game, shoot wildly about over their premises endangering the lives of the stock and annoying the farmers in various other ways. Some of these boys are altogether too small to carry firearms, and if parents do not look after them there are liable to be some funerals resulting from such carelessness.

There appears to be a class of tramp robbers infesting the Willamette Valley and operating in the city. Last night a gentleman was attacked while on his way to his stopping place in the eastern part of the city, and left insensible by the side of the walk. When he regained his faculties his watch and money was missing. No one has been gained of the perpetrators.—Herald.

If one will watch the depot and see the tons of flour which are shipped to Lebanon from Albany, Brownville and Corvallis he will find one of the strongest arguments in favor of the canal. A gentleman was up from Portland last week to learn what the prospect is for water power. He says a flouring mill will be built as soon as the canal is completed. One or two other enterprises are whispered of and a general business revival is sure to follow on the heels of this enterprise.

The citizens generally, and those especially who have relatives and friends buried in the old cemetery, will take notice that dedication day will be observed Saturday, May 30. Let us see that none of the graves are neglected, but on the contrary let us see that the cemetery shows that we have a proper regard for the departed. Rev. Gilne, of Salem, himself an old soldier and an eloquent speaker, will deliver the oration. An invitation is extended to citizens and ex-soldiers to be present on that occasion.

PERSONALITIES. Harvey Stuard was in town Friday. J. A. Board went to Albany Tuesday. S. M. Gariand has been unwell of late. Miss Dora Torbet is seriously afflicted. Ed. O'Neil returned from California Monday.

Wm. Piper came down from Mill City last week. Hiram Powell was in town on business Saturday. Mr. Eggleston returned from Brownville Saturday.

G. W. Simpson, of Albany, was in Lebanon last Friday. Rev. F. W. Parker, of Woodburn, was in Lebanon Monday.

Mrs. Dr. Skipporth was taken suddenly ill last week with a colic. Mrs. Thompson has been visiting her sister, Miss Nettie Ames of this place. Rev. F. H. Calder and wife, of Brownville were in Lebanon Monday, visiting friends.

J. H. Johnston attended the Presbytery of the C. P. church, which convened in Brownville last week. Fred and Geo. Peebler were given a rest by the S. P. Co. this week, and they came to visit relatives and friends in Lebanon.

J. K. Melhargus passed through town Friday on his return from Marion county, where he has been canvassing for the Challenge church power.

TEMPERANCE MEETING.

2. Reading of the Crusade Psalm.
3. Prayer.
4. Song.

"There are bands of ribbon white around the world, around the world."
5. Select readings from the World's W. C. T. U. number of the Union Signal.
6. Address.—"Lady Henry Somerset and Her Work."

8. Collection Speech for World's W. C. T. U. composed of 1000 names.
9. Collection; distribution of literature; circulation of World's Petition.
10. Temperance doxology; benediction.

The Pulpit and the Stage.

Rev. F. M. Shroat, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My Lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 20 lbs. in weight."

At the same time, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at Smith & Miller's Drug Store. Regular sizes 50c. and \$1.00.

Notice to Farmers.

Wanted at once, chickens, ducks, geese, turkeys, dried fruits, butter, and all kinds of farm produce, for which I will pay the highest price in cash or exchange for goods.

G. W. SIMPSON, Albany, Or.

God's Blessing to Humanity.

I take pleasure in recommending it to the afflicted. SWEET HOME.

Peace. Gardening. Fine weather.

Mrs. E. L. Russell is visiting relatives at Albany.

Peter Le Francis went to Albany this week on business.

Preaching at Concord on the fourth Sunday at 3 o'clock p. m. by Eld. T. A. Yost.

School is progressing nicely. Every one is deeply interested and good will prevails.

There will be a ministerial and Sunday-school convention held in Sweet Home in July, 1891.

School in the Lewis district is in excellent condition and the pupils are making permanent improvement.

Frank Steingrunt killed a black bear last week. He now feels blood-thirsty and says he will kill another if it comes in his way.

Remember we have an express office in Sweet Home. We are also to have a postoffice money-order business soon. This speaks well for our little community.

John Gilliland and some hands are out in the mountains opening up the country preparatory to settling the wants of our people, who are getting ready for rustication, rest and recuperation.

The tillers of the soil need a relaxation, and the counter-jumpers and tradesmen generally need a chance to sniff the fresh air, which alone is able to properly tone up the system, enervated by a thorough reinvigoration of a debilitated system. Some will flee to the mountains to seek the blessings of solitary freedom, others that they may be free from care, or from business, while yet others may seek the forest and the stream to while away a few weeks, simply as a change. Whatever may be the cause, and the object for the summer vacation to the mountains, every one will obtain more health, than they really expect. They will rejuvenate their systems, giving them more strength to follow their avocations with more energy and prosperity. They will enjoy themselves and enjoy yourselves to your hearts' content; you will find a place just such as you are seeking in any place, and every place from Concord to Upper Sada.

ANGELSEA COTTAGE, L. B., July 2. Gentlemen: Altho' it is very unusual for me to use any lotions or washes, still, in answer to your request, I have tried Winslow's Violet Cream and Robettine. The former I consider especially efficacious in cases of roundness of the skin, and I have been using it every day for the last fortnight. I have found the Robettine an excellent preparation in cases of rash, sunburn, etc., caused by exposure to March winds and a July sun. Yours faithfully, L. B. LANGTRY
