New millinery goods received direct from San Francisco every week at Mrs. Geo. Bloe's. After going to Cruson & Menzie's hardware store and getting prices, we find that they are selling goods so low as any place in the valley. It is understood that Conductor W. S. Conser will be compelled to have one of his limbs amputated, as the result of injuries received in the Lake Lebish accident. If you wish to know what home manufacture will do call at E. Goan's furniture store and see the new furniture made right here in Lebanon. The best furniture in the world. E. Goan.

We are compelled to leave out this week a very interesting article by Mr. Jim Settle, in regard to the Pioneers picnic at Brownville. Mr. Settle attended with his family and favored us with a full report, but it is so long we could not get it in this week, readable as it would likely have proven to our readers. Mr. J. B. Thompson, an old resident of Linn county, has bought the St. Charles hotel of this city and has taken charge, the consideration being about \$5000. His bought of Wm. Guy and M. V. Doud. Mr. Thompson is a hotel man of experience, and no doubt will make a success of his management of the St. Charles. Lebanon should give him a liberal support.

Last Saturday about 5 o'clock, after picking over some gooseberries, Mrs. F. A. Burkhardt, feeling unwell, lay down on a sofa, at her home in Albany. She called for a drink of soda water, and taking a single sip, fell over, expiring almost instantly. Dr. Maston was sent for but too late to render any assistance. He pronounced the trouble heart disease, with which she had been affected somewhat. Mrs. Burkhardt was about 22 years of age and leaves a husband, child and many friends to mourn her death. We wish to announce to the public that we have a large stock of wagons, buggies, hacks and carts, direct from the factory in the East. We have selected these goods to suit the climate, roads and people of this vicinity, and we cordially invite all those wishing to buy anything in this line of goods to call on us before purchasing elsewhere. CRUSON & MENZIES.

In almost every neighborhood there is some one or more persons whose lives have been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who have been cured of chronic diarrhoea by it. Such persons take special pleasure in recommending the remedy to others. The praise that follows the introduction and use makes it very popular. 25 and 50 cent bottles for sale by M. A. Miller.

The new jeweler at the City drug store is a practical watchmaker in the true sense of the word. Having had twenty-four years continuous experience at the bench, he is able to do any work on watches, clocks and jewelry that can be done in any city. His prices are based upon Eastern prices, and you can always get your work when promised.

A suggestion: If you are troubled with rheumatism or a lame back allow us to suggest that you try the following simple remedy: Take a piece of flannel the size of the two hands, saturate it with Chamberlain's Pain Balm and bind it on over the seat of pain. It will produce a pleasant warmth and relieve you of all pain. Many severe cases have been cured this way. The Pain Balm can be obtained from M. A. Miller.

Go to S. P. Bach for boots and shoes. Mrs. W. J. Ray will do plain sewing. Chas. Hindman is back to Lebanon again. W. H. Booth M. D. physician and surgeon, Lebanon Oregon. 18 pounds extra C sugar for \$1 at T. C. Peebler's.

Next Sunday evening "Children's day," will be observed at the M. E. church. An excellent program: "The pearl gatherers," will be rendered. All welcome. The pastor will preach at 11 A. M.

Rev. Hanleiter requests us to say that in Sept., about 1st to 15th, he will begin a camp-meeting, just north of the ditch on Lebanon and Albany roads. Bishop Key and other prominent ministers are expected to assist during the meeting.

Rev. T. P. Boyd was at Drain, Douglas county, on Sunday last and preached the academy sermon at Douglas academy. His pulpit was filled Sunday morning by Rev. Hickman and at night by Rev. Case. The Express has received a good communication from Mr. Lewis T. South who is now at Ellensburg, Wash., in regard to his trip from his home in this county, but it is unavoidably crowded out.

On Wednesday E. O. Long sold his place in the northern part of town, to S. A. Cocheil for the consideration of \$500. The place has a real nice young orchard on it and Mr. Cocheil says he will soon make it as nice a home as there is around Lebanon.

By a recent act of the legislature, practicing physicians were required to register with a board of examiners the authority under which they practice their profession. Among the number who neglected to do so, was Dr. Lamberson, it was therefore necessary for him to go before the board and stand examination, which he did, and returned home happy in the possession of a certificate with the regulation golden seal thereon.

On last Monday Mr. Coyle, our marshal, took the young German boy Emil Wendland, who has been laying around town for the past two weeks, to Albany where he was examined before Judge Blackburn by Drs. Hill and Ellis, and committed to the asylum to which place he was taken by Deputy Sheriff Bewlings. The cause of Wendland's insanity is self-abuse. He is a native of Germany, 20 years of age, 5 feet 8 inches tall and weighs 150 pounds.

Last week we were favored with a full account of the proceedings of the W. C. T. U. convention held in Portland May 25th and 26th, written by Mrs. M. J. Townsend of Albany, which on account of reaching us too late could not be put in type. The meeting was a very profitable one. The officers for the ensuing year are president, Mrs. Riggs; Mrs. H. Sham, recording secretary; Mrs. Foster, corresponding secretary; Mrs. Byles, treasurer. The membership is 1725 active and 690 honorary.

An emigrant recently from Kansas brought to the Scio Roller Mills several sacks of corn that he had brought along the way from the state famed for grasshoppers, drouths, cyclones, Farmers Alliance, etc. The corn was brought to the mill to be ground into meal, which Mr. Goin, with his old-time knowledge, proceeded to do. The corn was in such a state that it was expected a 13 is whether the emigrant expected a security of food here when he arrived, or whether he had a penchant for "Johnny cake" that he was afraid was not included in an Oregon bill of fare. —Scio Press.

F. H. Roseo, of Albany, was in this City Wednesday. Ed Kellenberger's pony fell with him, and bruised him considerably last Saturday. As a consequence he has a stiff knee. If there is an ordinance against ball playing on the business streets of Lebanon the people should uphold marshal Coyle in his effort to stop that nuisance. If there is no ordinance against it the council should pass one.

The Corvallis base ball nine was in Lebanon last Friday to play our boys. The home team won a victory in a score of 34 to 22. Wednesday last, Lebanon played the same team on the Corvallis ground. The result was 6 to 12 in favor of Lebanon.

"Ruggles oriental circus and combined Show" did not exhibit in Lebanon on account of the charges made in the way of license. It is to be hoped other snide attractions of like sort will be prevented from showing in this City. Mr. Thomas Miller, of Chicago, is in this City. Mr. James Mulverhill is back again. His many friends were glad to see his smiling countenance on our streets again. Remember those sacred vows you made to your wife, and save her back, lungs and beauty by investing in a Pacific Washing machine.

WANTED:—Every body to bring their dirty clothing to the office of the Pacific Washing machine, and have them washed, free of charge. We request that you do this to test the merits of the machine. E. E. Montague, capt

There were over forty-five of our citizens went over to Corvallis Wednesday to witness the second match game. They report a nice time notwithstanding the rain and said they were treated well, but Corvallis "wasn't in it." Corvallis and Lebanon will play another game Saturday at this place. Mr. J. D. Adcox, the City jeweler, has rented a part of the Hindman house, he expects his family here Saturday when he will move in. Mr. Jim Settle has been suffering considerably with a carbuncle for the past week or so.

From a reliable source the Express has it that considerable excitement was occasioned at the baptizing at Water-look, on last Sunday. It seems that among other candidates for baptism was a youth of tender years. His mother was in favor of the course pursued by her boy, but the father when apprised of the boy's intentions, at once interposed his objection; but despite the parental protests the young man made his preparations and had gone to the baptizing place, and the minister had led him into the water when the father appeared upon the scene and interfered, going into the water and taking the boy out. Some excitement was occasioned by the very unusual interruption of the ordinance. We understand that the reason the father gave for interference, was that the child was not sufficiently mature to understand what he was about. The parties are highly respectable and we withhold their names.

According to our Sweet Home correspondent, says the Albany Democrat black bear are occasionally seen in this locality. A few days ago, while going to see his best girl, Oliver H. Russell met a large bear right in the trail, and as the road was not wide enough for two, Oliver took to his heels, making directly for home; but when some 100 yards or so away he looked back and lo! he was making off as fast as Russell. As John A. Thompson says, had Russell kept up his rate of travel he would have been home in little over half an hour, as he was jumping five or twelve feet every jump. This incident is said to probably explain why Mr. Russell came to be lost last fall while out with Dick Morehead and others.

Read the Pacific Washing machine Ad. See the card of J. F. Hyde, elsewhere. Mr. Hyde was lately appointed J. P. in this precinct and gives special attention to pension business. Try him. The Erni & Montano's Vanderville combination exhibited here Tuesday and Wednesday nights. On the morning for departure some unpleasantness among some of its members it is said occasioned the desertion of a part of the leading characters, and it is thought to be a pity that the show has gone to pieces.

The Pacific Washing machine is surely a grand success, as it is so highly recommended by many of the best citizens of Oregon. Our people should investigate its merits. Mr. J. N. Bunch, of the firm of Bunch & Williams the proprietors of the Pacific Washing machine Co., was in town yesterday. Mr. Bunch has rented a part of the sample room of the St. Charles hotel and will have his washer on exhibition for the next few weeks. Mr. Bunch comes among us well recommended and well spoken of and we believe they do what they say.

Rev. J. R. Kirkpatrick returned from Seattle Tuesday. Attention is called to the new advertisement of Mr. Hiram Baker. This gentleman has not been long among us but is fast building up a trade equal to that of any of the merchants of the county. Notice is hereby given that there will be a meeting of the trustees of the Santiam Academy, on Monday June 21, in the Academy building. J. A. BEARD.

\$500 REWARD. We will pay \$500 for a washing that we cannot wash as clean as can be washed in one fourth the time required in the old wash-board plan. BUNCH & WILLIAMS.

Notice is hereby given to all parties indebted to Harbour Bros. or to Barbour & Dalgleish, of Lebanon, Oregon, that all debts due either of said firms must be paid at once, or satisfactory arrangements made therefor. Otherwise the undersigned will be forced to institute suit for the collections of said debts. Lebanon, Or., June 8, 1891. N. S. DALGLEISH, Administrator. SAMUEL M. GARLAND, Atty.

Tuesday evening we had one of the most interesting games of base ball of the season. The business men of the east side and the business men of the west side of main street, excluding the players of the other nine. The men on the west side of the street wore blue overalls as uniforms. They played an oyster supper. The sides distinguished themselves as the Oriental and Occidental. The whole thing was gotten up in less than two hours and all played without any practicing at all. Following are names of the players. West side: Relston, Rice, Hackeman, Adcox, E. Miller, Colton, Hinzler, C. Miller. East side: Hake, Peterson, Garland, Parrish, Herdy, Gug, Montague, Gordon, Adams. The score stood 19 to 43 in favor of the Oriental.

A CHALLENGE We the undersigned west side base ball club, holding an old grudge against the east side club for beating us in the last game do hereby challenge the said east side club for a return game to be played on the Lebanon grounds Tuesday 12:30 P. M. for strawberries and cream and all played without any practicing at the usual supper hour the winner deciding the place for supper.

P. S. This game is to decide the supremacy of the two clubs and is understood to be for blood. M. A. MILLER Capt. The east side B. B. Club accepts the above challenge with the proviso that in case the west side are victors they will play the third game to decide which is champion. E. E. Montague, capt

A Wonder Worker. Mr. Frank Huffman, a young man of Hurlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be Consumption and incurable. He was persuaded to try Dr. King's New Discovery for Consumption, Coughs and Colds and at that time was able to walk across the street without resting. He found, before he had used half of a dollar bottle, that he was much better; he continued to use it and is enjoying good health. If you have any Throat, Lung or Chest trouble, try it. We guarantee satisfaction. Trial bottle free at Roberts & Miller's drug store.

A BIG MINING DEAL. Last week a mining agreement was entered into between Mr. Richard Harris, of Denver, Col. and the Golden City Mining Co., of this city which will mean much for the future of the Santiam mines. In consideration of certain stock, Mr. Harris, who is backed by Denver capitalists, and is well off himself, is to put in a ten stamp mill into the company mines, besides a wire tramway and the building of roads to the ledge, requiring the expenditure of nearly \$50,000. This company owns twenty of the best claims in the Santiam county and their development with a large mill speaks of business from the start. Under the contract the outfit is to be ready for operation by Jan 1st next. Mr. Harris left last week for Denver and remarked that he thought he would be ready to ship some of the outfit within thirty days. He is an old and experienced miner, and prospecting through the Santiam pronounced these mines among the best in the U. S. The bringing of outside capital into the mines will do more to attract the attention of the public than any move yet made. —Democrat
