MOUNTAIN HOME.

C. C. Cooper is slashing brush for Marion Leach, this week, We learn Mr. L. B. Henderson

The Middle Georgia Argus vouch-

The Middle Georgia Argus vouches for this tory:

A cow on the farm of Mr. F. R.
Burford last week gave birth to a calf that had distinct ear-marks on each ear, a swallow fork on the right and a smooth crop on the left. This is the exact stock mark of Mr J. W. Burford, the son of the owner of the cow mentioned.

The Middle Georgia Argus vouches

Mr. H. S. Wooden and wife have been quite sick the past week.

We learn that Prof. Arnold has twenty-one scholars and is prospering with his singing school.

We understand C. E. Creig and Warper Authors will commence work on the Brownsville canal, Monday next.

There was quite a large attendance at the Sabbath school last Sunday, considering

Much talk is being indulged in as to the probable successor of Rt. Hon. Wm. E. Gladistone, in event ill health prevents his attendance at the coming session of Parliment. Let us hope the "Grand Old Man" may be there, for there is no English leader who can occupy his place for the same good.

Sabbath school last Sunday, considering the rainy weather.

Mr. Joe. D Smith of Brush Creek, has been visiting his folks, the usst week.

Mr. Sam Hawkons went to Holley last Sanday, to attend meeting at that place. We learn that Mr. James Tyler will kave for Santa Rosa Val., in about ten days.

Mr. J. V. Wright, of Fern Ridge made Mountain Home a flying call, on last Monday.

carry the stars and stripes around the world—this will be a notable event and one of importance to the people of this and sister states.

OUR TRIP TO MONMOTH. State Normal College Commence ment Exercises.

Introduced by President Campbell.

The Dr. began by stating very pleasantly, that he was highly pleased with
the normal, and congratulated the
people that the school was under the
care of the state. Fis not the life more
than ment, and the body than raiment?" His sermon pointed the student to the necessity of beginning dent to the necessity of beginning Monday, and was badly hurt. aright, "seek first the kingdom of God and his righteousness, and all these things shall be added." The speaker spoke with much carnestness and was school.

Monday, and was badly hurt, We have a base ball club at Sweet Home. There will be a picuic at Sweet Home Friday, it being the close of Mr Swan's school. attentively listened to throughout.

and rode to Independence, and spent Mr. Charles Homer is visiting at Conco the evening in sight seeing. Monday to-day.

morning, in company with Mr. J. L.

The school is short several weeks on ac Griggs, we drove to Dallas, the county count of bail colds. seat, and were surprised to see such a thriving little town.

Monday afternoon was the "Class Trice" exercises. It has been the custom of the normal gradualing class of each year to plant a tree on the college campus as a memorial to its members. The class of 1891 selected the juniper tree, The exercises were good. Rev. Mr. Lott made an address; Miss Elizabeth Carouthers was the class historian and suitably summed up past of the life of each member of the class. Mr Hove prophesied of their several destinies in ten years next succeding; Miss Schoffeld gave tree dedication address The exercises were intrespected with music. exercises were interspersed with music. The annual reunion of the students

tors, assembled in the chapet; the devotional exercises were conducted by 7th of July at 7,30 r m and will continued the Messick, and after a few words ue over the 8th and 9th, holding session from each of the faculty, Prof. Tuthill morning, afternoon and evening of gave a reading; followed by Hon N. L. cach day. Friends are expected to

was a most enjoyable occasion, which for many to attend the evening session we had the pleasure of attending. Gov A good programme is arranged and an Penneyer, the board of regents, the interesting and profitable time expect-board of trustees, the faculty, Mrs Rel-ct. All are invited to attend, ber, Mrs Bentley, Mrs Scoffeld, Mrs

WHITCOMB ECHOES.

More emigrants needed.

The river is falling again and trout fish-ing will soon be good.

Mr. Griffith takes out two loads of bark

There are several fine claims up here that are still in need of owners. M. E. W.

WILLOW PRAIRIE

Joshua Nichols got his kitchen done, bu not a word does he say about that oyster

and not a word does he say about that oyster supper.

A new explosive, claimed to be of greater power than dynamite, and not subject to climate changes, is to be tested by the board of ordinance and fortification at Washington. It is manufactured that Washington. It is manufactured that Wirginia, and is called Americanite.

Into a word does he say about that oyster supper.

Antonio H. Stabingandi got a fine garden, John Thompson has a good garden, also.

Andy T. Nichola has his bouse finished, I suppose from the way he is fixing up he is going to get a house-keeper before iong. Some one let the cat out of the bag about him and Miss Mesly. Mr. Nichols visits there pretty often—time will tell Bill. Moaly is fixing up his place in good shape don, know but he is gotting tired of baching too.

T. B. Wright moved in his new house

The people of Lebanon have that confidence in the integrity and intelligence of the city council that they believe that body will act in the matter of bonding the town, as will best serve the interests of a fast growing little city.

The supreme court of Texas has rendered its decision in a case brought by the state to recover lands improperly patented to the railroads. The court holds that no grants should have been made on account of sidings and switches. Through this decision the state will recover about 6 000 000 acres of land.

The Columbia river Centenial Celebration society has been organized for the purpose of taking steps to properly celebrate May 11 1892; the 100th anniversary of the discovery of the Co'u nbia river by Capt. Robert Gray, the first man to carry the stars and stripes around the world—this will be a notable

Mr. Judd Mealy and Miss Joy passed Concord to-day, and they report everyone well at Pleasant Ridge and in that vicinity. Mr. J Nicholls and Willie, from Willow Prarie, were down and took home a cow

Mr. J. H. Galbraith, who has been quite ick, is reported better.

June 21-23, in company with our better half we attended the commencement exercises, at the State Normal College, at Monmoth. The chapel was beautifully decorated with flowers and hand paintings; on the wall, ever the stage hung the anchor, with appended the class motto: "Class of 1891, education ends only with life."

Rev. Dr. Elliott, of Portland, preached the bacculaurate seruon, and was introduced by President Campbell.

The Alliance is at Okols. By the way, this is the finest place, for small business, on the road from Lebauon to Lower Soda. There will be a grist mill, able to grind all the wheat raised in this vicinty, thus making a market at home, saving the money at home. A saw mill will also be built and this will meessary call for a store and post office, and as there will be a freed stable and hotel, Samtiam at Rocky Point, which will supply the needed outlet to Big Bottom and the entire surrounding country, all of which will be of great utility.
