Blaine, Gladstone and Bismark are being continually reported as being each afflicted with several dozen dangerous diseases.

The democrats of Iowa know a good thing when they see it, and for this reason have re-nominated Governor Boise. He will be a favorite son if re-elected.

The Oregon Scout, the well-printed and nicely made-up weekly, published at Union, by B. Chaney, is one of the most readable exchanges received at this office.

Dr. E. W. Barnes, member of the last Oregon legislature from Well-wa county, has lately purchased the Border Signal, a newspaper in that county, and will editorially conduct the same.

In Seattle there are 420 men engaged in the disposal of "corner lots" or "desirable average property." 289 representatives of litigants, and 251 places to get drunk. Its a bold man who could visit this Sound city and escape whole from this mind-and-purse-destroying combination.

A model juror has been found in the trial of the directors of the New York & New Haven R. R. under indictment for using stoves in the cars run over a railway in New York. The juror had never heard of Channey M. Depew. This for a man living in New York was extraordinary ignorance, and he was accepted.

In Sing Sing prison, New York, the four murderers, Slocum, Smiler, Wood and Jugro, were electrocuted July 7. The execution was not attended with horrible consequences witnessed in the Klemmmer scorching. The execution took place in presence of doctors, spiritual advisers, and officers. By a prearrangement of signals, it was understood that the raising of a white flag meant that Slocum was dispatched; a blue flag the death of Smiler; and a black flag for the negro, Wood; and a red flag for the Jap.

Error Lebanon Express:
Through the kindness of a friend the following was directed to my notice:

Andy T. Nichols has his house finished. I suppose from the way he is fixing up he is going to get a house-keeper before long. Some one let me eat out of the bag about him and miss mealy. Mr Nichols visits there pretty often-time will tell.

I will say it is a dastardly lie and any man that can so revel in slander as to use a respectable woman's name in that manner is a low-lived hound. I have my opinion of whom the writer is, and let me say here, that if repeated I will not answer for the consequences.

FRANK QUOTE, Dr., March 19.
I have used the OREGON KIDNEY TEA and obtained immediate relief. It is God's blessing to humanity. I take pleasure in recommending it to the afflicted. I am now nearly ninety years old, came to Oregon in 1822. Got supplies of the Hudson's Bay Company, and since I began using the OREGON KIDNEY TEA I enjoy good health.
