would like to see the Farmers' Alliance and going to do the same and the farmers seem to have their plans to them.

almost a month until leap year. Some of our young men are nervous. They are afraid to get married. They are afraid to get married. They are afraid to get married.

expect to grow and prosper, we will pull together and all pull the same way. Capital and labor must go hand and both must work for the same purpose. Unless this is done, we will push Lebanon to the wall.

world! Moralisticism and dogmatism are being pushed on one side and the wheels of progress are being steadily raised. The ruts of procrastination are being paved upon the solid foundation of push and advancement.

The Steamer, Maggie Ross that was wrecked off the coast near Yaquina bay was badly damaged. The crew it is believed all perished in the deep water. The gale along the coast was general and several boats were badly disabled.

who "hardens" his heart by starvation and exposure will be quite likely to find that the bright, will stay at home as long as they have to.

for new resolutions in front of us. Men and boys take a little less and be kind at church oftener. One resolve to be and do a better in the year to come. The year just drawing the curtain shall shut us out from the future.

Dr. Puff and Goodman's new Orleans Uncle Tom's Cabin appear at Band Hall on Monday, Dec. 19th. This is a very strong one, being well known players, among the four Miss Edna, Clara and the company. Edna's famous orchestra.

It would be unnecessary to go through these columns that office is positively the one that has job printing. Then why do you give your agent of some other printing house, away from home? Get good work, and as cheap as obtained elsewhere. Let us show you and we are doing all we can to advance the interests of the community, and we feel that we have the preference in any case we can do.

of the state of North Carolina last December, the man responsible for the murder of his wife was convicted at Fayetteville, North Carolina, after nearly a year and the examination of 150 witnesses. It proved to be the most eventful case in the state, and attracted with only interest to the case. The fact that Melton, a Lincoln county. The man for a much shorter period, returned a gully."
