Thrown Out of Court.

The case of the cattlemen who some months ago invaded Johnson county, Wyo., was thrown out of court, and twenty-three defendants who appeared for trial were discharged. The motion for dismissal was entered by Bennett, the people's attorney for Johnson county, and it was allowed.

This ending, so long anticipated, was brought about by the action of the sheriff. He produced nearly 1000 talesmen and said that he could find no more in town; that he had no guarantee expense and could not get it in Johnson county, and that he did not care to furnish the funds.

This grievance was laid before Prosecuting Attorney Bennett, who agreed to dismiss the case, as he said he had no idea that a conviction could be obtained. The affair involved an expenditure of about \$300,000 and it has kept the state in a ferment for nearly nine months.

The men discharged are among the prominent citizens of the state, and a number of them must leave, so strong is the resentment against them.

The firm of E. W. Achison & Co. and their growing business.—The Marble and Granite Works of E. W. Achison & Co. at Albany and Roseburg is one of the leading houses in this line in Oregon. The Roseburg house is under the management of D. Looney and is situated on Oak street, near Abraham's brick, and employs as marble cutter one of the most skilled workmen in the state, whose work took first premium at the Portland Exposition. This firm deals only in the best imported and Domestic Marble and Granite and always gives satisfaction. Their business is increasing so rapidly that they intend putting in a branch house in Coos county. The manager of the Roseburg house, Mr. D. Looney, will be found a business man with whom it is a pleasure to deal. Estimates furnished on special designs and patronage solicited.—Roseburg Review.

The following is the membership of the principal orders of the United States, as per reports of the supreme bodies for the year ending December 31, 1892: Odd Fellows, 698,533; Free Masons, 673,643; A. O. of U. W., 283,211; Knights of Pythias, 288,847; Knights of Honor, 237,355; Royal Arcanum, 218,454; I. O. of Red Men, 111,644; Knights and Ladies of Honor, 79,419; American Legion of Honor, 63,751; Maecabees, 62,580; Modern Woodmen of America, 53,000; United American Mechanics, 48,417; Equitable Aid Union, 26,500; B'nai B'rith, 25,478; Catholic Benevolent Legion, 22,533; United Friends, 22,804; Golden Cross, 17,333; Royal Templars, 15,133; Braids' 15,000.

It is possible that the public may be somewhat relieved of the great mass of dirty, mutilated paper currency so generally in circulation, and that the money of the country may hereafter be cleaner and more sightly. Representative Outhwaite, of Ohio, has introduced a bill in the house, providing for the frequent redemption of national bank and treasury notes and their exchange for new notes at government expense. It is sensibly argued that dirty bank notes are the home of disease germs, and disease is often transmitted by this means. It is believed that the early passage of the bill would aid in guarding against the possible spread of cholera through the medium of our circulating notes.—Ex.

For brevity senate bill No. 63 is in the lead for everything. It provides "that hereafter a married woman may by her real estate in like manner be brought to by her separate debt was unmarried." It is needless to say the lady owners of real estate would like to see this bill a law.

George Lessneray was pardoned from penitentiary Friday by the Governor on recommendation from the sentenced him and the attorney secured his conviction for larceny in Curry county sent to the penitentiary.

We clip the following from the Salem Capital Journal: "A petition has been laid before the legislature asking for the passage of a law requiring railroads to maintain their own fences through farming and pasture lands. It is signed by all the farmers along the railroads in this county. The railroads do not stop for stock. They run their trains night and day and when they kill an animal they keep the owner out of the money quite a long time and always cut his bill down to the lowest limit. The bill asks that the railroads be required to fence their tracks where they pass through agricultural lands that are improved and occupied. Is not this a reasonable request? Should not it be a law of the state? We believe the farmers should have this protection."

A Prize Picture Puzzle.

EXPLANATION.—The following picture contains four faces, a man and his three daughters. Any one can find the man's face, but it is not so easy to distinguish the faces of the three young ladies. The picture was published in a few newspapers some time ago, and attracted considerable attention to our standard remedies. We now offer a new prize competition in connection with it. As the sole object is to introduce our medicines into new localities, those who entered the former competition are requested not to compete in this one. As to the reliability of "The Ford Pill Co.," and the estimation in which their medicines are held in Toronto, Canada, where they are best known, persons are referred to the daily newspapers, wholesale druggists and leading business houses generally of Toronto.

The proprietors of "The Ford Pill Co." will give an elegant pair of **Shetland Pony Carriage and Harness**, valued at \$600, (delivered free in any part of the United States, to the first person who can make out the three daughters' faces. To the second will be given an elegant **Lady's Cold Watch**, set in sapphire and diamonds. To the third will be given a pair of genuine **Diamond Ear-rings**. To the fourth will be given a handsome **China Dinner Service**. To the fifth will be given a **Koosk Camera**. To the sixth, a **Swiss Music Box**. To the seventh, a **French Mantel Clock**. To the eighth, an elegant **Sansart Lamp**. To the ninth, a pair of **Crown Derby Vases**. To the tenth, a complete **Lawn Tennis Set**, and many other prizes in order of merit. Every competitor must cut out the above "Prize Picture," distinguish the three girls' faces by marking a cross with a lead pencil on each, and enclose same with two 2-cent stamps for one of the following "Prize Remedies":—"Ford's Prize Pills," "Ford's Prize Catarrh Remedy," or "Ford's Prize Cough Cure." Select any one of the above remedies you desire. Address "The Ford Pill Co.," Cor. Wellington & Bay Sts., Toronto, Canada. The person whose envelope is postmarked first will be awarded the first prize, and the others in order of merit. As this advertisement appears simultaneously throughout the United States, every one has an equal opportunity. To the person sending the first correct answer will be given an elegant **Prize Grand Piano**, valued at \$500.00. To the first person from the first sending a correct answer will be given a gentleman's fine Gold "Sansart" Watch, which strikes the hours and quarter hours on small cathedral gong at pleasure, and valued at \$300.00. To the second from the last, a first-class **Safety Bicycle**, just made in Toronto. To the third from the last, a first-class **English Shotgun**. To the fourth from the last, a suite of **Parlor Furniture**. To the fifth from the last, a handsome **Silver Tea Service**. To the sixth from the last, an elegant **Piano Lamp**. To the seventh from the last, a handsome pair of **Portieres**. To the eighth from the last, a genuine **English leather travelling Trunk**. To the ninth from the last, two pieces of genuine **Statuary**, and many other prizes in order of merit.

SPECIAL PRIZES FOR EACH STATE.

A special prize of a talk Dress Pattern (latest style, any color), or a first-class **Sewing Machine** (any make desired) will be given to the first person in each State in the U. S. who can make out the three daughters' faces. We shall give away 200 valuable prizes, besides special prizes (if there should be no many sending correct answers). No charge is made for boxing and packing of prizes. The names of the leading prize winners will be published in connection with our advertisement in leading newspapers next month. Extra premiums will be given to only those who are willing to assist in introducing our medicines. Nothing is charged for the prizes in any way. They are absolutely given away to introduce and advertise "Ford's Prize Remedies," which are standard medicine and will be used in every family for years where they have been once introduced. All prizes will be awarded strictly in order of merit, and with perfect satisfaction to the public. The remedies will be sent by mail, prepaid, and please free of duty.

A WATCH FOR EVERY CORRECT ANSWER.

An extra premium of a genuine "Fearless" Watch, (stem winder) will be awarded to every person who sends a correct answer within 30 days after this advertisement appears, in case they should not be fortunate enough to secure one of the larger prizes. That is, if any one can find the three faces and enclose them within 30 days from the time this advertisement appears in the newspaper, they can guaranteed either one of the leading prizes, or an extra premium of a watch on condition that no answer will be accepted that does not contain 30 cents for one of Ford's Prize Remedies.
