## How is This?

Something unique even in these days of mammoth premium offers, it is the latest effort of Stafford's Magazine, a New York monthly of home and general reading.

The proposition is to send the Magazine one year for one dollar the regular subscription price; and in addition to send each subscriber fifty-two complete novels during the twelve month is—one each week.

Think of it. You receive a new and complete novel by mail, post paid, every week for fifty-two weeks, and in addition you get the magazine once a month, for twelve months, all for one dollar. It is an offer which the publisher can only afford to make in the confident expectation of getting a hundred thousand new subscribers. Among the authors of the coming series are, Wilkie Collins, Walter Besant, Mrs. Oliphant, Mary Cecil Hay, Florence Marryat, Anthony Trollope, A. Conan Doyle, Miss Braddon, Captain Marryat, Miss Thackeray and Julie Verne. If you wish to take advantage of this unusual opportunity, send one dollar for Stafford's Magazine one year. Your first copy of the magazine and your first number of the fifty-two novels (one each week) which you are to receive during the year will be sent you by return mail. Remit by P. O. order, registered letter or express. Address
