About a year ago I took a violent at-
tack of la grippe. I coughed day and
night for about six weeks; my wife
then suggested that I try Chamber-
lain's Cough Remedy. At first I could
see no difference, but still kept taking
it, and soon found that it was what I
needed. If I got no relief from one
dose I took another, and it was only
a few days until I was free from the
cough. I think people in general
ought to know the value of this reme-
dy, and I take pleasure in acknowl-
edging the benefit I have received
from it. MADISON MUSTARD, Otway,

Several days ago the Democrat men-
tioned the filing by the Tucker Bros.
on some land at Lacomb it had been
learned had a defective title. It was
also stated that 39 acres of the property
of George Clark adjoining was likewise
without sufficient title on account of
its being government land, the O. &
C., the grantor, not having a good
title to it. We remarked that Mr.
Clark would have to do some rustling
towards Oregon City. It seems that
Mr. George Sylvester learned of the
condition of affairs before Mr. Clark,
and going to Oregon City fled on the
property. Mr. Clark came to Albany,
and this noon accompanied by attorney
G. W. Wright went to Oregon
City to begin a contest for the posses-
sion of the property. Mr. Wright is
confident he can secure a title for his
client, and as Mr. Clark secured the
property in good faith he certainly
ought to succeed.—Democrat.

A Man Lost.

One day last week a man was pass-
ing down Main street, and all at once
disappeared into Baker's Dry Goods,
Bout and Shoe store, where he fell into
Baker's low prices and was lost to all.

Judge O. N. Denny, of LaFayette,
was in the city Tuesday, on his way to
visit his brother, John Denny, who
lives near this place. Judge Denny's
name is prominently mentioned as a
good selection to head the republican
ticket as candidate for governor of Oregon
in the election next June.

The persistent cough which usually
follows an attack of the grip can be
permanently cured by taking Cham-
berlain's Cough Remedy. W. A.
McGuire, of McKay, Ohio, says: "La
Grippe left me with a severe cough.
After using several different medicines
without relief, I tried Chamberlain's
Remedy, which effected a per-
manent cure. I have also found it to
be an equal for children, when
attacked with colds or croup." 50 cent

boy from getting on the cars and going
to school. The boy came out here with Mr.

is not his father. He didn't
want any treatment be received, so he
went home and they sent him
money with which to go
to school. He was dressed to evade Hatch

BALD HEADS!

What is the condition of yours? Is your hair dry,
harsh, brittle? Does it split at the ends? Has it a
lifeless appearance? Does it fall out when combed or
brushed? Is it full of dandruff? Does your scalp itch?
Is it dry or in a heated condition? If these are some of
your symptoms be warned in time or you will become bald.

Skookum Root Hair Grower

is what you need. Its production is not an accident, but the result of scientific
research. Knowledge of the diseases of the hair and scalp led to the discov-
ery of how to treat them. "Skookum" contains neither minerals nor oils. It
is not a dye, but a delightfully cooling and refreshing Tonic. It stimulates
the follicles, it stops falling hair, cures dandruff, and grows hair on bald
heads.

Keep the scalp clean, healthy, and free from irritating eruptions, by
the use of Skookum Hair Soap. It destroys parasitic insects which feed on
and destroy the hair.

If your druggist cannot supply you send direct to us, and we will forward
promptly, on receipt of price. Grower, \$1.00 per bottle; 4 for \$3.00. Soap, 50c.
per jar; 4 for \$2.00.
