SEEN AT SHEDDS.

A Man Supposed to be Brady, the Train Robber and Murderer of Bogart.

It was reported last night that Brady, the murderer of Bogart in the famous train robbery at Wheatland, Calif., was in the vicinity of Harrisburg. Considerable telephoning was done up and down the valley. This morning Tom Wilson, a former resident of this vicinity, having worked across the river, arrived in Albany by the blind baggage from Cuba. He gave a graphic account of meeting with a man who is undoubtedly the murderer of Bogart. At Harrisburg after the train had started and was going at a good speed a man ran and caught on the blind baggage. He inquired of Wilson about Portland, and how to get to British Columbia, and remarked about taking a steamer to China. His description is that of Brady exactly. He had two gold upper teeth, with drooping lower lip, which he seemed to try to cover up. His head was bent forward and his legs were long, eyes prominent, all just like the description. In his waist going down into his pants were two revolvers ready for instant use, which he tried to keep concealed. When the train stopped at Halsey he got off and stooped down by the train with one of the revolvers drawn and eyeing every movement made. He rode to Shedd, when it was getting too light, the train was late,—when he got off and disappeared. He asked about whether there was a road around Albany before leaving. His plan is evidently to travel by night as far as possible, and hide in the day time. Such men are often seen many times before the right man is caught; but this man's description is too exact to leave much doubt of his being Brady.

Wilson has secured a pass to Portland and left on the noon train to join John Minto and a party who will try and capture Brady.

It was reported this noon that Brady was seen by the track on the Oregonian during the forenoon and that a sheriff and another man in disguise as traups were close on his track. It is doubtful if this is the right man.—Albany Democrat.

A Wedding.

Hear the mellow wedding bells— Golden bells!

What a World of happiness their harmony foretells!

On last Sunday evening, April 21, 1896, Miss Lizzie, the only daughter of Mr. and Mrs. W. B. Dougan was united in marriage to John M. Somers Esq., of the law firm of Blackburn & Somers, at the residence of the bride's parents in this city. Rev. J. A. Beattie, pastor of the First Presbyterian church solemnizing the ceremony.

The event was a notable one; the fair bride being the only daughter of our justly esteemed, public spirited neighbors and friends, Mr. and Mrs. W. B. Dougan, a native of this city where she has lived from infancy. Her beautiful life and noble traits of character have endeared her to all with whom she was acquainted. Young and old of Lebanon vie with each other in wishing Mrs. Somers happiness and prosperity in her new life.

The groom is a rising young lawyer of Albany, of the popular law firm of Blackburn & Somers. He is recognized by the profession as a close student and conscientious attorney who bids fair to attain the front rank among Albany's foremost lawyers.

The beautiful home was elaborately decorated with floral embellishments; everywhere the taste of the decorator was apparent, while the bridal supper was charming in its bountiful supply of rare dainties.

The guests were: Rev. and Mrs. J. H. Beattie, Mr. and Mrs. B. M. Dougan, Mr. and Mrs. D. F. Hardman, Miss Belle Martin, Miss Hettie Hendrickson, Miss Ida Cowan, Mr. Henry Krueger, Mr. James Whitlaw and Mr. J. H. Boyd.

Among the many presents were a set of silver knives and forks by Mr. and Mrs. W. B. Dougan, a set of silver table spoons by Mr. and Mrs. B. M. Dougan, a toilet set by Mr. and Mrs. D. F. Hardman, a water set by Mr. and Mrs. Pugh. Ruff Huft presented the bride with a beautiful Holstein cow on condition that she would compel the groom to milk the same regularly morning and evening.

The happy couple took the Monday evening's train for Albany, where they will make their future home. The people of Lebanon extend to Mr. and Mrs. Somers their kindest congratulations and good wishes for their happiness and prosperity.

The orange blossoms swell, And burst in wedding bells; And while the joyful sounds, As halo all arounds, Two souls are filled with love, Sweet, guileless as a dove, Thus dual hearts that cannot part, Are bid impaled on Cupid's dart.

A Hard Decision.

A decision for the plaintiff has been rendered in Judge Bellinger's court in Portland in the suit brought by the Bank of California to set aside the deed by which Mrs. J. L. Cowan became the owner of the family residence on the corner of Fifth and Ferry streets in this city. Whatever may be said of the Linn County National Bank failure, it is a fact that the depositors will all be paid in full, a considerable portion of it already been paid. Mrs. Cowan had considerable money of her own, and it would seem just that she should be entitled to keep her home. It is not improbable that the case will be appealed to the supreme court.—Oregonian.
