"HIGH-HANDED FRAUD."

A call has been issued by leading populists of Marion county for a meeting at Salem next Saturday. The call will explain the situation:

"There is ample proof that a high-handed piece of fraud and trickery is being perpetrated under color of law, whereby Hon. W. S. Vanderburg, the legally elected congressman for this district, is being unlawfully and fraudulently counted out, and Hon. Thos. H. Tongue counted in, contrary to the expressed will of the majority of the legal voters of this district.

"Therefore we call upon all good and law-abiding citizens who believe in honest elections, in an honest vote and a fair count, to unite with us in a public mass meeting duly and lawfully assembled, to take such measures as may be necessary to protect the purity of the ballot box, and to utter our protest and indignation against the most disgraceful attempt to defeat the will of the people ever attempted in the history of our state, and if allowed to be consummated would be a lasting disgrace to the name of our state.

"Therefore, all good citizens are requested to assemble at Marion square where good speakers will address the assemblage."

Christian friends do up all your necessary work and come with your tents, wives and children to spend a few days in a meeting which will fit your souls for more efficient work for the Lord and winning other souls for Christ. WATERLOO TRUTH.

BY M'GINTY'S GHOST.

At last the streets are being improved by a good coat of gravel.

The Liberty nine has challenged the Waterloo nine for a game of baseball, and the game will be played next Saturday.

We have just recovered from the effects of the election. It was such a surprise that we caught that tired feeling, but not like one of our citizens who attended the Lebanon rally, and on his homeward journey, forgot where he was.

Quite a crowd came in from the hills on election day, and about noon congregated on Broadway between the Bowery and the Battery. They were so excited talking about politics and how much they would bet, that the ladies had to walk around them in the street or cross over to Gibson to get by. The marshal had to eat dinner that day on time, the same as any other day, and as we don't need any deputies in a quiet town like this, a blockade of Shaik's street car line was the result.

Waterloo is expecting a large crowd the 4th of July. We never fail to have some kind of a Fourth if nothing more than a rainy Fourth. Come everybody and enjoy yourselves, as there is sure to be fun for somebody.

Body Found.

Last Saturday morning between the hours of 9 and 10 o'clock, the body of little Chester Curtis, who was drowned some six weeks ago, was found, at a place about one and a half miles from where the soul departed this life, says the Brownsville Times. The body was found by the deceased boy's father and brother, Lawrence, who were going down the river in a boat, as they had done several times before. Lawrence discovered the body when some distance from it. It had caught on a limb several feet from the bank, the hip only being above the water. Decomposition had set in.

The Knights of the Maccabees will give a grand picnic at Corvallis today. Mrs. Dunnaway, of Portland, was to be the orator of the day, but on account of some previous arrangement, could not be present, and telegraphed to Dr. Lamberson, of this city, yesterday to go and deliver an address. The Dr. consented and left early this morning for that city. This will be a gala day in Corvallis. Music will be furnished by four bands. An interesting programme will be rendered and many interesting contests will take place. Quite a number of Maccabees from this place and Sodaville have gone to Corvallis to attend the big blow out.

There is more catarrh in this section of the county than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires a constitutional treatment. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. The offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Sold by druggists, 76c. Toledo, O.
