Hughes has sold his home to Mrs. Benjamin, and will leave with his family tomorrow for Lebanon, Linn county, Oregon, where he will make his future home. Mr. Hughes has been in Redwood City since 1874 and has been connected with our water works system since its inception. If any one is capable of conducting a system of his own, he is the man. His friends are legion. He has proved himself a steady, reliable, upright, public-spirited citizen, and we shall miss him sorely, as he has been untiring in his efforts to promote the public weal. Many of our public improvements are due to his enterprise and labors. Our loss is Lebanon's gain. The best wishes of the entire community go with him.

THE MOTOR LINE.

Proposition now Submitted to Build the Waterloo-Lebanon Motor Line.

M. W. Wilkins, of Portland, who has been looking over the ground with a view to putting in a motor line from Waterloo via Sodaville to Lebanon, has now made a proposition to the citizens of Lebanon to see if they want this line built and if they will take hold of it and assist in this work.

Mr. Wilkins formerly lived in Corvallis and was a resident of Benton county for over twenty years. He says he is representing an Oregon company and that that they mean business and if the people will come forward and subscribe what they should that work will commence on the proposed line immediately, and the road would be put through and in working order in less than sixty days. The object is to build this road from Waterloo to Sodaville, Lebanon, Tangent, and Albany.

Sodaville people have come to the front and already have subscribed about \$2,500 in labor, land and money and say they will do more if necessary, and it now remains to be seen what Lebanon and Waterloo will do. A mass meeting will be held in Lebanon tonight and at Waterloo tomorrow from 10 A. M. to 4 P. M. Sodaville tomorrow (Friday) night. Let everybody turn out.

Waterloo vs. Lebanon.

A game of baseball was played in this city last Saturday between Waterloo and Lebanon. The Lebanon team went on the diamond without having practiced at all, and played very fair ball. Waterloo claimed that they were playing ball without practice.

The game was close all the way through and it was not until the last half of the ninth inning was begun, that any idea could be formed as to who would be the victors. George Elkins and Perry Scott were the battery for Lebanon and did good work. Ed Aldrich pitched for Waterloo.

Following is the score: —LEBANON—

Table with 9 columns (1-9) and 10 rows of player statistics for Lebanon.

—WATERLOO—

Table with 9 columns (1-9) and 10 rows of player statistics for Waterloo.

The entertainment was a financial success and the members of the Sunday school take this opportunity to express their thanks to those in attendance. One Who Was There.

TENNESSEE PICNIC.

BY CASSAR. Friday, June 19, 1896.

Our picnic day passed off very nicely and visitors from all directions, even though a picnic was in progress at Jefferson, were present and did not regret coming. The exercises began at 10:30 A. M. and lasted till 1 P. M. A few of most important plays and songs of the programme were: "The Happy Family," "The Indian Raid," and "The Pantaloons Fight." A recitation by Clarence Ross, "Nebuchadnezzar," and a lecture by Martha Crowder, "The Bugle Horn," by the choir. "The Schoolmaster Abroad," a dialogue. Song "Columbia" by the choir. This is just a few of the pieces which were played. The dinner was simply immense, everyone partaking freely. Bert Blacklaw and Chas. McKnight received the custom of many at their candy stand all day long. After dinner was the ball game. For while it seemed as though Spicer, (the nine Tennessee was playing against) would win, but gradually Tennessee's ready little nine scored and Spicer was laid in the shade. Seven innings were played. Spicer received three "goose eggs" and Tennessee one. Spicer played a picked nine and Tennessee played their regular nine, with one exception. The score was Tennessee 18, Spicer 12. Ebert Thompson, of Lebanon, played with our nine and was the only outsider. The following contents were in order: One hundred dash was won by Walter Miller, who also won the 50-yard dash. Layton Davis was awarded a dish of ice cream for winning the potato race. Lester West, of Lebanon, won the schoolboy's race. Walter Davis won the sack race. Oscar Grisham and Walter Miller won the three-legged race. Burley Davis won the broad jump. Chester Myers was treated to ice cream for winning the wheelbarrow race. This ended the contests. In the evening everybody went over to the dance and had a nice time. Thus ended our 5th annual picnic. Everyone admitted the way in which Miss Annie Blacklaw conducted the picnic. Had it not been for her the picnic would not have been what it was. Geo. Davis was supreme judge and overseer of all the contests.

Downing-Jenkins Nuptials. At the residence of the bride's parents, near Lacombe, June 21, Mr. Orville Downing and Miss Gertie Jenkins were united in marriage by Rev. Mr. White. It was an old fashioned wedding, a large crowd of friends and relatives being present. When the hour for the ceremony arrived the guests assembled under a large shade tree in the yard, and while a wedding march was being played the bridal couple marched to the porch where the ceremony was performed. After the ceremony an elegant repast was served to which between 70 and 80 guests did justice. The tables were beautifully decorated with roses. The presents received were mostly designed for use as well as ornament. The bride is a beautiful, amiable young lady, held in high esteem by all who know her. The groom is a young man, well known, and is to be congratulated for having secured such an estimable companion. The happy couple have the best wishes of many friends and relatives. There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires a constitutional treatment. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. The offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J.
