Dr. Booth informs us that the 3-year-old child of A. F. Ayers, which was kicked by a horse, is fast recovering, but it had a narrow escape. The child lay unconscious over 75 hours. Measure your rooms accurately and bring size in feet and inches with you. It costs you nothing to have your carpets sewed by hand by the Albany Furniture Co., Albany, Oregon. Prof. Randle informs us that he is having new silk put under the Academy and a new floor put in one of the rooms, and otherwise fitting up the Academy. C. H. Moran has closed the trade with G. W. They got in a hurry, and Deputy Game Warden Wilkins hurried them before a justice. The union services at the M. E. church Sunday evening was well attended, the house being comfortably filled. Rev. Harmon and Rev. Lamar were the only ministers present. Both gave interesting addresses. Capt. Geo. Pope and Judge J. W. Whalley, of Portland, arrived in Lebanon Monday and on Tuesday went out pheasant hunting with several of our sportsmen. They succeeded in bagging 42 pheasants. On Wednesday Judge Whalley left for Stayton and Capt. Geo. Pope left this morning for Portland. Hons. Geo. E. Chamberlain, of Portland, E. Hofer, of Salem, and J. S. Smith, of Albany, will address the citizens of Lebanon and vicinity, tonight, in the Opera House, on the political issues of the day. These gentlemen are great advocates of free silver and noted orators. Come out and hear them. The republicans of our city raised a fund and had a nice and appropriate banner painted with the picture of McKinley and Hobart on it, and also the following motto: "National Honor, Protection, Industries, Sound Money, Prosperity, Independence." The banner is stretched across the street from the St. Charles hotel to Mr. Guy's building. The painting was done by Mr. Whitting and is good work. One end of the rope was cut the first night it was up, which was a span and caused public trial.

Go to Peebler's for your groceries. We want some wheat on subscription. Dr. J. C. Griffith and wife, of Salem, was in Lebanon Tuesday. J. C. Bilyeu and W. B. Donacy will begin to pick their hops next week. Farmers who store their wheat at the Lebanon mill this year will receive Albany prices for same when they wish to sell. See ad. of the Champion Mill. You can get Prices Baking Powder for 80c. per pound, every can guaranteed. Arm & Hammer soda 4 cents a pound at Peebler's. About 120 men are now employed on the government works at the Cascades. Twenty-five are stonecutters and the remainder laborers. Necessity demands that we insist on all those indebted to us on subscription, or otherwise, to call and settle at once. We will take wheat, oats or hay at the highest market prices. Upon close inquiry we find that over half of the hop yards in this vicinity will not be picked this year and a chance of not even that much, as some are yet undecided whether to pick or not as they don't see much encouragement in the prices. It is unlawful to sell or offer for sale China pheasants now. The only time they can be sold is between October 15 and November 15, and as there are several deputy game wardens around here it would be well for our sportsmen to look out. The Lebanon base ball nine will play the Albany Colts in Albany next Saturday afternoon. The Lebanon boys will meet hard opponents and it is very important that they get in and practice all that it is possible between now and that time. Careful, considerate consumers considers considerably concerning klotches cleaning kemical compounds. Beg pardon, but the idea we wish to convey is that those who use Soap Foam washing powder find it does not make the hands sore, nor "yellow the clothes." It is unequalled for the laundry, kitchen or bath. Jefferson Review: Hon. M. A. Miller, of Lebanon, was a pleasant visitor at the Review office yesterday. Mr. Miller was a delegate to the Chicago convention that nominated Bryan, and is an enthusiastic free silver man. He is a member of the democratic state central committee and was en route home from Portland, where he had been helping arrange the electoral ticket. Mr. J. M. Denney and Dr. Elizabeth H. Reed were united in marriage at the home of the brides parents, in this city, last Monday night, Rev. C. G. Harmon officiating. The wedding was a very private affair, only the families of the contracting parties and one or two guests being present. Mr. Denney is the son of John Denney, of this county, and a nephew of Hon. O. H. Denney, of Portland. He is a young man of sterling qualities and is esteemed by all who know him. Dr. Reed is the daughter of J. G. Reed, of this city, and has recently graduated in medicine. She is highly accomplished and greatly respected young lady. Mr. Denney is to be congratulated on winning such a partner and help-mets through life. The young couple have a host of friends here who extend their best wishes. They left Wednesday for Portland where Mr. Denney will enter the medical school, this being his last year. They will both enter into their life profession together. We extend congratulations. Will Ratify at Albany. At a meeting of the Bryan executive committee arrangements were made for holding probably the biggest ratification meeting ever held in Albany, on Friday, September 11, devoting the entire afternoon and evening to it. The best free silver speakers in Oregon have been invited. Among those who will probably be present being: Hons H. L. Barkley, E. Hofer W. J. D'Arcy, of Marion county, Judge Stewart, of Portland, N. L. Butler Harry Watkins, M. L. Omstead, Judge Burnett, W. S. McFadden, Ed Kilfeather, Geo. E. Chamberlain, W. D. Hare, T. J. McClary. Also Mayor Fennoyer, whom it is hoped to be persuaded to be here, and Senator H. M. Teller. The afternoon and evening will be devoted to speech making. At 5 o'clock a big barbecue of beefs, sheep, pigs and clams will be given. The committee in charge of the barbecue is Mart Payne, Wm. Emerick and Harlan Hulbert, whose experience will insure its success. Mr. Arch Hammer was appointed a committee on vocal music. Let the voters of this part of Oregon generally prepare to attend this big demonstration in honor of the great commoner.—Albany Democrat. To The Mothers. You have nice children, you know, and nothing pleases them better than a nice nobby suit of clothes that keeps them warm and healthy. Baker has them and for but little money. Can you stand \$1.00 for a suit of clothes, or up to \$5.00? All these low priced suits and hats in stock.

COUNCIL PROCEEDINGS.
The city council met last Tuesday evening in regular session, with Mayor Pugh in the chair and all of the councilmen present. Minutes of previous meeting read, corrected and approved. The committee on accounts and expenses reported favorable on the bill of J. M. Wiley for lumber to the amount of \$13 70. By motion the bill was allowed and a warrant ordered drawn for the same. A petition asking that a sidewalk be built south from the bridge at the mill was read to the council, and by motion was referred to the committee on streets and public property to be reported on at the next regular meeting. The resignation of G. W. Taylor, marshal of the city, was then read to the council, and by motion the same was accepted. Phil Ritter was elected to fill the unexpired term. Moved and seconded that the committee on ordinances be instructed to bring in an ordinance raising the saloon license to \$500 per year. The motion was carried and the committee was instructed to bring in the ordinance as required by the motion. Moved and carried that the rules be suspended and a warrant be drawn for the following bills: Umphrey & Dodge, \$1 00; Umphrey & Bilyeu, \$2 00; Lebanon Electric Light & Water Co., \$92 50; Phil Ritter, \$2 00; G. W. Taylor, \$29 00; S. M. Garland, \$7 50; W. M. Brown, \$7 70. Moved and carried that G. W. Taylor be allowed \$10 00 for extra work. Council then adjourned.
