## LOCAL.

"All communications, as far as possible, should reach us not later than Tuesday night. Please bear this in mind and have communications in on time."—Editor.

Mr Jamison who owns and resides on the old Wilcox place north of town has been quite ill for the past week. It seems to be an acute attack of either Lumbago or rheumatism. Mrs A A Agee came in Tuesday for the doctor for him.

Mr Padberg Sr was in from Will's ranch Monday with a load of fine apples and vegetables.

The "Dummy" Frank Everson, was going some last Sunday. He has broken his fine horse to drive single and he borrowed a buggy and every girl in town had a ride.

## PUBLIC SALE--

There will be a public sale of livestock at the C. P. Bowman ranch on Butler Creek, Tuesday, August 31st, at the hour of 10 A. M. Blooded Jersey and Holstein cows and calves, and also some good horses will be sold on sight months time at eight per cent interest with approved security.

C. R. Johnson wife and daughter, of Tama, Iowa are here for a visit with Mr and Mrs Bortzer. Mrs Johnson and Mrs Bortzer are sisters.

J. B. Jones, that sporty young man who has been around here for the past eight months and who left some time back was here for a few days visit last week. Mr Jones likes this place and the people very much but all will be surprised to learn that his name was not Jones. An article another place in this paper will explain why he did not carry his own name.

Money to loan on Morrow County Farm land at 7 per cent From three to ten years.  
 W S Smith  
 Post Office, Ione, Oregon.

Jim Barnett has taken over the proprietorship of the barber shop. No introduction is necessary with the Ione people in the case of Jim and all we hope is that his health will remain good enough for him to continue in business.

Our Attorney Robinson is sporting a new Fedora and in consequence thereof steps so lightly he nearly skins the ground.

Chicken dinner with all the "fixin" at the Hotel Sunday.

G. F. Marvel formerly of Morgan but who now lives in Arlington being the proprietor of a livery stable there, drove to Ione Sunday to bring some parties and made a pleasant call at the Proclaimer office while here.

Ralph Hymer, who has been our barber here for the past eight months, left for Portland Monday where he will go into business.

Anyone in need of lime, cement and stingles call and see G F Parker before going elsewhere.

The streets are a sight with WEEDS and as the hot days are bringing to the surface some snakes it would be well if some public spirited citizen would take up a contribution and see that the WEEDS are removed before some child is bitten. Mr Shanks deserves a medal for evenings after a hard day's work he has been working in front of his house on Second street and has cleaned the weeds away from the whole roadway. Why can't the rest of the people have the same enterprise? It is too bad to tell the public outside of Ione that the streets are in such a fix and we will add that last summer after the women got up in arms about the condition of the streets, the men rose as one man and graded Second street from end to end and put down new cross walks.

Ruth Cochran is driving as fine a little team of mules these days as man ever saw. They belong to Lew Davidson and Mr Cochran is breaking them. They are bay in color, weigh 1400 and are full brother and sister.

Mr Jasper came to town Thursday with Ralph Mc Colloch who was struck on the head by the breaking of the friction clutch of the Barlow threshing machine which was working at the Gist ranch. Dr Chick put in several stitches and Mr Mc Colloch will return to work in a few days.

Curie Rhea was in for sacks last Wednesday. The Barlow machine will thresh his grain, also for Dorman and Snouse next week.

Ed Bristow has moved into the E M Akers home, recently vacated by Mr Bryson. Perry Hopkins who owns the house where Bristow lived, on Main street, is returning to Ione to live.

E H Escue who is carrying on the shooting gallery here is taking a vacation and is down on the Simmons ranch working in the alfalfa.

J T Knappenberg is busy hauling in his wheat from the Woolery ranch. He seems well pleased with the output and the fine grade of wheat produced shows that in this country even in years of small rainfall the class of grain will be the best.

The Proclaimer for \$1.50 a year Notice--Ben Buschke of Ione wishes to notify parties on the Northside who have stock running at large that if they don't keep them out of his grain he will take them up and bring them to Ione to the livery stable where the owner will have to pay charges

Mr Thorp is busy these days hauling Sheriff Shutt's wheat to Lexington.

Herald, Nettie, Mabel and Lena Mason will start Saturday morning for the mountains to get some buckberries.

Over at the Proclaimer house the other day a large snake ran along the fence just where the baby had been a few moments previous. Well there certainly was an exciting time there for a few minutes. The wife ran for Mr King while Audrey danced around in the yard. About this time Mrs Race happened along and seeing the snake she told Audrey to get the hoe for her and she would kill it. Audrey ran out in the back yard and picked up a mop stick but by this time Mr King was there and killed it. We asked Audrey why she didn't get the hoe and she said she thought she was getting it but was scared too bad to see good.

Monday T L Dorman and Geo Peck began heading on the Tibbett place.

Mrs Hindle went to Portland having had a long distance phone Sunday that Mr Hindle, who is in the hospital, was not so well.

Moss Elliot, escaped lunatic from Salem, was captured here by Deputy Sheriff, Frank Nash. After the capture Elliot drank some poison he had in his pocket and but for the prompt work of Dr Chick he would have died. An attendant from the asylum came and took him back to Salem.

John Cochran, E I Padberg and family, Johnny Bryson and family Mrs Walter Puyear and Mrs Frank Akers and children left together for the mountains Saturday. They will be absent about ten days.

C E Shaver, "Shorty", has returned from a trip to Walla Walla While there visiting old friends he attended Ringling Brothers circus and said it was fine.
