Much seedling will be done this fall and next year the farmers will not have such long faces as this year of short crops. For this section does not give such shabby returns often.

Ione has the second crop of apples coming on. At the Mason ranch the crab apple trees are ripening their second crop now.

A fast-mail train between Chicago and Portland that will bring Eastern mail to Oregon in much less time than is now required has just been put on by the Harriman lines. The train will carry no passengers and will make the run between the two cities in 60 or 62 hours, clipping off from 10 to 12 hours from the present schedule. In this way the Harriman lines expect to meet the shortened schedules of the Hill roads, which have put in fast trains from St Paul to Puget Sound.

Samuel Esteb and family who have been visiting in the Gooseberry district for the past two weeks returned to Portland the first of the month and besides finding their house in ashes, the second day after they got there, their two months old baby was taken sick and after three days he died and was buried October 7, in the Arleta cemetery, by the side of his little brother who was buried there over a year ago. We extend our deepest sympathy to these people in their hour of bereavement, and wish them far better success in the future than they have had in the past. Mr and Mrs Esteb are well known here as they used to live here before moving to Arleta.
