Farewell Party Given Last Saturday Evening

Saturday evening was one of gala events in the history of Ione about 350 people met in the Ione Rink and tendered their regrets to Mr. and Mrs. Joe Waters, who expect to leave shortly to reside in Heppner, where Mr. Waters is filling the position of County Clerk for Morrow County. Everything had been quietly arranged and all were assembled at the Rink when Mr. and Mrs. Waters were ushered into the room. It is useless to say that they were surprised for they were simply swept off their feet. Joe was asked to give a speech and after that Chairman Ed Bristow in his usual hearty manner announced that the program was on. The Glee Club composed of Elvena and Della Davidson, Muriel and Marie Cason, Agnes and Linnie Pennington, and Zelma Engleman, gave several selections collectively and individually. Chas. Chick and Miss Swanson gave a very entertaining duet. The orchestra composed of Mrs. Ruth Mason, Miss Doris Wilt, Wm. Burger, Chas. Chick and Earl Blake regaled the gathering with several fine selections. Prof. W. K. Davis sang a solo and was encored as was the Quartette under his management. Those who gave recitations were Mr. Carlton Swanson, Edene Moore, Lawrence Shutt who also gave a very excellent selection on the piano. W. T. McNabb gave an address wherein he stated the regrets of the gathering for the departure of Mr. Waters and family. Fruit punch and cake was served to the gathering and everyone went away after a fine evening of entertainment. Mr. and Mrs. Waters will move in about two weeks.

Refreshments and entertainment were the events of the evening. Those present were: Eva Swanson, Edna Mohr, Catherine Jones, Doris Wilt, Agnes and Linnie Pennington, Elvena and Della Davidson, Anna Lindsay, Opal Padberg, Mrs. Ruth Mason, Mrs. Edna Hossner, Mrs. Jessie Smith, Ethel Sperry, Kitty Wilmot, Mae Ganger, and Opal Cochran, the guest of honor. To Our Many Friends Of Ione and Vicinity

We wish, at this time to express our appreciation of the kindly friendship that was extended to us last Saturday evening at Ione, in the shape of a surprise party. To say that we were surprised is putting it mildly, we were bewildered beyond recovery.
The meeting together of so many of our friends brought to our thought the many pleasant dealing relations of the past twelve years.
We will remember this gathering as one of the most enjoyable events in our life's history and wish to thank each and everyone for their kind remembrance of us. The writer was too much bewildered on the night of this occasion to even attempt to express his feelings of appreciation toward the large crowd which greeted himself and family.
Regretting our having to leave such a host of friends and wishing you all the best of success and happiness, beg to remain,
Your sincere friends
J. A. Waters and family

Track Meet Saturday

With the Morrow County Interscholastic track meet, the Umatilla-Ione baseball game and the high school play, "A Country Squire," next Saturday promises to be a big day in Ione. The track meet starts at 1 o'clock and will last several hours. This is the first track meet that has ever been staged between the high schools of Morrow County and it promises to be worth seeing from start to finish. The local boys have spent more than a month training and will do their best to even up matters over their recent defeat in baseball. In the evening is the high school play, "A Country Squire," and from what we have heard it is one of the best plays they have ever undertaken to stage this year. Seats are on sale at the Ione Pharmacy.
Emery Hiatt, Ralph Yeager, Andy and Harry Rood, all of Heppner, were among the many who attended the ball game Sunday. They came down by auto.
Joe Woods was an Ione visitor from Heppner Sunday, where he has been employed for some time. He returned the same day.
C. D. Lord, President of the North Dakota Land Co., and Geo. E. Towle were here the past week to attend Court at Heppner. W. F. Honey, of Gresham, accompanied them and took them over their holdings around Ione. They were very much pleased at the evidence of progress that they saw. Mr. Towle said that Ione had made great strides since he had been here before. They were confident that this section was due for a spell of prosperity.
Mrs. Martha Johnson, of Twin Falls, Idaho, arrived in Ione last week to attend her father, J. R. Land, who has been ailing for some time.

Ione Defeats Fairview In One Sided Game Score 15 To 2

The same old story was repeated last Sunday when Ione won their sixth consecutive victory of the season from Fairview by the score of 15 to 2. The effective pitching of Sperry for Ione was the principal feature of the game. He simply toyed with the visitors after the second inning in which his three base swat with the bases loaded drove Gentry, the first Fairview pitcher, to the bench. Fairview had three pitchers on the mound during the game and they were all hit hard by the Ione boys. Gentry, who held Ione to one hit in four innings a week ago, was anything but effective and retired in the last of the second inning in favor of Drake, after seven scores had been made off his delivery. Drake stopped the scoring for a couple of innings, but later gave way to F. Griffin in the eighth, who proved a poor rescue, being bumped for three scores. The Ione boys got 16 hits, one three bagger and two two baggers, most of the hits being bunched. Sperry allowed 5 hits and struck out 13.

short. He showed exceptional skill. Rood was the only Ione man that did not get a hit, but brought in a neatly placed sacrifice. He is a neat player and will cause the leaders in batting some worry when he gets a little more practice.
The Fairview boys learned not to take any chances on Cason arm after he threw out a man from deep center who tried to score on a single.
Cochran cut off what looked like a safe hit, by some pretty fielding and forced a man at second by tossing to Coshow.
Coshow found Drake hard to hit, but, he should worry, he got 3 hits anyway.
Cob and Dutch both fell in their batting average but they batted the same, Bob still leading. Dutch got two hits in six times up and Bob one in three times up, the latter getting three walks.

Notes on the Game

It looked as if Sperry was going to shut the Fairview bats out as he hit the ball over the fence in left field, but fast fielding held him at third.
Hopkins was the batting star of the day, getting three clean hits and lost what looked like a fourth one when the center fielder made a fine catch.
Cason speared one of those impossible, or what appeared to be impossible catches in center and doubled Drake at second ending the game.
W. Rietman has apparently come to himself. His fielding was perfect and he got two hits out of 5 times up and also got his usual sacrifice, advancing Coshow to second in the first inning.
Blake was peeved because Elliott stole second and third on him but evened matters up when he stole second while Elliott held the ball at

The following is the season's batting average:

IONE	AB	H	Pc.
Coshow s	18	7	.389
W. Rietman 3	15	2	.133
O. Rietman 1	25	10	.421

Arrangements have been completed by the local management to bring the Harriman baseball team of Umatilla here for two games to be played next Saturday and Sunday, May 22-23. This team will be the strongest team that Ione has played this year and all who should attend the games will get their money's worth. The Saturday's game will start immediately after the train arrives, and the Sunday's game will start at 2:00 o'clock sharp.
Chas. Sperry made a trip to Heppner Monday morning to take Joe Waters to work. Joe is very punctual at his duties and this seems very funny when there are so many public officials who try their best to see how little time they can put in at their offices instead of giving the same service they would when working for a private concern. Morrow County is well blessed with honest officials.
H. L. Mann brought in one of those Haynes six autos this week and showed it off to many of our citizens. He was accompanied by Mr. McKenney, President of the Harney County Bank of Burns, Oregon.
Henry Clark left for Portland this week to attend the meeting of the Grand Oddfellow Lodge of Oregon. He was accompanied by Joe Mason and Lee Padberg. They will be gone about a week at Newport, where the big doings will be held and will represent Ione Lodge No. 135.
Mrs. L. P. Davidson and Mrs. Lee Padberg left this week for Newport to represent the Rebekahs of Ione at the Grand Lodge.
