IONE BOYS TAKE DOUBLE-HEADER

Heppner and Lexington are Victims of Local Nine Who Continue to Hit the Ball.

Both ball games at Lexington Sunday were won by the Ione boys who hit the ball on the nose and ran wild on the bases. The Heppner game lasted only five innings and ended with a score of 11 to 2.

The Lexington boys then essayed to lower the colors of the Ione boys but altho they were allowed to sting the ball occasionally and also did good work after got on the bases the Ione boys

emerged on top 11 to 9. Fat Blake distinguished himself by knocking out a three ply swat and Hiatt and Dinges for Lexington also performed the same stunt. McMillen umpired the game and his decisions were fair and were not questioned by the players. A large crowd attended from Ione, going by auto.

MUN'S TIGERS LOSE TO MORGAN 21 TO 5

Uncle Mun's Tigers made their regular bi-monthly trip to Morgan last Sunday and received a thorough trimming at the hands of their enemies, the Muts. Three trips to the store for more paper on which to mark the scores were necessary and by the aid of several assistants and after several hours of hard work tabulating the runs, the scorekeeper said Morgan had crossed the plate somewhere between 20 and 100 times and the Tigers had managed to sneak over five.

The Muts will meet the Montague nine on the Morgan grounds next Sunday and expect to have a hard fight for first honors.

HEPPNER WILL PLAY CONDON SUNDAY

The Heppner baseball team, strengthened for the occasion, will meet the fast Condon aggregation on the Heppner diamond next Sunday, the 22nd. This will be the fastest game so far this season and as the local team has no game scheduled for that date it is probable that several auto loads will go from Ione. The Bulletin editor has pitched 17 innings for Ione against the Condon team and has allowed them but 5 scattered hits and the Condon Times to the contrary notwithstanding, has struck out some 32 of the Condon players in these same 17 innings. The Heppner team has engaged him to do the twirling stunt for their team Sunday and he will try and duplicate his past record and with a little backing the game can be won as well as not from the Gilliam County lads.

YANKS NEEDED PECKINPAUGH.

Former Cleveland Should Strengthen Yanks' Infield.

Manager Frank Chance has made his first trade for the Highlanders, and his friends believe that it is just the foundation in his efforts to build up a championship team, as he did in Chicago. Chance made a winner of the Cubs by making successful trades. Roger Peckinpaugh, the Cleveland shortstop, was obtained in exchange for Infielder Stump and Outfielder Lelvelt.

Chance has been endeavoring to get Peckinpaugh ever since the Naps announced that they wanted waivers on him. The Yanks have been badly in

need of a good shortstop, neither Derrick, Stump nor McKechnie being able to suitably fill the bill at that position.

The acquisition of Peckinpaugh at short will no doubt strengthen the New York team. The little Cleveland player is a lightning fast fielder and covers plenty of ground. Peckinpaugh took part in sixty-nine games for the Naps last season. He had a fielding average of .624. The shortstop averaged .212 for the hitting end of the game.

Peckinpaugh has not taken part in many games this season on account of the great work of Chapman at short for the Naps.

Two Milans on Washington Team. Horace Milan, brother of Clyde and about the same size, has joined the Senators. He also is an outfielder.
