HEPPNER, OREGON, JUNE 4, 1914

NUMBER 6

CANDIDATES FILE LIST OF EXPENSES FOR PRIMARIES

Waters, Mallory, Neel Spend Most But Amounts Are All Small.

SEVERAL HAD NO EXPENSES

Law Compels Candidates to File Within 15 Days After Election

Section 3496 of the General Laws of Oregon says in part:

Every candidate for nomination or election to be voted for county and district, or precinct offices within the county shall file with the county clerk within 15 days after the election at which he was a candidate, an itemized sworn statement setting forth in detail all the money contributed, expended, or promised by him to aid and promote his nomination or election, or both, as the case may be, and for the election of his party candidates, and all existing unfulfilled promises of every character and all liabilities remaining uncancelled and in force at the time such statement is made, whether such expenditures, promises and liabilities were made or incurred before, during or after such election.

The section also states that any candidate who has not spent any money or promised any is also required to file a statement to that effect.

Yesterday only three candidates in Morrow County had failed to comply with the above law and file their statements. The balance of the candidates had attended to the matter in due time. The records show that Joe Waters expended the largest amount of money of any candidate who has filed his account and his opponent A. M. Mallory was second in the list. Two candidates had no expenses. We publish the complete list as follows:

HEPPNER PEOPLE OFF ON TRIP ACROSS ATLANTIC

Mrs. W. B. Barratt and two children left Monday morning for a trip to Scotland and will be gone until September when they will return in company with Robt. Hynd. At Pendleton, Mrs. Barratt was met by Mrs. Gowan of Portland, and the ladies will make the trip to Arbroth together. Mr. Barratt accompanied his wife as far as Pendleton as she was not feeling well the day of her departure.

Pat Carty, the well known sheepman, left on Tuesday morning for a trip to the old country, Leitrim County, Ireland, from whence he came to Morrow County some eighteen or nineteen years ago. It was whispered into our ear by his confidential friend, John Kilkenny, that Mr. Carty was figuring on committing matrimony during his visit at the old home and when he returns to Morrow County it is not at all unlikely that he will be double instead of single.

Mr. and Mrs. Ray Huddleston came over from Lone Rock last week and Mrs. Huddleston was operated upon by Dr. McMurdy on Saturday. She is getting along fine and is visiting at the Jas. Huddleston home.

Don't Touch The Button
For four nights Manager Wilkins of the Palace Hotel watched a certain fair, timid guest fill her pitcher at the water-tap.
"Madam," he said on the fifth night, "if you would ring, this would be done for you."
"But where is my bell?" asked the lady.
"The bell is beside your bed," replied Mr. Wilkins.
"That the bell!" she exclaimed.
"Why Mr. McNamee told me that was the fire alarm, and that I wasn't to touch it on any account."

The old skating rink is now fitted up for a garage and Edgar Ayers and M. M. Rubatino have entered into a partnership to conduct the business of same. Mr. Rubatino is a first class mechanic from Everett Wash.
Norton Winnard has also engaged in the garage business and has fitted up the Pleiss building opposite The Herald office.

CITY COUNCIL HOLDS SHORT SESSION; PAYS CLAIMS

The City Council held their regular bi-monthly meeting Monday night, only four members, Cornett, Hager, Kirk and Minor being present. Owing to the absence of the balance of the council and the mayor there was no business brought up but the payment of the following bills:

Jas. Elder, labor	\$ 26.60
Standard Oil Co., and O. W. R. & N. Co., car of crude oil and freight	391.00
Gilliam & Bisbee expense	52.95
F. W. Baird, labor	5.25
W. M. Ayers, board of prisoners	10.50
Fred Krug, labor	16.25
J. M. Sprouls, labor	10.00
L. M. Turner, surveying road grade at southeast of Chase street	8.50
Establishing bench marks	100.00
Jas. Gentry, labor	24.50
Wm. Driscoll, labor	54.05
J. O. Hager, labor	87.75
T. E. Chidsey, labor	11.10
Harry Johnson, labor	1.50
Frank Smith, labor	3.00
J. S. Baldwin, oiling Sts.	13.25
Heppner Light & Water Co., bill for April	118.35
for May	130.15
J. R. McCraw, salary	75.00
Killing two dogs	2.00
J. P. Williams, salary	35.00
Edgar Ayers, salary	15.00
L. W. Briggs, salary	8.33

Henry Schwartz and E. R. Merritt of Corvallis shipped their household goods to Heppner the first of the week. The families arrived in Heppner on Sunday's train.
Mr. Schwartz has purchased the People's market and expects to be open for business soon.

J. G. Kilpack, field representative of the Boys and Girls Aid Society of Portland, was in Heppner Monday night bringing with him a young boy who was being sent out to Monument where he will be given a home. Several boys have found homes in that vicinity through the efforts of the Portland Society and Mr. Kilpack says they are always well satisfied.

Heppner ballplayers will be interested to know that Echo defeated Hermiston Sunday and is now leading the Irrigation League. The score was 7 to 6 and the game was hard fought throughout. Echo is now one game ahead of Hermiston and stands a good chance to win the pennant. The winning team of that league is expected to play the winning team of the Blue Mountain League at the 4th of July Celebration at Pendleton.

W. W. Abbott, Agency Director and Everett Newcomb, special agent, representing the Continental Life Insurance Company of Salt Lake, went to Portland Friday morning after having spent a profitable week in Heppner. They wrote up in the neighborhood of \$50,000 insurance while here and were investigating the negotiation of a \$20,000 farm land loan near Heppner. Mr. Abbott will return to Heppner in a few days.

SICKNESS OF CASTLE ROCK LADY SAVES HER LIFE

Mrs. John Marshall Had Ticket on Empress of Ireland, Boat Sunk on St. Lawrence River Last Week.

Castle Rock, June 3—(Special to The Herald)—Mrs. John Marshall of this place came near being a victim of the "Empress of Ireland disaster." She had secured her ticket, and left here on May 23, on a trip to the old country. She was to have sailed on the Empress but was taken sick at Spokane and was unable to continue on her journey. It was truly a "lucky" sickness. Mrs. Marshall returned to Castle Rock last Friday and her friends are congratulating her on her escape from possible death.

GOOD ROADS MEN OF PORTLAND TOUR THIS SECTION AND VISIT HEPPNER

Favor Heppner-Pilot Rock Route For Columbia Highway—Urge Local People To Work Harder For Good Roads.

Heppner had the honor of receiving a visit from three prominent Portland citizens last Thursday night. They were John F. Carroll, manager of the Evening Telegram, S. Benson, owner of the Benson Hotel and his son, A. S. Benson. The party were on a trip investigating the most feasible route for the Columbia Highway through Morrow County to Pendleton. They had gone from The Dalles, via Wasco, Ione, Echo and Pendleton to Walla Walla and returned via Echo to Heppner. Upon their arrival here a hurried meeting of a number of the business men was called and the situation was thoroughly discussed. The visitors were of the opinion that the best route to Pendleton would be through Heppner to Vincent, Nye and Pilot Rock. The road in north Morrow would be a

FARMERS UNION PICNIC AT LEXINGTON ON JUNE 20

A big old-fashioned picnic will be held at Lexington on the day of June 20th. The affair is in the hands of the Farmers Union and various committees are now at work on the details. County President Ed. Huston of Eightmile, who was in Heppner Tuesday informs us that State President J. D. Brown of Arlington and A. R. Shumway of Milton will be the principal speakers of the day. Other prominent men will also be on hand and will be heard from. Arrangements are being made to hire Ione band for the occasion. It is understood that this picnic is open to the public in general and every person who desires to attend will be welcome. A big basket dinner will be served at noon so all you housewives commence to begin to proceed to go ahead and prepare a feast that we will all remember for a long time.

SENIOR CLASS PLAY TOMORROW NIGHT AT HIGH SCHOOL AUDITORIUM

Tomorrow night, Friday June 5, at the High School auditorium, the 1914 graduating class, assisted by other students, will present the 5-act play, "She Stoops to Conquer." This is a romantic drama in seven scenes and is full of comical situations. The scene is laid in England and the plot is well brought out by the leading actors and actresses, who are members of the graduating class. The graduates are: Misses Mildred Allison, Nora Hughes, Ella Aiken, Gladys Musgrave and Messrs. Ralph Justus, George Peck, Harvie Young, Miles Potter, Creston Maddock, Walter Yeager and John Elder. Other students who have parts in the play are: Loren Mikesell, Ed Clark, Samuel Stevens and Stephen Irwin.

Special numbers between acts will be rendered by The Misses Edith Thorley, Albert Goulder, Mary Notson and the Girls Glee Club and Elra Hayes and Dempsey Boyer.
Part two of the program will consist of a piano duet, presentation of the class by Prof. Hoffman, presentation of diplomas by Supt. Notson and a number by the Girls Glee Club.
The exercises Friday night will wind up the school work for the year of 1913-14 and the graduates should be greeted by a large audience. They have had a most successful year and are deserving of the hearty congratulations of their friends.

TO PUT AN EGG IN A BOTTLE

Pathfinder: If you want to have lots of fun and mystify your friends try this trick: Steep an egg in strong vinegar for a time; this will make the shell soft and pliable so that it can be manipulated without danger of breaking. Insert it in the neck of a bottle and slowly work it down until it is inside. Of course a bottle having a neck considerable smaller than the egg, yet large enough to insure its entrance without breaking, should be selected.
After the egg is safely inside, fill the bottle with cold water, which will harden the shell and cause the egg to resume its natural shape. Everyone will marvel at your skill in inserting an egg through the small neck of the bottle without breaking either the egg or the bottle. Now that the price of eggs has fallen from the high point reached a few months ago the material for the trick can be easily secured without mortgaging the home and it can be performed without difficulty.

SECTION OF NORTH MORROW MAY BE IRRIGATED

Castle Rock, June 3—(Special to The Herald)—An engineer employed by the States of Washington and Oregon has, for the past two months, been making a preliminary survey of the land along the Columbia. His object is to determine the feasibility of irrigating this land by pumping with electricity. The electricity is to be developed by installing a large power plant at Cello Falls.
The engineer has been in the vicinity of Castle Rock for the past week and will soon have completed the survey of lands adjacent to this place. He will make a report immediately and in conversation with a Herald representative said in part: "A large strip of land southwest of Castle Rock and extending to Wallow Creek can be easily irrigated with water from the Columbia and I intend to make a favorable report for this section. Several thousands acres near Roosevelt can also be irrigated easily."

TO LET—Two furnished rooms with bath, pleasantly located. Suitable for gentlemen. Enquire at Herald office.

We understand that several parties who live in the vicinity of the Jones Hill on the Heppner-Pilot Rock road are donating their time and lowering the grade at that point.

Mrs. Hunt arrived in the city Sunday evening from Fresno, California. She is the mother of Ferd Hunt, who was brought to the Heppner Sanatorium several days ago in a serious condition from injuries received from a horse. Mr. Hunt is improving slowly.

A "Jack the Peeper" has been annoying various people in the southeast section of town the past few nights and the authorities are endeavoring to bring the man to account. One lady threatened to make a sieve out of his body with a pistol and the generate beat it while the beating was good.

Mrs. La Mance of Joplin, Missouri, addressed an audience Sunday morning at the M. E. Church South. At 3 p. m. she gave an address at the Christian Church. Mrs. La Mance is an orator of considerable ability; clear and concise. She is sent out by the National W. C. T. U. and is a good "Campaigner."

Mr. William Hughes and Miss Naomi Love were married at the home of the bride's aunt, Mrs. Geo. White near Lexington, on Thursday, May 28. A few relatives and intimate friends were present. The following day the happy couple took the train for Prineville where Mr. Hughes will be engaged in the harness business.
The bride has been a resident of Heppner for some time and has a large circle of warm friends who extend best wishes for a long and happy married life.

The groom is a Morrow County boy, having lived here all his life. They will both be missed here.

DECIDING GAME GOES TO ECHO BY 4 TO 2 SCORE

Most Exciting Game Seen in Heppner For a Long Time.

BLAKELY'S BATTING A FEATURE

Echo Pitcher Given Fine Support—Near Riot Averted by Marshal.

The baseball game with Echo last Saturday drew a large crowd. The visitors won the game, the final count reading Echo 4, Heppner 2. Echo had Paul Bridger, star finger of the Walla Walla Western Tri State League team, on the firing line and he pitched a fine game, allowing the Heppner batters but five clean hits and striking out 11 men. However, the local players, aided by Blakely's heavy stickwork, earned both their tallies, while the scorebook fails to show a single run made by Echo that did not come as the direct result of an error. Slow fielding allowed Echo batters to chalk up several hits off the local pitcher and they also managed to put across a few clean cut bingles. The ump's also handed them one hit when he called a foul ball fair. Any person with good sight could see the left fielder pick up the ball a good four feet outside the foul line. In all they were credited with eight hits but 15 were retired via the strikeout route.

The feature of the game was easily the batting of Blakely. Heppner's hard hitting third sacker poled out a two-bagger which nearly cleared the stockyards and would easily have been a home run hit in a clear field. Another time, in the last inning, he came across with a sizzling hit through second base and scored on Sheldon's Cincinnati base hit between first and second.

The Echo players gave their pitcher magnificent support and in the pinches they never failed. Fulford on short, and in fact the entire infield and outfield played a sterling game and are entitled to much credit.

Catcher Hoskins of the Echo team went behind the bat with an injured hand but stuck to his work and caught a fine game.

The game, taken as a whole, was one of the most exciting ever seen on the Heppner diamond. Not until the umpire had waved the last man out in the ninth did the locals players concede.

SENIOR CLASS HEARS BACCALAUREATE SERMON

Those who assembled at the High School auditorium Sunday night to hear the baccalaureate sermon by Rev. Ferris of the Federated Church, were not in the least disappointed. It is generally conceded that the sermon was about the best in that line ever delivered in Heppner and surpassed all previous efforts made by Rev. Ferris since he has been a resident of this city. His subject was "Character Building," and he handled the theme in a masterly way.

The program of the evening was opened with selections by the glee clubs and Rev. Goulder gave the invocation. Special numbers were "Gloria," by the glee clubs, and "How Sweet the Name," a vocal duet by Misses Alberta Goulder and Edith Thorley. The musical program was under the direction of Miss Marian Long and was exceptionally well rendered.

At the completion of his sermon Rev. Ferris presented to each member of the graduating class and their instructors a neatly printed booklet containing his entire sermon and the list of names of the graduates. Prof. Hoffman responded in behalf of the graduates and teachers.
