IRRIGON ITEMS.

S. H. Boardman, H. H. Weston and the former's little daughter, Dorothy, drove up from Castle Rock last Wednesday to get some strawberries.

Jessie Davis came up from Castle Rock Sunday, returning Monday morning.

Miss Dora Powell of Portland is visiting here with her friend, Mrs. Earl Baucom. Miss Powell is a graduate from a dental college and is prepared to do good work while here.

Ray Castle is the proprietor of our new confectionary shop located in the old Castle and Henkle store building. Now that this warm weather has set in, fresh ice cream will come in just right whenever you want it.

Oscar Corey and George Caldwell were in Umatilla Saturday returning Sunday morning.

Mrs. Philip Renno went to Umatilla Sunday afternoon to visit her friends, the Holder's, and returned Monday morning.

Mr. and Mrs. Littler, Mr. and Mrs. Newell, and Mr. and Mrs. Swazy, all of Hermiston were Irrigon visitors last Sunday. They arranged for the shipment of some cherries.

Last Sunday was the warmest day we have had this season, the temperature registered somewhere around a hundred, but the atmosphere was relieved Monday morning by a delightful little shower.

Mrs. N. Seaman has purchased a

fine piano from Warren's Music House of Pendleton. It is an Eiler make and makes the third piano to be delivered to this town from that music house alone, during the past winter and spring.

Quite a number of parties in this vicinity have taken up corn raising in an experimental way. Guy Corey and Mr. Beach each have a nice patch and others are not far behind. The rabbits also seem to approve of the new crop but have done very little damage so far.

Miss Frances Walpole has started a class of six pupils on the piano with prospects of more in the near future. Miss Frances is well able to handle this work and we wish her success.

We will be looking for many great things from the Kicker ranch this year. Mr. Kicker has moved out to the ranch and as he understands the work thoroughly his efforts will be well worth while watching.

CASTLE ROCK NOTES.

CASTLE ROCK, June 2—H. H. Weston and S. H. Boardman made a business trip to Irrigon last Thursday.

Dan Daugherty was down from his sheep camp last Sunday and took back a load of supplies.

School closed last Friday. J. A. Gibbons, the teacher, left on Monday for Hardman where he expects to spend the winter. Mr. Gibbons has not yet signed a contract to teach the school again next year but in all probability be on hand this fall.

Jessie Davis went to Irrigon Saturday and spent Sunday with his home folks.

Walter Caldwell is visiting his sister at Baker this week.

J. A. Gibbons did some assessing work in Irrigon Friday and Saturday.

cede defeat. The last decision also brought to a head the hard feeling of several local fans toward the visiting umpire, Mr. Scrivner. While it was

Blakely at bat with his California Redwood

easily possible that the baserunner going to second was going to be tagged out, yet Mr. Scrivner showed poor policy or else was a little overanxious to end the game when he waived the runner out several seconds before the play was made and while the runner was yet several feet from the base-

man who had the ball. Umpire Scrivner first won the distrust of the Heppner fans when he called a strike on a Heppner batter, which he admitted was off the base but defended his action saying that he was evening up a

decision made a few moments previous, favoring the batter. It was mighty poor business on his part and the fans were hot on his trail the rest of the game. At the conclusion, after he had waved the last Heppner man out even before the runner had been touched, a few of those who had bet money on the game proceeded to tell the umps their honest opinion of him and it looked for a while like a riot had broke loose. Of course the Echo people were ready to stand by their man and a general mix-up ensued. Marshall McCraw squelched the dis-

NOTES OF THE GAME

Harry Jaynes has been playing a bang-up game at 1st base all spring but is like most of the rest of the players weak with the stick. Harry has been scooping 'em up in fine shape and is credited with only one error so far this year.

"Bug" Sheldon who played short-stop for Condon for several seasons, was in that position for Heppner Saturday but as it was his first appearance in a game this year, his showing was poor. It is possible that Sheldon will be in Heppner steady and in that event a few practices will develop his fielding to a par with that of any shortstopper in this vicinity.

Bob Sperry was a little off color at second and also failed to come through with his customary hits. Bob is usually one of the most dependable players, both at the bat and in the field.

Poor baserunning in the ninth, when Harvie Young tried to come home on a hit to the pitcher, lost one score for Heppner as Sheldon came through with a single a moment later, scoring Blakely.

"Brick" Coshow, Heppner's catcher, laid down the prettiest bunt of the day and also dropped a Texas League back of second. As Coshow hits from the portside and was batting a south-paw pitcher his showing was remarkable.

Mrs. W. L. Holcomb and Mrs. G. E. Miller, who visited at the home of their daughter and sister, Mrs. H. C. Githens for a week, returned to their home in Portland yesterday.

TO TELEPHONE PATRONS

As there are a number of people not acquainted with the hours of service on Sundays and holidays we publish them herewith: mornings, 9 to 12; evenings, 5 to 6.

Olin Hayes autoed over to Condon last Friday and was accompanied home by Miss Gladys Ham, who visited at the Hayes home until Sunday. Miss Ham was entertained at a 6 o'clock dinner at the home of Mr. and Mrs. L. K. Harlan, Saturday.

Rev. Van Winkle left on Monday for Tillamook where he takes up the work as pastor of the large Christian Church. Mr. Van Winkle has a host of friends here, who, while regretting his departure, wish him all kinds of success in his new pastorate.

Maurice Smead returned to Portland yesterday. Young Mr. Smead was called home last week by the serious illness of his father, Mayor Smead, whose condition is now very favorable and whose recovery will be complete in due course of time.

It Holds To The Road Like The Heaviest Car

- That's one of the beauties of the light-weight Studebaker SIX.
- That's one reason why it leads in sales.
- That's one reason why every owner is an enthusiast.
- Another reason is its small-bore, long-stroke motor—well-balanced, full powered and economical.
- Another reason is its full-floating rear axle.
- Another is its full equipment of Timken bearings—even to the hubs.
- Another reason is its Studebaker-Wagner starting and lighting system.
- These things are very evident marks of Studebaker value—so evident you can't escape them.
- They make for long life—for constant service—for economical service.
