## CLUB BUILDING TO BE MADE INTO A THEATRE

Heppner is soon to have a large and up-to-date theatre. Messrs. Albert Bowker and Orve Rasmus, who have the lease on the downstairs of the Club Building, will remodel the place and have a large stage and dressing rooms built in. The stairs leading to the upper floor will be arranged differently and the stage will be placed as far to the rear of the building as possible. When the work is completed the building and stage will be large enough to accommodate large crowds and a large troupe of actors. The town has felt the need for a long time of a public theatre of this size and local people will be glad to hear that we are soon to have a first-class theatre equal in size and equipment to those found in towns many times larger.

East Oregonian, Oct. 17.—At a price of 90 cents for club the heaviest wheat selling in several weeks occurred here yesterday when not less than 150,000 bushels changed hands during the day. The wheat sold was held by a number of farmers and was taken by various local buyers.

The price of 90 cents for club is still being offered today but it is reported little business is being done. The price of 90 cents for wheat at this season of the year is something phenomenal but it is anticipated by many that the price will be much higher in the spring.

## IRRIGON BOOSTER HERE

Mr. C. L. Roadruck, the well known Irrigon booster, was in the county seat over Tuesday and while here closed up a small real estate deal, whereby Geo. Curria becomes the owner of five acres of irrigated land near Irrigon, formerly owned by Jas. Astin. Mr. Roadruck carried home with him on Wednesday several checks for various Irrigon people who had exhibits of fruit at the fair. J. E. McCoy was the largest of the individual prize winners in this, his check being for \$15.75. L. A. Doble was down for \$12.50, W. G. Corey for \$8 and T. J. George for \$6.

Walter J. Duncan and Mrs. Tille Cook were united in marriage by Justice Williams at the bride's home in this city on Tuesday evening. Only a few witnesses were present. They will continue to make their home in this county.

Geo. Thomson went down to the main line Sunday to meet Mrs. Thomson and that new little Thomson. Mrs. Thomson has been spending a few weeks at the home of her parents in Ft. Collins, Col., and the arrival of little Miss Thomson was announced during her visit there. George was smiling all over when they arrived home.

Mr. and Mrs. R. E. Rice came in from Sand Hollow on Wednesday. Mr. Rice recently purchased a quarter section of land in that neighborhood from C. L. Andrews and also a small amount of land from A. Andrews. They now have about a section of Morrow County dirt.

More improvements have been made at The Palace. The office arrangement has been re-arranged and the desk moved over to the east wall, which leaves a spacious lobby in front.

Wm. Thompson and Mary Griffith were united in marriage at the home of Mr. and Mrs. Mack Gentry Tuesday night, Judge Patterson officiating. Mrs. Thompson is a sister of Mrs. L. V. Gentry's.

Mr. and Mrs. Al Ayers were in from Parker's Mill yesterday.

Mrs. J. H. Byland made this office a pleasant call in company with Mrs. Eliza J. Ayers on Wednesday and the mysteries of the linotype were explained to both of these interested ladies. Visitors are always welcome at the Herald office.

Mrs. T. H. Lowe, whose husband is postmaster and storekeeper at Cecil, was in the city the latter part of last week and called at The Herald office. Mrs. Lowe was much interested in the linotype and its various workings were explained to her.

## FAITHFUL BEAST DIES

One of the familiar figures upon the streets of Heppner for a good many years past was "Paddy" the faithful work horse owned by F. N. Frye, the drayman. "Paddy" was 26 years old and evidently thought he had lived long enough. On Monday, while hauling a load of wood from the depot, he decided that his load was a little too heavy for a horse of his age and proceeded to lie down in the harness and die, which feat he accomplished without much effort. Mrs. Frye informed the Herald man that, in her opinion, "Paddy" deserved an obituary, hence the above.

## FREE LUNCH

Demonstrations have been given this week by one of our local townswomen at the Case Furniture Co. store, of the work done by the Monarch Malleable Range. They are serving light refreshments to all visitors, and extend the public a cordial invitation to visit the store and examine the range when it is in active use.

The Herald accidentally and unintentionally omitted the name of Miss Pearl Thompson from the list of those who appeared on the High School Literary Society's program last Saturday, which appeared in the last issue. Miss Thompson read a very interesting paper.

As a result of being struck in the eye with a bean thrown by a playmate, the infant child of Mr. and Mrs. George Parman of Milton is suffering from a ruptured eyeball, says the Pendleton Tribune. The Parmans formerly lived in the Gooseberry district, Morrow County.

## SOCIALIST SPEAKER

Mr. G. W. Davis, a Socialist speaker will deliver a straight talk on "Socialism," at the Club Building in Heppner tonight at 7:30; at Lexington Saturday night and at Ione on Sunday afternoon at 2:30. Mr. Davis is known to be an interesting talker and has an abundance of facts at his command.

## DIES OF TYPHOID

Michael Mulvey, a young man who came to Heppner some eighteen months ago from the East, died on Sunday from typhoid fever. He was taken sick only a short time ago but his case was beyond help. Deceased was born in Lietrim County, Ireland. He worked on a ranch for Art Minor since coming to this county. The funeral was held from the Catholic Church, Monday afternoon, Rev. Father O'Rourke officiating. Quite a large number of friends were present at the services.

## NOTICE!!

MR. G. MATTHEWS OF NORTH YAKIMA, WASHINGTON WILL BE IN HEPPNER WITHIN THE NEXT FEW DAYS TO TAKE ORDERS FOR POTATOES IN LARGE OR SMALL AMOUNTS. MR. MATTHEWS WILL BE FOUND AT THE PALACE HOTEL.

Mr. E. E. Vickers has installed a nice line of wallpaper in his office on north main street and intends to add a line of paints in the near future. Mr. Vickers is a first-class workman and has been kept busy nearly all the time since he has been located here. He and Mr. Summerfield carry an ad in the Herald. Look it up.

## A HORSE OR A CHILD—WHICH?

The proposed Dentistry Bill gives the preference to the horse.

To treat a horse, a veterinary surgeon in Oregon must have three full college years of special study and a diploma of graduation from a recognized college.

To treat the mouth of a child, the Dentistry Bill requires of a dentist but 12 months' training.

The mouth of a child may be disfigured for life by neglect or unskilled treatment.

DOES YOUR CHILD DESERVE AS MUCH AS YOUR HORSE?

VOTE 341 X NO.

Filed 4-8-14 Oregon Society for Dental Education, E. C. Barnard, Sec., 528 Morgan Bldg., Portland, Oregon.

R. A. BOOTH

Republican Nominee for United States Senator.

## To Our Readers:

After having published our "statement of facts" in answer to a scurrilous attack upon the writer, by one A. L. Sparling, we interviewed the majority of the business men of Heppner and upon their advice we have decided to refrain from further controversy in this matter. Any remarks that Mr. Sparling may make regarding this paper we will salt down with those he has made concerning the majority of the balance of the business houses of the city.

One statement made in our issue of the 16th inst., we wish to correct, however. We stated that we were not in the employ of any syndicate. We wish to acknowledge that we are in the employ of a syndicate which is composed of some 1500 of Morrow County's progressive citizens, men and women who are alive to the fact that The Herald's columns contain more news matter than were ever before printed in a newspaper in this county.

Regarding our reasons for moving to Heppner from Ione we might state that our books are open to any of our friends and upon investigation it will be proven that from June 1, 1913 to June 1, 1914, the business done by the Ione Bulletin in Heppner amounted to nearly twice the amount of business done in Ione. This fact, coupled with the earnest requests of people from all sections of the county outside of the city of Ione that the writer establish a paper at the county seat, was the direct reason for our having established The Heppner Herald.

As for our having the support of the "wets" in our business we will say, what businessmen in the city of Heppner, what doctor, what lawyer, what dentist, refuses to accept the business and support of the so-called "wets"? We never heard of a grocer refusing to sell a "wet" man a sack of flour or of a doctor refusing to attend a "wet" man on a sick bed. Then why should a newspaper refuse to accept subscriptions, job work or advertising from the same source? The Herald man is in business so that he may support his family in the best possible manner, pay his bills to the best of his ability, meet his share of the taxes of Morrow County and the city of Heppner, support all movements for the betterment of conditions in Morrow County and live a life so that he can look every man square in the eyes.

We can truthfully say to our readers that no persons other than L. K. Harlan and E. G. Harlan are financially interested in the Heppner Herald. If the writer saw fit to borrow money from any certain party when he established the Herald, that's his business, and he is paying ten per cent interest on the amount. As for J. L. Wilkins, that gentleman has our hearty support. Also, any other man who puts money into circulation as does Mr. Wilkins for improvements to his place of business, will find hearty support given his actions in these endeavors.

As regards the purchase of our linotype machine, we would inform our readers, and challenge any person to deny the statement, that our machine was purchased before any other machine of its kind in Morrow County. The Herald is not following in anybody else's tracks. You will always find it in the lead, and in the case of the linotype machine it happens to be

## FIRST FOOTBALL AT IONE BETWEEN H. S. TEAMS

The first football game of the season will be played at Ione Saturday afternoon between the Heppner and Ione High School teams. It is expected that quite a number of local students will accompany the team to Ione. Harley Atkins is captain of the local squad and Mearle Blake officiates in that capacity for the Ione team. So far as we are able to ascertain the two teams are about evenly matched.

"Little Dutch," the race horse owned by Jack Eads of Hardman has been sold to Wm. Wilkins of Pendleton. The sale took place after the 1/2 mile race at Condon during the fair. "Little Dutch" is well known to all followers of the racing game in Morrow County and has appeared at various race meets, and has seldom lost a race. Mr. Eads received \$200 for him. He won twenty-four races straight this season. This famous horse was raised near Spray, Wheeler County, by Henry Aiken and was trained and raced by Mr. Eads.

"If I had had some of the canned fruit and some of the fresh flowers exhibited at the local fair, with me at the State Fair, our exhibit would have taken first honors for the entire state," said W. W. Smead to the Herald man since his return home. Mr. Smead will leave Sunday for Portland where he will have charge of the Morrow County exhibit at the Northwest Land Product Show.

## SOME POTATOES

J. A. Carmichael came into the Herald office Tuesday with three of the biggest potatoes we have seen for some time. They were grown on his ranch near the head of Skinner Creek and he says he has 250 sacks of these big fellows. "Just what we need for the Land Product Show," said W. W. Smead when he saw them. "They beat anything shown at the State Fair and would have easily taken first prize."

Mr. and Mrs. Jim Thomson went to Portland Tuesday to enjoy a short visit.

a matter of two days.

But we have already gone farther in this article than we intended. Suffice it to say that our readers are generally as well posted as we ourselves are regarding the make-up of this man styling himself "Sparling" and it is therefore only a waste of time and space to refute any misstatements made by that person. Instead, we will devote our time to the interests of our clientele and will continue our efforts to put Morrow County and Heppner on the map in bold face type.

L. K. Harlan.
