SCHOOL NOTES

By Supt. S. E. Notson.

The Irrigon school is making excellent progress under the direction of Prof. A. W. McCann and Miss Margaret Vince. A new heating and ventilating plant has been installed in the primary room, and if it proves satisfactory, another will be purchased soon for the other room. A fountain attachment to the large water jar insures sanitary conditions as to the water supply. Paper towels are provided for the pupils. An excellent equipment for manual training has been provided, and the pupils are enthusiastic over the work. The pupils in the primary room are doing some good work in sewing and basket work.

At Castle Rock, Prof. J. A. Gibbons is again at the helm. This school also has a patent heating and ventilating plant. The floor has been oiled, and a supply of sweeping compound is provided. Paper towels are furnished for the pupils. Number of improvement are contemplated. The pupils are making good use of one feature of play apparatus—a croquet set. They are planning the construction of some other play apparatus.

In District No. 39, Miss Lillian Troedson is the teacher. A new water fountain has been installed recently. The floor has been oiled. This school also has a new set of maps and a fine new globe.

In District No. 8, two teachers are now employed. Miss Esther Cox began the school, but the desire of some of the older pupils to take up the ninth grade work made it necessary to employ another teacher. Miss Erma Davenport was secured for the advance work. The new building and the premises are being put into the very best condition.

Miss Anne C. Troedson teaches in District No. 16. The work of the term is starting off nicely. The school was rather late in opening, owing to the fact that Miss Troedson was in Europe when the war broke out and was not able to return as soon as she expected. Her pupils are enjoying some first hand information in regard to conditions on the other side of the Atlantic.

PUBLIC FORUM

Readers of The Herald are invited to express their opinions in this column on any matter of public interest. The sentiment expressed by our readers must not necessarily be construed as being the sentiment of The Herald.—Ed.

Mr. Editor:— I would like space in your paper to give the facts of the matter referred to in the Gazette-Times, Nov. 26, relative to the complaint filed with the Railroad Commission of Oregon, by the transportation committee of the Heppner Commercial Club, and the motion of Mr. Smead to have same dismissed.

The Heppner Commercial Club at their meeting last Friday evening instructed Mr. S. E. Notson, to write to the Railroad Commission of Oregon as follows:

Heppner, Ore., Dec. 1, 1914. To the Railroad Commission of Ore. Gentlemen:—

At a meeting of the Heppner Commercial Club, held Nov. 2nd, a resolution was adopted ratifying the action of the committee on transportation in filing complaint with you against the Oregon-Washington Railroad & Navigation Company in regard to passenger service on the Heppner branch of the O.-W. R. & N. line, and authorizing me to ask that the motion filed by W. W. Smead, President of the Heppner Commercial Club, for dismissal of said complaint be withdrawn in order that the hearing of said complaint may proceed.

Respectfully,
S. E. NOTSON,
Acting Secretary.

This straightens out the tangle which Mr. Smead put in the matter by filing a motion to have the complaint dismissed without consulting anyone as to the wishes of the Heppner Commercial Club, and without as much as to consult the committee who had worked so faithfully in conjunction with the Pendleton Commercial Association and the Arlington Commercial Club to bring this matter before the Railroad Commission and secure a hearing relative to our petition with over four hundred names asking for another train on this branch road.

The difficulty began with the O.-W. R. & N. Co., refusing to reply to the petition which the committee sent them by registered mail on July 29, 1914. They have chosen to ignore the committee appointed by the Heppner Commercial Club to have charge of this matter and preferred to deal with

Mr. Smead, having reasons best known by the Company and Mr. Smead. In answer to a letter written to Mr. Smead, by the O. W.-R. & N., on August 24, and published in the Gazette-Times, as chairman of the committee I replied that this matter would be carried before the Railroad Commission and hoped and believed that they would be compelled to comply with our requests.

This committee has gone forward in this matter as instructed by the Commercial Club, and we believe that we can show the Railroad Commission that the O.-W. R. & N. Co. can put on a motor train in addition to the train now being run and yet have net earnings on the Heppner Branch to equal or exceed any similar road in Oregon.

The revenue from passenger traffic alone which is 55 1/4 cents per train mile practically pays for the operation of the train in being run and in addition to this has express, mail and freight remunerations. Morrow County is entitled to better train accommodations and I believe we will get the same.

J. PERRY CONDER,
Chairman of the Com.

Fred Kelly will raise some fancy chickens from now on. He recently bought several good birds from Bert Stone, including his champion hen which took first honors at the Show last year.

Mrs. George Thompson will entertain the young ladies of the Federated Church next Saturday afternoon.

Dr. Winnard reports that Mrs. Fred Rossen of Hardman has been very sick for the past few days.

FOR SALE
Seven room house and bath, hot and cold water upstairs and down—good woodshed—barn—chicken house. Price right if taken soon. Inquire at the Herald office.

FOR SALE OR TRADE

I have a 33 horse power automobile, which has been run only a little over 18,000 miles and which is in first-class condition. I am offering this machine for sale or trade for the reason that I bought a larger car. This machine is equipped with electric lights and the motor has first-class cooling and oiling systems. The motor is as good as new. The body of the car only needs a coat of paint to look like new. The machine will be turned over to the purchaser in good running order. Am offering this car at a very low price for cash or will take horses in full or part payment. Inquire at the Herald office or see the owner, W. T. Campbell, Lexington, Oregon.
