GOOD BUSINESS

If a small dairy herd yields a nice little income, a larger one, with high class breeds, will prove a source of considerable profit.

Rain or shine, small crops or large crops, wheat at 50c per bushel or at \$1.75 per bushel, your cows will be producing butter-fat, and butter-fat means a good, steady income.

Why not increase your herd of milk cows, or improve it by adding some high-class breeds?

If desired, the First National Bank of Heppner will gladly assist in financing such purchases, and you are cordially invited to come in and talk the matter over.

Boys Now in Service

As evidence that the boys who left Heppner last week to carve their names in the golden tablet of honor by faithful service in behalf of their flag are now the proud wearers of the most beautiful uniform on land or sea, Victor Groshens, father of Charlie and Harry, is in receipt of the following letter from Chief Quartermaster Watson, who accompanied the boys to Portland:

PORTLAND, Ore., 3-23-'17.

DEAR SIR:

Both your sons and Pressley passed the examination O. K. and left for San Francisco yesterday evening. They were well pleased, and also enjoyed themselves during their stay in Portland.

I wish to thank you very sincerely for courtesies extended to me during my stay in Heppner.

Very truly yours,
S. WATSON, U. S. N.

Church of Christ

Sermon for Sunday morning, April 1, "Profanity." The evening service will be a union service to which the whole town is invited. It will be presided over by the mayor. Several short addresses will be made. An offering will be taken for the starving children and others made destitute by the war.

The Easter service, Sunday morning, April 8, will be especially for the "old folks," though all are invited. Arrangements are being made to bring these to and from the services.

The Federated Church

Whether you attend the Christian or the Federated church next Sunday morning you will hear in either a discussion of reasons for keeping sacred in our speech the name of God. In the evening a union service will be held in the Christian church. The purpose of this service is to give the people of Heppner an opportunity to contribute for the relief of the sufferers in the various nations caused by the European war. The public is cordially invited.
