MORROW COUNTY SCHOOL NOTES

Lena Snell Shurte.

Application blanks for membership to the National Education Association can be obtained from Mr. S. E. Notson or from the County School Superintendent. Every teacher who is interested in the advancement of the profession must necessarily be interested in the welfare of the associations or organizations having as their purpose the building up of the profession. Every teacher should carry a membership in the state teachers association, the national teachers organization, and the organization representing the particular phase of educational work in which he or she may be interested. Each has a distinct purpose; each can accomplish for the profession some things which the others cannot; and each will bring to the individual member benefits different from those derived from the others.

In a few days Enrollment Blanks Oregon Branch, Boys' Working Reserve, will be in this office. Teachers having boys who wish to enroll, kindly let me know at once how many blanks you will need, so that I may send them to you as soon as they reach this office. Others who wish to enlist may apply at this office. The enrollment includes boys from 16 to 21 years of age.

In the Oregon Memorial Annual for 1917 are the following rules for Flag Etiquette:

1. In no case should the flag be permitted to touch the ground, nor should it be marred by advertisements, nor desecrated on the stage.

2. For indoor decorations the flag can only be used as a drape; it cannot be used to cover a bench or table, or where anything can be placed upon the flag.

3. No words, figures, pictures or marks of any kind should be placed upon the flag.

4. When our national flag and state or other flags fly together, or are used in decoration, our national flag should be on the right.

5. Whenever possible the flag should always be allowed to fly in the breeze from a staff or mast, but if it should be necessary to fasten it to the side of a building or platform, it should hang with the blue field at the upper left hand corner.

6. The correct salute to the flag, as required by the regulations of the United States Army is:

Standing at attention, raise the right hand to the forehead over the right eye palm downward, fingers extended and close together, arm at an angle of forty-five degrees. Move hand outward about a foot, with a quick motion, then drop it to the side.

7. The oath of allegiance to the flag, adopted by the N. S. D. A. R., and by our military schools, the Boy Scouts and other organizations, and which should be taught in all our public schools, is:

"I PLEDGE ALLEGIANCE TO MY FLAG, AND TO THE REPUBLIC FOR WHICH IT STANDS: ONE NATION INDIVISIBLE, WITH LIBERTY AND JUSTICE TO ALL."

8. When the colors are passing on parade or in review, the spectator should, if a man or boy, stand at attention and uncover.

9. When the "Star Spangled Banner" is played, all present should rise and stand at attention until the ending.

10. When the flag is displayed at half mast, for mourning, it is lowered to that position from the top of the staff. It is afterward hoisted to the top before it is finally lowered.

11. When used on a bier or a casket at a funeral, the stars should be placed at the head.

12. Our most important holidays (when the flag should be displayed in full staff) are:

Lincoln's Birthday, February 12; Washington's Birthday, February 22; Memorial Day, May 31; Flag Day, June 14; Independence Day, July 4; Star Spangled Banner Day, September 14, and State Day.

The graduating exercises of the Hardman High School were held in the church on Thursday, May 10th. This was the first event of its kind in the history of the school, and reflects great credit upon Mr. Bernard Pehr, principal of the school. This is Mr. Pehr's third year at Hardman, and the school has made substantial progress under his efficient management.

The rostrum was beautifully decorated in the class colors. The members of the graduating class were the Misses L. Margaret Gasant, Nellie M. Wright, Yerna V. McCarty, and Ivan H. Leathers.

The program consisted of a recitation and essays by the junior class and essays by the graduating class. Miss Leathers rendered Schubert's serenade and was accompanied by Mr. Pehr on the clarinet. This was received with great applause. Miss Marion Long, of Heppner, sang a beautiful solo, playing her own accompaniment.

Mr. H. J. Hoekensberry, of Portland, formerly superintendent of the La Grande school, delivered a splendid address, not to the class alone, but to the pupils of the entire school.

Mr. Geo. Bleckman, chairman of the school board, presented the diplomas to the class. His talk was both interesting and pleasing.

A few remarks by the County Superintendent closed the program.

We were then escorted to the Odd Fellows hall where a sumptuous banquet was spread for the parents of the class, the school board, speakers and visitors.

FOR SALE — Twelve good work mules; also some good work horses. See these animals at my place. GUY BOYER, Heppner, Ore.—431f.

IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u-2, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way. . . I think I have taken a dozen bottles. . . before my little girl came."

"I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy. . . I was very irritable, too, and nervous."

"I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all."

"Since that I have never taken Cardui at all. . . It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Your dealer sells Card-u-2. EB-10

Postmaster Richardson authorizes the statement that enlistment in the army and navy is not closed on account of the passage of the conscription law.
