COMMENCEMENT ENTERTAINMENT

The big auditorium of the Heppner High School was packed to capacity last Friday evening to enjoy the entertainment given by members of the High School which marked the close of the school year.

Because of war conditions which to an extent depleted the ranks of the graduating class, regular graduating exercises were dispensed with this year the entertainment taking the place of the usual more elaborate exercises.

The program was excellent and reflected much credit on pupils who took part as well as on their instructors who directed its preparation.

Principal feature of the program, however, was the play, "Betsy Baker," in which Miss Ruth Van Vactor starred in the title role being very ably supported by Miss Loye DeVore and Messrs Earl Gordon and Norton Winnard. The play was splendidly presented, each of the players showing a marked degree of histrionic ability.

Following the play, Hon. W. B. Barrett, chairman of the Board of Education presented the diplomas to the graduating class during which he delivered a splendid address to the young graduates. Mr. Barrett is not a practised orator but many there were present who pronounced his address on this occasion as one of the very best they had ever listened to.

Two members of the graduating class, Samuel D. Stephens and Cecil Lieualen, enlisted in the U. S. Navy at the first call to colors and are now at the Presidio, San Francisco, in training for active service. Their diplomas have been forwarded to them at that address.

Miss Muriel McCarty was awarded a scholarship in Wilamette University for excellence in her standing during the High School course.

Elaborate preparations are being made for the auto parade which will undoubtedly be the biggest event of its kind ever attempted in Morrow county. It is expected that fully 150 cars will be in the parade many of which will be beautifully decorated. C. A. Minor is chairman of the parade committee and any information desired may be secured from him.

Mrs. Emilie Sherman Kelly has been named as chairman of the G. A. R. committee and will have charge of the G. A. R. and W. R. C. part of the program and is leaving nothing undone to make the part of those honored societies a success.

Mrs. Phill Cohn, chairman of the Morrow County Red Cross Chapter, makes the announcement that any town or locality in Morrow county wishing to organize an auxiliary chapter of the Red Cross should so advise her and the proper officials of the County Chapter will go out and organize an auxiliary.

The ladies in charge of the work want especial emphasis laid on the fact that they want members and every man and

woman in Morrow county is eligible. The membership fee is but one dollar (\$1.00) a year, a small sum to any individual but helping to make a sum in the aggregate of such magnitude as will alleviate untold suffering and misery on the battlefields and in the hospitals of the world. Every citizen should put away business affairs tomorrow and assist in making this event an unqualified success.

The following telegram was received by Sheriff McDuffee Wednesday:
"Attention is invited to paragraph forty of the regulations which contemplates the registration of persons who for any reason shall not have been registered on registration day. While scrutiny should be made of each case to determine whether punitive action is required it is desired for the next few days to pursue a liberal policy in this regard in order that the registration may be made complete at the earliest possible moment. Non-residents may also continue to register under the provision of paragraph sixty four. If it later appears that the liberality of this policy is being abused more stringent action will be taken. Cards received from absentees after fifth should be filed as prescribed in paragraph forty." GEORGE A. WHITE, Adjutant-General.

FARMER'S UNION PICNIC BIG SUCCESS

Despite the cold, miserable weather of last Saturday, the date of the Morrow County Farmer's Union picnic, a big crowd spent the day in Heppner and while the weather wasn't pleasant the occasion was and everybody seemed to enjoy themselves.

Many had dinner in the fair pavilion, where, around the big hot stoves, and with the rather wintry wind shut out, an indoor picnic dinner was enjoyed. Many other visitors and not a few townspeople took advantage of the occasion to visit the newly remodeled Palace hotel and to enjoy the excellent cuisine provided by Manager Wilkins for the occasion of his formal opening.

At 2:30 p. m. the pavilion was fairly well filled by an audience which gathered to hear the merits and demerits of the road bond question discussed. Hon. W. L. Thompson, member of the State Roads commission for eastern Oregon, made a strong address for the proposition and Hon. C. D. Strain, tax expert and assessor of Umatilla county and Hon. A. R. Shumway, of Milton, Oregon, member of the legislative committee of the Farmer's Union, spoke against the measure. If nothing else was accomplished by the able addresses, it was proven by all of them that the bonding issue was a debatable question.

In the evening from 8:00 o'clock until midnight, a big crowd enjoyed the best dance of the season in the pavilion. Parson's orchestra, of Portland, furnished music for the day and evening, being engaged in the Palace grill during the luncheon and dinner hours and in the pavilion during the afternoon exercises and at the dance. Following and interspersed with the road speeches a number of first-rate recitations, readings, impersonations etc. were rendered.

The Farmer's union is becoming a strong factor in Oregon and is doing fine work in solving many of the vexing problems which have confronted the farmers of the state for many years.

Pat Connell, well known sheep man, was registered at the Palace yesterday.

J. A. Gibbons and S. A. Boardman, well known citizens of Boardman, brought in the registration returns Wednesday and spent a part of the day here yesterday.

Baird, the twelve-year-old son of County Judge Patterson has just completed a Red Cross auto ambulance that reflects great credit on his mechanical genius. The miniature car has real rubber pneumatic tires, complete steering gear, springs that spring and is built all over as a real mechanic would build it. A spring driven engine furnishes the motive power and the machine runs like the real thing. It is on exhibition in Sam Hughes' window as a part of the Red Cross display for tomorrow.

Registration after June 5th

The following telegram was received by Sheriff McDuffee Wednesday:
"Attention is invited to paragraph forty of the regulations which contemplates the registration of persons who for any reason shall not have been registered on registration day. BUY A LIBERTY BOND MEETING JUNE 16

"Buy a Liberty Bond," will be the slogan of Saturday, June 16, when a demonstration will be held in Heppner with the view to emphasizing the need of all loyal citizens with the means to do so to get behind the U. S. government in its hour of need.

F. A. Freeman, vice-president of the Lumbermans National Bank, C. C. Chapman, editor of the Oregon Voter and S. H. Clautier, of the Multnomah Hotel Co., will be the principal speakers of the occasion and it is expected a large crowd will be present and that much good will result from the meeting. Saturday, June 16, is the date and the invitation is general.

Cantata at Federated Church

An occasion of especial interest to music lovers and the public generally will be that of the Cantata to be given in the Federated church next Sunday evening by a chorus of 25 voices. The selection, "The Rolling Seasons," by Caleb Sempier, is a popular one while the careful training of the chorus will insure a fine entertainment.

A cordial invitation is extended to all to attend and enjoy this excellent entertainment.

SMALL VOTE CAST BONDS LOSE IN COUNTY

But little interest was manifested in the election last Monday in this county, not more than 40 per cent of the qualified electors taking the trouble to go to the polls.

What little interest was shown seemed to center on the road bond measure and the returns showed a strong sentiment against it.

In the four Heppner precincts the bonding measure lost by 10 votes, the smallest majority cast against any lost measure. The only measure carried in Heppner was that requiring the election of city, town and state officials to be held on same day. This measure carried by 228 yes, 123 no.

The measure receiving the hardest jolt here was that limiting the work and increasing the pay of the members of the legislature, which lost 62 yes, 270 no.
