Activity in Real Estate

Morrow county realty continues to move at satisfactory prices.

During the past week the Lam Rhea ranch, on Rhea creek, containing 2000 acres was sold by T. J. Mahoney and Ed Rood, as trustees, to W. H. Padbers, for a consideration of \$40,000.00.

This is one of the oldest and best ranches in the county containing some 300 acres of first class creek bottom alfalfa land, the balance being wheat and grazing land.

Another fine Rhea creek ranch known as the Andrews place, was sold a few days ago by E. F. Day to Glenn Boyer. This place comprises 160 acres and the consideration is understood to be \$15,000.00.

The Outlook for Wool

Morrow county sheepmen have every reason to be optimistic over the present and future outlook for their product in view of the unprecedented demand which it is expected the equipment of a vast army will create for woolen fabrics.

In this connection a statement recently issued showing the amount of woollens used for the British army from the beginning of the war to December 31, 1916, is of interest. From this statement we learn that there has been used during that period, of woolen gloves, 8,000,000 pairs; socks, 68,000,000; vests, 10,000,000; drawers, 22,000,000; yards of cloth for garments used in field and hospital, there has been used the stupendous amount of 209,000,000 yards.

The above gives some idea of the vast volume of woollens required by a modern army and seems to indicate that the wool market will probably continue strong.

PATRIOTISM AND FASHION

THE NOBLE WOMEN OF FRANCE HAVE SET THE STYLE

French women have made more sacrifices for the war than the women of any other nation, but have continued to dress as smartly as ever, and set the mode for their foreign sisters.

They have done this by making their own clothes and by making it stylish to wear simple gowns in war time. Now that war has come to America, patriotism and fashion alike demand that American women follow the example of France. You may best serve your country by doing things yourself that previously others did for you. **Make your own clothes!**
