COLE

Never have so many voluntary expressions of satisfaction and goodwill been received as those that are coming from Cole Eight owners.

Never have sales been so great nor cars ordered so far in advance.

Never has the Cole been more strongly entrenched as America's dominant Eight.

Each day the growing demand for the Cole Eight is more difficult to meet.

The factory distributors for this Pacific Northwest are literally fighting for every carload shipped into the territory. We suggest that if you want a Cole Eight now-next month-or the month following-order it TODAY.

Seven Passenger Cole Eight \$1795.

Four Passenger Cole Eight Roadster \$1795.

Prices f. o. b. factory--subject to change without notice.

Morrow county was badly handicapped in making her start on the Red Cross drive but when she once got organized and strung out there was "something doing."

PATRIOTISM  
AND FASHION

THE NOBLE WOMEN OF FRANCE HAVE SET THE STYLE

French women have made more sacrifices for the war than the women of any other nation, but have continued to dress as smartly as ever, and set the mode for their foreign sisters.

They have done this by making their own clothes and by making it stylish to wear simple gowns in war time. Now that war has come to America, patriotism and fashion alike demand that American women follow the example of France. You may best serve your country by doing things yourself that previously others did for you. Make your own clothes!

USE BUTTERICK PATTERNS

To raise better crops by cultivating more and raising less weeds. It will pay you to invest in a JONES' WEEDER. This machine has been greatly improved this year and will be a great factor in bigger crops. Built in sections like a harrow, each section cuts 5 feet. You can use as many sections as needed, six horses pull 3 sections cutting 15 feet. Absolutely the best machine ever built for cultivating summer fallow, does the work speedily and thoroughly. Get a JONES WEEDER before the weeds get big and ruin your summer fallow.
