DULL AND SHARP SHOOTING PAINS

Michigan Lady Suffered Such Pains
In Back and Head, But Says
Cardui Stopped These
Bad Spells.

Palmyra, Mich.—Mrs. Chas. T. Fab-
ler, of this place, writes: "In 1911 I
got run-down, and I suffered great
pains, with both dull and sharp
shooting pains, also back and head.
I was weak and could only drag
around, and should have been in bed,
for I really wasn't able to be up. At
times I would have spells that would
be so bad I'd have to go to bed, and
suffered intensely.

I decided to try Cardui, and saw a
great improvement in less than a
month's time. I used 3 or 4 bottles
and was stronger. I got so much
better that my strength returned and
my work was easy for me. Cardui did
me a world of good. It built me up in
health and strength. I haven't had one
of those bad spells since. I haven't
had to take any more medicine since
or have any doctor's visits and have
been able to do my work right along.
I recommend it to other women
highly as the best medicine I know
of for women who suffer from female
trouble."

If you suffer from female troubles,
follow this advice. Get a bottle of
Cardui today and give it a thorough
trial. It should help you, as it has
helped thousands of other women in
the last 40 years. At all drug stores.

Buy Now and Save Money On a Hudson Super-Six

Over 50 makes have already advanced in price.
Hudsons, too, must cost more.

Nearly every make of car, ex-
cept the Hudson, has lately in-
creased in price.

Cars that sold at \$1200 and
\$1400 now cost about as much as
a Super-Six. Since January, 51
makers of automobiles have an-
nounced price increases amount-
ing to \$100 to \$700.

The necessity of buying ma-
terials on today's market has
forced these increases.

Steel costs five times as much
as it did at the beginning of the
war. Cotton, rubber—all items
that enter into the manufacture
of an automobile—now cost more
than ever before.

Hudsons will cost more when
the present stock of materials,
bought last year at lower prices

is exhausted. There is no way
of avoiding it. The price ad-
vantage that other cars once
held no longer exists.

Hudson has been the most
wanted car, regardless of price.
It will be more popular than ever
now that cheaper cars have ad-
vanced in price.

We know the number of cars
from present material supplies
that we are to get. At the rate
of present sales present prices
can not be continued long. Some
models will be advanced in price
within one month.

Now is the time to get a Hud-
son Super-Six. Have its use the
remainder of the summer and
throughout the fall. Save the
money that delay will necessitate
your paying for a Hudson.
