### Guyle Shurte in Hospital

Guyle Shurte, who went to Portland last week to take his final examination for enlistment into the medical corps of the army, was temporarily rejected by the medical examiners because of a slight physical defect which called for a minor operation to remedy. Guyle is game, however, and rather determined so he returned to Heppner Saturday and at once entered the Heppner hospital and had the operation performed at his own expense. He expects to be all right in another week or two and expects to take another try at the examination. He feels confident that he will be accepted and will soon be in a position to go to the front and do his share in the hospital work.

### Irrigon Makes Fine Showing

The Irrigon exhibit at the Fair is worth looking at. Lucious peaches, glorious grapes, princely pears, mammoth melons and many other products of the sun kissed sands, are on exhibition and everybody is proud of Irrigon and proud of the pride that the Irrigon people show in their own exhibit.  
Prof. and Mrs. Suddarth and Chauncey Grimare in charge of the Irrigon booth and they are no slow boosters.

### Sumpter Relief Fund

The relief fund of Sumpter now amounts to a little over \$320. A number of our citizens have not been seen, but the subscription paper is at the First National Bank. Those who have not paid the amounts they have subscribed are requested to call at the Bank and make payment as soon as possible, as it is desired that the money be sent without delay.

### Ship Two Cars Horses

James Rye and Carl Smith, representing the Caldwell Horse and Mule Co., of Caldwell, Idaho, were here this week buying horses and mules and on Wednesday morning they shipped two cars of animals from the local station. The horses are being bought for the government for use for artillery and cavalry purposes. Thirty-four head of the lot were bought from Guy Boyer the well known Hinton creek stockman.

### War Libraries

Heppner is asked to contribute \$60. or \$65. toward the War Library fund. It is very essential that the boys in the training camp be kept in the best of spirits. They are apt to have an attack of "army blues" and it has been found that plenty of reading matter is one of the best preventatives. The Young Men's Christian Association, the Knights of Columbus and the Young Men's Hebrew Association are all calling for books. This is a noble cause. Shall we help?

George Aikin received a telegram Sunday from his son Cyrus, at Salt Lake City announcing the arrival of a baby daughter weighing 9 1/2 pounds. Mother and babe are at the Holy Cross hospital at Salt Lake and are reported as doing nicely. Mr. Aikin is manager for the Singer Sewing Machine Co., at Ogden, Utah.

### STOMACH TORN UP

#### Indiana Lady Describes Condition, Which She Says Was Due To Constipation and Tells of Relief Obtained From Black-Draught.

Scottsburg, Ind.—Mrs. Annie Johnson, of this place, writes: "I well remember I suffered for a long time with constipation, which would get me down. I took doctors' medicines and any number of purgatives. They would leave me in a worse condition than I was before taking, and my stomach so upset. . . I know once I suffered. . . from constipation, I was so ill we had to have the doctor, just so nervous and feverish. The doctor said I would have to quit medicines, my stomach was so bad . . ."

My husband was reading and found something about Theodor's Black-Draught and brought me a package to try. I used it regularly at first until I began to feel better, then I used just a dose occasionally. I was cured of this constipation and am sure the Black-Draught did it."

If your stomach is out of order, you will suffer from such disagreeable symptoms as headache, biliousness, indigestion, etc., and unless something is done, serious trouble may result. Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, helping to regulate the liver and to cleanse the bowels of impurities.  
Try Black-Draught. EB-15
