Morrow County School Notes

Morrow county has the honor of being the first in the state to place in her schools the Daily Health Charts for boys and girls, issued by the Society for the Prevention of Tuberculosis. We now ask the co-operation of the teachers and pupils in the sale of Red Cross seals.

District No. 51, known as the Burton Valley school, closed a successful term this month. The following named pupils received certificates of award for being either absent nor tardy during the year: Thomas McCarty, Madge Osborne, Helen Osborne and Alice McDaniels.

Industrial Clubs for the year 1917-1918 are now organizing. We anticipate a larger membership than we had last year. The children seem pleased with the term, "Soldiers of the Commissary."

Miss White, teacher in District No. 54, reports the purchase of a flag. This district has had the most up to date school buildings in the country districts, but District No. 2 is soon to have this honor. They have a concrete basement and will have the water piped into the school room, where a drinking fountain will be installed.

The pupils and teacher of District No. 81 have signed the following pledge: We pledge ourselves to use no candy until May 1918, if U. S. needs the sugar that long.

District No. 4, a district created last year, has a neat school building. They are planning to standardize this year and already have eight gold stars on their card. Miss Margaret Hamner is the teacher. She has 12 pupils, nine of whom are going to form an Industrial Club and thereby become "Soldiers of the Commissary."

Dan Cupid is playing havoc with our schools already. As a result a change has been made in the Pine City schools. Miss Beulah Barker has been elected to fill Miss Ada L. Thayer's place. The latter has become Mrs. Wiglesworth.

We have just learned of another change to be made from the same cause. However we will forgive the offenders providing they promise never to repeat the offense, and we extend hearty congratulations.

LENA SNELL SHURTE,
County School Supt.

IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u-i, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way. . . I think I have taken a dozen bottles . . . before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy. . . I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Cardui at all. . . It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Your dealer sells Card-u-i. EB-10
