The Donation Table was well patronized. This will be a permanent feature of the Branch here. All donations will be cared for and sold at the Red Cross counter at Barnett's store.

A total of Fifty dollars was realized from the entertainment.

The Lexington orchestra gave a dance November 17, and turned the proceeds in to the American Red Cross. This money with some raised by private subscriptions and that from the sale of Red Cross buttons covered the Lexington assessment for the Christmas packages.

The ladies of the Lexington Branch meet each Saturday at 1:30 P. M. in the domestic science room at the school house. The meetings are well attended and much work is being done for our boys "Over There."

TEACHERS TAKE NOTICE.

A letter from the Provost Marshal General has been received in this office, requesting that we convey to every teacher in this jurisdiction, the following:

"I desire to impress upon you the necessity for disinterested advice and aid to registrants, especially the poor or ignorant, in answering their Questionnaires, and for competent volunteer clerical assistance to the selection boards; and I wish to call to all teachers particular attention to the President's call to national service of all citizens:

"I call upon all citizens therefore, to assist local and district boards by proffering such service and such material conveniences as they can offer and by appearing before the boards,

either upon summons, or upon their own initiative to give such information as will be useful in classifying registrants."

"Upon the abundant giving of such assistance depends in large measure the success of the new system, and success involves speed and accuracy, coupled with the doing of complete justice, both to the registrant and to the nation.

"Volunteer workers will receive all necessary instructions and literature from the Local Boards."

LENA SNELL SHURTE,
County School Superintendent.

Dr. Van Waters will hold service in the Episcopal church next Sunday.
