ELK'S NEW YEAR'S BALL A BRILLIANT AFFAIR

The Elk's War Relief Ball given in the Fair Pavilion New Year's eve was one of the most successful affairs of the kind ever held in Heppner.

The ball was planned by the Elks lodge the management of details being turned over to a committee consisting of Sam E. Van Vactor, S. W. Spencer and Oscar Borg. Right well did this committee and sub-committees under them do their work for if there was anything left undone which would have added to the enjoyment of the evening it was not noticed by those in attendance.

In spite of the inclement weather, which seriously interfered with the plans of Elks and their ladies in other towns who had planned to be present, the attendance was good and the big floor in the pavilion was comfortable filled with eager dancers until well into the wee small hours.

Parson's orchestra furnished the music and there was not a dull moment during the entire evening.

At 11:00 P. M. dancing ceased for a short time while members of the order gathered on the floor and, accompanied by the orchestra, joined in the beautiful strains of "Ould Lang Syne" in memory of their departed brothers who have crossed the Great Divide.

Ladies of the Red Cross served refreshments during the evening netting a snug sum for the Red Cross.

Eastern Star Lodge Installs

Ruth Chapter No. 32, O. E. S. held its annual Installation of officers at the Masonic Temple Friday evening, December 28.

The following officers were installed for the ensuing year: Worthy Matron, Mrs. Addie Binns Associate Matron, Mrs. Olive Allison

Worthy Patron Frank Gilliam Treasurer Mrs. Anna Spencer Organist Mrs. Alma Hall Chaplain Mrs. Neva LeTrace Sentinel A. L. Ayers Adah Millie Rood Ruth Lucile McAtee Esther Ona Gilliam Electa Mrs. Elvar Huston

C. E. Woodson acted as installing officer and Mrs. May Gilliam as Marshal.

At the close of the Installation light refreshments were served.

Our Boys in Uniform

Mayor S. E. Notson received word Sunday from his son in Salem that Captain Neer has cabled his wife in Salem that his regiment the 162nd has arrived "Somewhere in France."

Members of the 162nd from Morrow county are: Lee W. Notson and Charlie Ayers, of Heppner, Dr. G. G. Gaunt, of Hardman and J. H. G. Ewing, of Cecil. It is also believed that the 161st, of which Alva Jones and Henry Peterson, also Heppner boys are members, has also crossed the Atlantic.

STANFIELD TO MANAGE HIS OWN CAMPAIGN

Stanfield, Oregon, Jan. 1—That he will be his own campaign manager, and have neither headquarters nor assistants but will depend upon the news and advertising columns of the press of the state and personal visits to reach the voters, was the announcement of R. N. Stanfield today in assuming the active work of his campaign for the nomination for United States senator on the republican ticket.

He declared he intended to make a very active and vigorous campaign and would devote practically all his time from now on until the primaries to the work. The old political campaign manager system does not appeal to him, and he is going to break away from it entirely.

So far as possible he will personally visit every community and locality in the state and use the newspapers quite freely.

His statement of principles or platform, will be made public about the middle of the month and he expects to conduct his campaign strictly on the principles therein enunciated.

In his statement today he said he was more than satisfied with the outlook and was confident that with the efforts which he intends to devote to the work during the next three months he would be able to secure the nomination.

His first work will be a trip through the Willamette Valley and then Southern Oregon and then back to Portland. He will attend the irrigation Congress in Portland January 2nd, and the remainder of the week he will spend at Corvallis where he will deliver an address before the Farmers School on the Wool Industry of Oregon.

Heppner Boy Marooned in Chile

County Clerk Waters has received a letter from Leo Blackman, former Heppner boy, son of Henry Blackman now living in San Francisco, and cousin of Phill Cohn of this city, written in Antofagasta, Chile, requesting a birth certificate to assist him in establishing his citizenship in the United States, this being necessary before he can secure a passport from the Chilean government to leave that country and return to the United States. Unfortunately no such records were kept in this county prior to 1895 and Mr. Blackman will probably be compelled to remain in Chile until the end of the war.

This incident emphasizes the importance of every citizen having official data regarding his birth and nationality before leaving this country for a foreign land.

Mr. Blackman has been in Chile for several years holding a responsible position with the American Smelting & Refining Company as an ore buyer.

Matt. T. Hughes was in town Monday from his stock ranch on Rock creek.

MORROW COUNTY WINS WORLD CHAMPIONSHIP IN RED CROSS MEMBERSHIP DRIVE

Little old Morrow county has shown the world what sort of metal her people are made of in the Red Cross Christmas Membership Drive which has just closed by rolling up a list of some 2625 new members, which represents 175 per cent of her quota of 1500. The county might have made it even money by running the membership up to 200 per cent but, well it rained and stormed and the roads got well nigh impassable which interfered to some extent with the workers.

Sam E. Van Vactor, who acted as campaign manager, has been showered with congratulations on the manner in which Morrow county went "over the top," but he passed the credit along to the other workers who braved the storm and mud to place their county at the very top of all the counties in the United States.

The following letters commending the recent campaign in Morrow county have been received from Portland headquarters:

Portland, Oregon,
December 30, 1917.

Mr. S. E. Van Vactor, Campaign Manager, Red Cross Membership Drive, Heppner, Oregon.
Dear Mr. Van Vactor:

Your campaign workers braved the weather and went from house to house and farm to farm, canvassing for Red Cross memberships. There was no hardships they were not willing to undergo. The distressing shortage of buttons and other supplies embarrassed them, but they went ahead with lofty courage. They were animated by love of our country, affection for our soldier boys and a desire to be of actual service in relieving the suffering caused by frightful war; also they were determined Morrow county should do its full share in the enrollment of members in response to the appeal of President Wilson asking every man and woman to join the Red Cross.

The results in Morrow county speak for themselves. To your heroic workers belongs the credit. It was individual work like this all over our state that won again for Oregon the proud distinction of being among the foremost states of our Union in patriotic achievement.

No mere letter of thanks can convey to your workers anything like the credit that is their due. Their devotion demonstrates that they were not striving for personal credit. Their rich reward is in the consciousness of sacrifice made and duty done, but in behalf of the Northwestern Division Campaign Committee, will you kindly convey to each and all of them, through any channel that may seem available, the deep sense of appreciation felt at Division and State Headquarters for their devoted service.

Yours gratefully,

Hervey Lindley,
Chairman, Northwestern Division Campaign Committee.

C. C. Chapman,
Henry E. Reed,
Members for Oregon.
Portland, Oregon,
Dec. 29, 1917.

The Herald,
Heppner, Ore.,
Gentlemen:

Morrow county leads the entire State and has been at the top of the list for two days in

the great Membership Drive for the Red Cross. You must feel very proud of the magnificent record.

We note that the Herald gave splendid news and editorial support to the campaign, and on behalf of State Headquarters we thank you for the same.

Yours very truly,

C. C. Chapman,
Oregon State Chairman.

Red Cross Notes

Anyone having a sewing machine they can spare would confer a great favor on the Red Cross workers by leaving it for use in the sewing rooms.

The officers and members of the Red Cross take this means of publicly thanking Mr. Henry Schwartz, proprietor of the People's Cash Market, for the splendid donation of chickens for the lunch served New Year's eve at the pavilion. Such generous actions are highly appreciated and do their part in helping to win the war.

Workers have never been needed at the work-rooms so bad as at present. There is so much to be done to meet the demands being made upon the Morrow County Chapter that more workers in both the work rooms are absolutely necessary. All members who can use the needle, make bandages etc. are urgently requested to come out and help.

The Morrow County Chapter of the American Red Cross have received the following letters from soldier boys at Camp Lewis thanking them for Christmas packages received:

Private Claude E. Hearn, Co. D. 346 MG. B. writes as follows: "With a Merry Christmas and Happy New Year greeting I wish to thank you for your kind remembrance to the soldier boys of the U. S. army. Upon receiving one of your Christmas packets I wish to thank you personally for the kindness shown me."

Marion Euclid Rigby, Co. B, 346 Inf writes:

"Christmas day I and others in the company received Red Cross packages from your association. They were fine and I personally want to thank you. You people may not realize what a package of this kind means to a boy away from home and in the army. It means a lot to me and it also shows that the people are behind us in this great cause."

Karl Shaw, 76 Co. 19th Battalion, 166 Depot Brigade, writes:

"I am one of many other boys to receive one of your Christmas surprise packages and I wish to sincerely thank you for the same. I am modest enough, however, to feel that I do not deserve them half so much as do some of my patriotic brothers in arms 'over there.' Again thanking you personally for your gift and wishing you all a Merry Christmas and a Happy New Year."

A fine son was born to Mr. and Mrs. Arthur Ashinburst, of Sand Hollow Monday evening.

Willard Herren has been employed as a special guard in the warehouse district in the north part of town as a precaution against depredations at the hands of alien enemy spys, dynamiters etc. Mr. Herren is on guard in that district every night from dark until daylight and is considered a capable man for the position.

LIST OF MORROW COUNTY ENLISTMENTS

The Herald is anxious to secure a list of all Morrow county boys who have enlisted in the army or navy since the beginning of the war with Germany. No complete list has yet been compiled and it is not only as a matter of news the Herald wishes to secure a complete list of these boys but also that an authentic record of them may be kept here in Morrow county for future reference. We are publishing herewith a list of all the names we now have at hand and every person in the county who knows of a name which should be in the list is requested to send it in for future publication. This is the only method the Herald knows of which promises to overcome the difficulty of securing a complete list of these young men who have offered themselves to help win this war for humanity:

All persons knowing of others who have enlisted are requested to send in names and assist in making the roster complete. We do not want the names of drafted men. They are already of record.

Bakery Changes Hands

W. C. Bowling, a recent arrival from Bonners Ferry, Idaho, closed a deal last week with A. W. Raglan, whereby Mr. Bowling became owner of the City Bakery. Mr. Bowling comes to Heppner highly recommended as a first class baker and an upright business man and will no doubt find a splendid field in Heppner for his line of business. He has changed the name of the establishment to the Heppner Bakery and contemplates a number of needed improvements. A new advertisement of the Heppner Bakery will be found in this paper.

Mr. and Mrs. Henry Neel were over from Condon attending the Elk's ball New Year's eve.

Here's the way things are done in Morrow county: The day before Christmas L. V. Gentry came in from the ranch to take out a few Christmas presents for his kiddies and arriving in town found that he had broken a spring in his Oldsmobile and put it out of business. That did not stop Santa Claus from visiting the Gentry home, however—not by a long shot. L. V. just went down street and bought a new "super six" specially to take those Christmas presents home.

WILL EMPLOY COUNTY AGRICULTURAL AGENT

At the regular meeting of the County Court this week it was decided to be for the best interests of the county that a county agriculturist should be appointed and an appropriation of \$1500 was made to assist in meeting the expense of the new office.

W. L. Kadderly of the O. A. C., assistant county agent leader, was present and outlined the plan which is being urged on all the counties in the United States by the federal government as a war measure.

In addition to the \$1500 appropriated by the county, an equal amount will be supplied by the state besides \$1000 which will be put up by the federal government. The appointment will be made by the county agent leader of the O. A. C., and will be an expert agriculturist whose duty it will be to cooperate with the farms and stockmen and with the county court in producing a maximum output of products from the farms and ranches so much needed by this government and its allies in the work of winning the war.

Hardman Supports Red Cross

The Hardman branch of the Red Cross gave a very successful dance Friday evening December 21. The ladies also served coffee, sandwiches and cake to the dancers. After paying all expenses, one hundred dollars was sent to the Red Cross Chapter in Heppner.

The cakes etc. which were not used were sold at auction and added thirty dollars to the proceeds. The Red Cross doll netted about twenty dollars, and a small clock donated by Mrs. Gaunt brought about five dollars. Bert Bleakman gave ten sacks of potatoes which were auctioned off for eighteen fifty and Jim Burnside donated two sacks which sold for two fifty.

Music was furnished by Ashbaugh and Leathers, Guy Hadley acted as floor manager and auctioneer.

The Red Cross is planning on giving another dance of the same nature New Year's night.

The people of Hardman community showed the proper spirit in their efforts to make the Red Cross Christmas membership drive a success. Those soliciting in Hardman were: Mrs. J. P. Hadley, Nellie Wright, and Mrs. Gaunt, and by Friday night they had obtained one hundred and seven members, despite the bad weather.

Sunday, Glen Farnes and Guy Hadley solicited the Burton Valley and Rood Canyon districts. These districts together with the Reed Mill community added fifty more members to the Hardman list.
