Auto Turns Turtle; Leg Broken

From Arlington Independent we learn that Hon. C. C. Clark, of that city, met with a serious accident on Wednesday of last week while on a trip to Rhea Siding, where he expected to meet the Canadian officers and take them to Arlington, where they were scheduled to address a mid-day meeting.

Owing to the fact that the snow had made traveling difficult the officers thought it better to continue their trip by rail, which they did.

After the train had pulled out Mr. Biggs, who had driven his auto over to assist in bringing the men, started on the return journey leaving Mr. Clark to follow him. When some distance away Mr. Biggs began to get uneasy at the non-appearance of Mr. Clark and turned back to find that while crossing the Rhea bridge Mr. Clark's auto had upset, pinning him beneath the machine but fortunately only catching his leg, which was broken at the ankle. Mr. Biggs placed him in his auto and brought him to Arlington, where he was placed on train No. 17 and taken to the hospital at The Dalles.

Hoff Seeks Treasurer's Office

O. P. HOFF

O. P. Hoff, for 15 years Labor Commissioner of Oregon, is a candidate for the nomination for State Treasurer on the Republican ticket. Mr. Hoff announces that he will make the race on his record as Labor Commissioner, his wide acquaintance with the industrial and business needs of the state and his close relations with both employers and employees on questions concerning labor problems. His brief declaration of principles is: "My oath of office is my platform, my record is your guarantee, and my experience is your protection."

Income Tax Inspector Busy Man

Wm. Kennedy, representing the U. S. Treasury Department in the capacity of income tax inspector, is about the busiest man in Heppner this week, and if he belonged to a labor union would probably be in trouble with his union for working overtime. Eighteen hours a day is about Mr. Kennedy's gait and the corridors in the court house are crowded with citizens, early and late, seeking Mr. Kennedy's assistance in determining how much money they made last year. The time for reporting income taxes expires February 10th.

Last Day for Government Insurance

Men in service must take out government insurance before February 12. One million remain unprotected yet. It is up to the newspapers of the state to make Oregon's soldiers and sailors who enlisted before October 15 realize that this is their last chance. Put it up to them that unless they get in before Feb. 12 their families will be among those that are going to be left destitute.
