"Crother Bill" Coming

"Brother Bill," the Red Cross sheep recently made famous at Bend by being sold and re-sold at auction until \$5000 was realized for the Bend Red Cross Chapter, is coming to Heppner to be sold for the benefit of the Morrow county Chapter. The exact date has not yet been announced, but will later be given due publicity. After leaving Bend Bill's itinerary is Redmond, Madras, The Dalles, Hood River, Heppner, Pendleton, Baker, Portland and south as far as Medford.

May Keep Pigs in City

Heppner's city dads have decreed that, to encourage food production, residents of the city may keep pigs within the city limits if proper sanitary conditions are observed. This measure will help feed the hungry and win the war.

Worthy Matron Here

Mrs. Lena C. Mendenhall, of Portland, Worthy Grand Matron of the O. E. S., attended a special meeting of Ruth Chapter, No. 32, held last Saturday evening. A large number of members and visitors were present. After the business meeting a banquet was spread in the dining hall.

Mrs. Mendenhall attended a similar meeting in Ione Monday evening. Two candidates were initiated and dainty refreshments served. Those attending the meeting from Heppner were Mr. and Mrs. Taylor, Mr. and Mrs. J. A. Waters and Mrs. Binns.

The Ione elevator is being built by the Frank C. Burrell Co instead of the Burrell Construction Co., as stated in a recent issue of the Herald.

LOCAL AND PERSONAL

Jeff Jones returned from Portland Wednesday, where he shipped a car of fine beef steers Sunday. His cattle brought 11 cents a pound on Monday's market, which was the top figure for that day. Top hogs were selling at from 17 to 20 cents a pound during the week.

Prof. Albert Powers, of the State University, will deliver an illustrated lecture in the Federated church next Sunday evening on the Red Cross. The lecture is said to be highly instructive and entertaining and it is expected that a large audience will turn out to hear this distinguished speaker.

George W. Dykstra, well-known pioneer of the county, who has been in Heppner for a couple of weeks under the care of Dr. Winnard, is improving to such an extent that he is again able to "josh" his friends and crack jokes the same as a well man. Mr. Dykstra is an inveterate enemy of gloom.
