NUMBER 1

WOMAN'S WAR COUNCIL ORGANIZES

Following the instructions of Mrs. Bert Mason, of Ione, county chairman of the Woman's War Council of National Defense, a unit was organized in Heppner last Saturday.

The presidents of each of the women's organizations of the city compose a permanent committee. This committee to choose their chairman and secretary. The voting by ballot resulted in the election of Mrs. Binns for chairman and Mrs. Gertrude Parker for Secretary. The committees read:

Women of Woodcraft, Mrs. Thomas Boyd; Degree of Honor, Mrs. George Stevenson; San Souci Rebecca Lodge, Mrs. Freeman Frye; Ruth Chapter, O.E.S., Mrs. A. Binns; Altar Ladies, Mrs. E. L. Buckrum; Ladies' Auxiliary, Mrs. John Kenny; Federated Aid, Mrs. J. A. Patterson; C. W. B. M., Mrs. Gertrude Parker; Guild, Mrs. A. L. Ayers; Christian Science, Mrs. C. L. Freeman; Women's Relief Corps, Mrs. J. L. Yeager.

A convention for the purpose of organizing a State association of the B. P. O. Elks will be held in Portland next Monday and Tuesday. W. P. Cox, secretary of Heppner Lodge, expects to attend the meeting as a delegate from this lodge.

C. E. Ingle and family, of The Dalles, were here during the week visiting his mother, Mrs. Kinney-Mcatee.

Food News

The Food Administrator anticipated some objections on the part of farmers to disposing of their surplus wheat, but so far little objection has been made.

Dealers are authorized to purchase the surplus flour which people desire to turn back at the market price, and then report the purchase to Mr. Houser at Portland, and the Government will pay for the flour.

W. L. Barlow, of Eight Mile, traded his white flour for substitutes at Ione. This is practical patriotism.

The domestic science class of the public school aroused much interest in the humble "wheat savers" by their displays in the windows of our grocers last Saturday. Take their advice and eat more potatoes and less wheat.

There will be plenty of sugar for canning purposes, but the people are urged to continue to limit consumption to three pounds per person per month, or less. If each one of us eats one pound less this month there will be 100,000,000 pounds more for canning purposes.

S. E. NOTSON,
County Chairman.

Change in Mail Schedule

On and after Sunday, May 12, 1918, the mail will close at the Heppner postoffice at 8 a. m., instead of at 8:25 as at present. Train will leave the Heppner station at 8:40 a. m. instead of 9:00 o'clock.

Mrs. W. R. Irwin and little daughter Betty are visiting in Portland this week.

Child Drowned in Willow Creek

Little Grace Brown, two and one-half year old daughter of Mr. and Mrs. C. L. Brown, was drowned in Willow creek Sunday morning about 11 o'clock. Mrs. Brown was busy getting the older children ready for Sunday school when little Grace went out to play and evidently went directly to the creek and fell into the stream when no one was in sight. The mother soon missed her and a search was instituted, which resulted in finding the body in the creek near the Heppner flouring mill. It is presumed the child fell in the water near the May street bridge, as she had been in the habit of playing there with older children.

The funeral was held Monday afternoon at 2:30 from the Federated church, Rev. Noyes conducting the service. Interment was in the Masonic cemetery.

Street Improvement Progresses

Considerable showing is being made on the streets this week by the paving crew. The first block to be improved, on Main Street between May and Willow, will probably be completed by tomorrow evening and when the work is finished it will add much to the comfort, utility and general attractiveness of the city's thoroughfares.

FOR SALE—Poland-China Boar, 7 months old; weight about 170. [49t] R. W. SNYDER.

Postmaster Richardson has installed a stamp cancelling and postmarking machine which is proving a great time and labor-saver in the Heppner postoffice.

For mid-May time the weather is backward, with heavy frosts nearly every morning. A good warm rain is much needed.

Workmen are engaged in tearing away the old front in Case & Co.'s furniture store, preparatory to putting in a new plate glass front.

FOR SALE—Bargain in 7-passenger auto; 1917 model; only run 3100 miles; perfect condition; bargain if taken soon; must sell—going east. Inquire Herald of Ice. 49-1t

To the Citizens of Morrow County

Referring to my announcement elsewhere in this issue:

Since last December I have been employed guarding the warehouse and elevator at Heppner, and will be unable to meet many of the voters, therefore I take this method of reaching you.

If nominated and elected I shall arrange to turn all tax money over to the Treasurer as soon after it is collected as possible, thereby stopping interest on county warrants and make the school funds available at the earliest possible date.

I shall construe my oath of office to mean a complete and efficient enforcement of the law.

I shall serve the interests of the public to the best of my ability and will aim to give protection to all persons and classes. Will conduct my office with a strict regard to economy, serve all official documents promptly, render a cash balance sheet at the close of each day's business, and see that all prisoners in my custody receive humane treatment.

Spelling Contest Hodston School

A spelling contest will be held at the Hodston school house Saturday evening, May 18, at 8:00 o'clock, to be followed by a pie supper. A prize of \$1 will be given for each best speller in each grade up to the sixth. The 6th, 7th and 8th grades will be as one grade and only one prize will be awarded to the best speller in the three grades. Anyone is eligible to spell. During the evening a fine cake will be raffled off to the most popular young lady in Morrow county. The proceeds of the evening will go to the Red Cross.

Spellers who expect to be present and take part in the contest are requested to drop a card to Miss Ramona B. French, Lexington, Ore.

Simpson Confident of Nomination

The Herald is in receipt of the following telegram from J. L. Simpson, candidate for Governor:

"Developments of the last few days indicate that I will carry Multnomah county. I am confident that I will carry eastern and central Oregon, and this with my strong vote in southern Oregon and the coast counties and the excellent showing I will make in the Willamette valley assures my nomination."

Bruce Dennis for National Committeeman

Bruce Dennis, one of the best known newspapermen in eastern Oregon, is a candidate for Republican National Committeeman and in support of that candidacy it is urged by his friends that at the Republican National Convention in 1912, to which he was a delegate, he followed the instructions of the Republican voters of Oregon as expressed at the primaries of that year by voting for Roosevelt for the presidential nomination. At the primaries in that year the Republicans of Oregon voted as follows on the three presidential candidates: Roosevelt, 28,905; LaFollette, 22,491; Taft, 20,517.

Mr. Dennis followed the express wish of his constituents and voted for Roosevelt. Mr. Williams, who was then National Committeeman, ignored the primary vote in his own state and supported Taft. A disrupted party, Mr. Dennis' friends point out was the result, and the consequent election in Oregon since that time of numerous democrats to national and high state positions.

Regardless of the political aspect of the matter the fact that Mr. Dennis is one of the most competent men in his profession in the state and of high ability as an organizer and administrator, will commend him to the members of his party who want things done in a business-like manner.

LEXINGTON ITEMS

Wm. Stauffer, of Hood River, came in Sunday evening to look after his farming interests here. Mr. Stauffer came by the Daylight special instead of his auto.

Miss Elsie Allyn is quite sick at her home with pneumonia. Dr. McMurdo has the case in hand and he thinks he can soon break the fever and have her on the way to a speedy recovery.

There is quite a lot of sickness and whooping cough in our town. Flossie Gammel and Marie Bre-shers have the whooping cough. Lester Lane accidentally spilled some hot molasses and burned his knees pretty badly. A number of others have the whooping cough, but did not learn all the names.

Fred Kun's mother, who has been visiting him and his brothers, returned to her home at Athena, after a month's pleasure trip here.

What's the matter with the city ordinance respecting the pasturing of stock on the streets within the city limits. Two years ago notices were posted to the effect that one couldn't even tie a horse or a car to a stake within the city limits. Today there are certain people who are letting their stock roam at will over the streets. Isn't the ordinance for all people.

Mrs. Ben Swaggart was down from Heppner Tuesday taking lesson on how to drive her new car. Mrs. Swaggart thinks that with a few more lessons she can run the car alone.

Mr. Gerard and Mr. Brubaker are assisting M. D. Tucker in building John McMillan's new house.

The Christian Endeavor of the Federated church will hold a food sale Saturday, May 11, at 11 o'clock at Phelps' grocery store. The proceeds of this sale will be spent for song books for the Endeavor.

RED CROSS WAR FUND DRIVE MAY 20-27

The \$100,000,000 war fund of the American Red Cross is almost exhausted in carrying on the world wide work for humanity the war has made imperative. The work must not stop for one day and it is therefore necessary for the war chest to be replenished at once. With this end in view a War Fund Drive will be made in every nook and corner of the United States during the week of May 20-27. Morrow county's quota has not yet been announced, but whatever the amount it will be subscribed during that period.

A complete organization has been formed for putting the drive through and there will be no time lost from early Monday morning, May 20, until the county has again gone over the top in the cause of humanity and democracy.

Following are the committees who have been appointed to manage the War Fund work.
