

"A great net of mercy drawn through an ocean of unspeakable pain"

The Greatest Mother in the World

STRETCHING forth her hands to all in need; to Jew or Gentile, black or white; knowing no favorite, yet favoring all.

Ready and eager to comfort at a time when comfort is most needed. Helping the little home that's crushed beneath an iron hand, by showing mercy in a healthy, human way; re-building it, in fact, with stone on stone; replenishing empty bins and empty cupboards; bringing warmth to hearts and hearths too long neglected.

Seeing all things with a mother's seventh sense that's blind to jealousy and meanness; seeing men in their true light as naughty children—snatching, biting, bitter—but with a hidden side that's quickest touched by mercy.

Reaching out her hands across the sea to No Man's Land to cheer with warmer comforts thousands who must stand and wait in stench and crawling holes and watersoaked entrenchments where cold and wet bite deeper, so they write, than Boche steel or lead.

She's warming thousands, feeding thousands, healing thousands from her store; the Greatest Mother in the World—the Red Cross.

Your help is needed—give till the heart says stop.

Every cent of every dollar received for the Red Cross War Fund goes for War Relief.

The American Red Cross is the largest and most efficient organization for the relief of suffering that the World has ever seen. It is made up almost entirely of volunteer workers, the higher executives being without exception men accustomed to large affairs, who are in almost all cases giving their services without pay. It is supported entirely by its membership fees and by voluntary contributions. It is today bringing relief to suffering humanity, both military and civil, in every War torn allied country. It plans tomorrow to help in the work of restoration throughout the world.

It feeds and clothes entire populations in times of great calamity. It is there to help your soldier boy in his time of need. With its thousands of workers, its tremendous stores and smooth running transportation facilities it is serving as America's advance guard—and thus helping to win the war. Congress authorizes it. President Wilson heads it. The War Department audits its accounts. Your Army, your Navy and your Allies enthusiastically endorse it. Twenty-two million Americans have joined it.

Are You Proud of Your Shirt?

Does the shirt you have on now add or detract from your appearance? Stand before the mirror and answer yourself—honestly.

Unless it fits perfectly—unless it actually finishes your dress—then you should use more care the next time you go to buy a new shirt.

Because your shirt makes or mars your presentability. Perhaps you never thought of it before; but you know it is true—now don't you?

Beau Brummel Shirts

are the product of master shirt makers. When you put one on, you'll know you're just as well shirt-dressed as any other man you meet.

You'll know economy, too—because Beau Brummels are not only perfect in style and fit—they come from the laundry time after time, bright, snappy and young looking.

Let us show you the Beau Brummel. After that—well it is for you to say whether you want "just a shirt" or a Beau Brummel. There's a world of difference.

Homeguards Organize at lone

A dozen members of the Heppner Homeguards drove to lone Monday evening and held a drill there with a view of assisting the lone boys in getting their organization under way. The name of the organization has been changed from the Heppner Homeguards to the Morrow County Homeguards, and the lone unit will become a part of the county organization. A splendid drill was held Monday evening and the lone boys took to the drill like veterans. Those in the party from Heppner were: J. L. Wilkins, Charlie Thompson, E. M. Shutt, F. R. Brown, Claud Cox, Art Crawford, Tom Chidsey, Jess Turner, Fred Tash, Herb Driskell, Gay Anderson, Walter Cason.

Heppner Defeats Moro

Moro high school ball team came over last Saturday to try conclusions with the Heppner team, the result being a score of 5 to 18 in favor of Heppner. The Moro boys are a fine bunch of lads but for some reason they did not get off in the same way they did at the football game here last fall. A reception was given the visitors in the high school rooms Saturday evening by the Heppner High students and a most pleasant evening was spent, the affair being chaperoned by several of the high school teachers.
