

If Swift & Company Made No Profit

The cattle raiser would receive only 1/8 cent a pound more for his cattle

So small is Swift & Company's profit on any single transaction that if it were turned over to the cattle raisers of the country, they would receive only 1/8 cent a pound more for cattle than they receive now.

Swift & Company pays for live cattle about 90% of the amount received for dressed meat and by-products. The remaining 10% pays for packing-house expense, freight to market, operation of distributing houses and profit. Swift & Company's actual figures per head for 1917 on over two million cattle were as follows:

Receipts		Payments	
From By-products \$24.09 26%	From Meat \$68.97 74%	Paid for Live Cattle \$84.45 91%	Total \$93.06
Total \$93.06	Total \$93.06		

* This net profit of \$1.29 per head averages 1/8 cent a pound live weight.

And out of this small net profit dividends must be paid to shareholders.

Service Flag Receives Blessing

An interesting service was held at St. Patrick's church last Sunday afternoon when the service flag of the parish, bearing seven stars to represent the seven young men who are now in the national army bearing arms in the cause of freedom and democracy, received the solemn blessing of the Church.

Mass was celebrated and a number of beautiful musical selections were rendered by the choir.

Rev. Father O'Rourke, who is one of Eastern Oregon's most popular pulpits, delivered a splendid address in keeping with the occasion in which he paid tribute to the young men in whose honor the service was held.

During his address Father O'Rourke also took occasion to refer to statements made by critics of the Catholic church and of the Irish people to the effect that they are not loyal to this government and that when the testing time came they would be found wanting in their espousal of the principles of democracy. In reply to these critics the speaker quoted Secretary of War Baker who recently made the statement that almost 85 per cent of the United States army and nearly 50 per cent of the navy is Catholic.

A large congregation was present to enjoy the service and the address.

The Morrow county Sunday School Association will hold its annual convention at Heppner. The sessions will be held at the Federated church and will open with a meeting Thursday evening, June 6th. All people in the county interested in Sunday school work are cordially invited to attend these meetings and to help in making them profitable and enjoyable. Entertainment will be provided for all coming from outside of Heppner. The new State Worker will be present to assist in the program, which will be published in full next week.

Lexington Red Cross Items.

The Lexington branch of the Red Cross wishes to ask all the ladies in our community to bring in at least one dish towel or flour sack to be hemmed, and as many more as possible; also any clean white rags they may have. The boys at Camp Lewis are sadly in need of them.

We also wish to thank the men for the good work done in the drive; also the contributors. Lexington has again exceeded her quota.

Work will be kept up on the refugee garments until a new allotment is sent in at the work room. We should all enter as willingly into this work as in the hospital and surgical work.
