

YOUR SPRING SUIT

Will Cost You Much Less if Ordered Now

I have just put in a big stock of new

Woolens, including Worsteds, Serges, etc.

bought at a bargain and which will be passed along to my customers at equally attractive prices.

These goods were carried over from last season by the wholesalers and by buying heavily I was able to secure them at last season's prices. This means a big saving over present prices of this season's new goods, while the quality of last year's goods is away above this year's offerings.

The benefit I receive from this proposition is that I am able to continue in business under war conditions—the direct saving goes to my customers.

Sweek and Father O'Rourke. Mrs. R. J. Vaughan, Miss Eggleman of Ione, and little Miss Kathleen Monahan favored with musical numbers. Following the program dancing was indulged in for a few hours, rounding out a most enjoyable evening.

Keep Clean

Keep clean inside, as well as outside. Do not allow food poisons to accumulate in your bowels. Headache, a sign of self-poisoning, will point to numerous other troubles which are sure to follow. Keep yourself well, as thousands of others do, by taking, when needed, a dose or two of the old, reliable, vegetable, family liver medicine,

Black-Draught

Mrs. Maggie Bledsoe, Osawatimic, Kan., says: "Black-Draught cured me of constipation of 15 years standing, which nothing had been able to help. I was also a slave to stomach trouble. Everything I ate would sour on my stomach. I used two packages of Black-Draught, and Oh, the blessed relief it has given me." Black-Draught should be on your shelf. Get a package today, price 25c. One cent a dose.

Are You Proud of Your Shirt?

Does the shirt you have on now add or detract from your appearance? Stand before the mirror and answer yourself—honestly.

Unless it fits perfectly—unless it actually finishes your dress—then you should us more care the next time you go to buy a new shirt.

Because your shirt makes or mars your presentability. Perhaps you never thought of it before; but you know it is true—now don't you?

Beau Brummel Shirts

are the product of master shirt makers. When you put one on, you'll know you're just as well shirt-dressed as any other man you meet.

You'll know economy, too—because Beau Brummels are not only perfect in style and fit—they come from the laundry time after time, bright, snappy and young looking.

Let us show you the Beau Brummel. After that—well it is for you to say whether you want "just a shirt" or a Beau Brummel. There's a world of difference.
