Pat McAvey left this week for the summer range near Hilgard with Pat Connell's sheep where he will enjoy the mountain breezes, speckled trout and huckleberry pie for which that region is famous. Mr. Connell is sending two bands there this week and later will send a third band. He has a splendid range of bunch grass there and usually ships fine mutton to market from the range without any finishing other than the rich grasses of the range provides.

J. B. Craig, who farms in the Blackhorse country, was a visitor in Heppner Saturday and called at the Herald office to have his name entered as a subscriber. Mr. Craig has 500 acres in wheat this season and he says the crop looks fine with every indication of making a 100 per cent crop. He crowded every available acre into crop this year as a part of his "bit" at winning the war and out of 700 acres of farm land on the place he has 450 in crop.

Mr. and Mrs. S. W. Spencer left this week for Bend, where they will attend the meeting of the Eastern Oregon Banker's Association, after which they will continue on to Klamath Falls with Crater Lake as their objective point. They expect to spend two weeks or more on the trip.
