Wars are won with metal—save it.

Iron and steel are needed for
tanks, guns, ammunition,
ships, railroads, etc. Folks at
home must save iron and steel
to help win the war.

Use the old range
until after the war.

Make your old range do a little longer
by having it repaired. If it's past
repairing, then the next best step is
to buy the range that saves fuel, food
and repairs. The Majestic's heat-
tight riveting prevents fuel waste;
its perfect baking prevents food
waste, and its unbreakable malleable
iron and rust-resisting charcoal iron
make repairs a rare need.

GILLIAM & BISBEE

Caution: If your Majestic needs new
parts, get them from us. We will supply
only the genuine Majestic materials—no
light, inferior parts, made by outsiders.

The Bootblack's Christmas

I'm rich! I've got a dollar all my own
To spend for Christmas—been a savin'
some
Since Fourth July, a little at a time,
Doin' odd jobs, sweatin' off on gum
An' now what shall I spend it fer? My
stars!
The show case is full an' heavin' up
With presents fer to give the folks you
like
There's Mamma, now—she'd like a chin-
cup;
I know she would—poor little stocky thing,
She cried one day because she had to
drink
Out o' that mug that's cracked like any-
thing
Yes, I'll buy that for her. Now, let me
think—
That's twenty cents, an' I'll have eighty
left.
An' Billy's crazy for a top to spin;
I'll get him one—that's ten cents more—
now what.
I wonder, shall I buy fer Jim?
I guess he'd like a jack-knife best of all—
I'll get one, an' a good mouth organ
too.
Jim—he's my pard—he's got a crippled
foot.
An' a drunken dad that beats him black
and blue.
Now, I've got forty left, and mother
wants—
I know she does—a thimble—her'n is
old
An' full o' holes and bent all out o'
shape.
I wish I could get one of solid gold!
That wouldn't be half good enough for
her—
Not if 'twas edged with diamonds all
around!

Best mother ever lived—I tell you what.
The ain't many kids so lucky's me. I'm
boun'd!
Now, I've got twenty left—I'll buy some
gum
An' candy n' popcorn and some apples
too.
An' I'll be Santa Claus and have some
fun
A little stockin's Christmas eve—tell you
th' ain't no picnic in this livin' world.
That's half so jolly as the one there'll
be
When all the kids come shiverin' round
the stove
On Christmas mornin'. When they come
to see
Them stuffed out stockin's hangin' on the
wall.
Oh, how I'll holler, "Merry Christmas!"
Then
How a'prised they'll be! Yes,
Merry Christmas all!

News.
