RESERVE BANK GOVERNOR SEES ERA OF PLENTY

Lynch Urges Westerners to Make Victory Loan Success. Says Prosperity Dawns

Governor James K. Lynch, of the Federal Reserve Bank of San Francisco, has addressed the following open letter to the people of the Pacific Coast and the other states com-

JAMES K. LYNCH Governor, 12th Federal Reserve District

pressed within the Twelfth Federal Reserve District:

"To the Citizens of the Twelfth Federal Reserve District:

"The Fifth 'Victory' Liberty Loan is in sight. Let us thank God that it is not just the Fifth Loan. Victory means the end of the War, the end of Loans, the dawn of Peace and Prosperity. It means that the market price of Government bonds will soon stabilize at par or better. It also means that commercial, agricultural, and industrial affairs will stabilize, and that the Hun-inspired clamor will cease.

"We were advised that the war would last through 1919, probably through 1920, so we were prepared for that; to have done less would have meant suicide. We prepared to crush the Hun on his own ground, and he prudently quit. It cost us some money but it saved the lives of half a million of our men. Was money ever better spent?"

"Now we have bills to pay, promises

WIN \$3 A WORD BY WRITING A VICTORY SLOGAN

Good Victory Liberty Loan slogans are wanted by the general publicity committee of the Twelfth Federal Reserve District with headquarters in San Francisco.

The committee will pay as high as \$3 a word.

First prize will be \$30, second prize \$20, and third prize, \$10. Slogans should be limited to 10 or 12 words.

Send all slogans to SLOGAN EDITOR, Room 301, 430 California Street, San Francisco, California. The contest closes Saturday, March 22.

To make good, our men to bring home. This will take from five to six billion dollars. Let us get ready and raise it. A big task, but the last, and therefore, easy. All together, shoulder to shoulder, and the Loan goes over! The "Ninety-first" is the Pacific Coast Division; remember their achievement, and honor ourselves by living up to it. JAMES K. LYNCH

AMERICA'S DEBT SMALLER THAN OTHER POWERS'

In the light of the following official figures, America's ability to easily absorb the Victory Liberty Loan cannot be questioned: The entire indebtedness of the United States today is less than 7 per cent of the national wealth, or about \$170 per capita.

Some of the national debts of other great powers as compared to national wealth are:

Table with 2 columns: Country, National Debt as % of National Wealth. Great Britain: 44.3 per cent. France: 41.25 per cent. Austria: 34.66 per cent. Germany: 23.7 per cent.

Germany's debt is really greater as the above figure is exclusive of the ninth German war loan and any indemnities she may have to pay. Japan is the only big nation with a lower per capita debt in relation to its wealth than the United States.

There are no Liberty Loans ahead of you after the Victory Loan, so mortgaging your future for Victory Bonds. Thousands of our soldiers and sailors mortgaged their futures.
