**BOARDMANITES VISIT HEPPNER**

A party of Boardman men consisting of L. Packard, Jno. Jenkins, H. Munger and John McNamee drove over from the banana belt city Saturday morning and spent the day in the county seat. Mr. McNamee chaperoned the party in his new Buick six and the boys say he is a star driver. Mr. McNamee was looking for sheep shearers to remove the winter coats from his band of woolies which he wintered on lower Butter creek and around the Boardman project.

Mr. Becker called at the Herald office and reported everything prosperous at Boardman. Some fields of alfalfa are already 14 inches high and growing apace. New people are arriving right along and the future of the West Umatilla project is bright.

**DRUG SELLERS MUST REGISTER**

Under the provisions of the original Harrison narcotic law, remedies or preparations which contain not more than two grains of opium, or one fourth grain of morphine, or one fourth grain of heroin, or one grain of codeine to the ounce, are exempt. This applies also to liniments, ointments or other preparations for external use only. However, as amended by the revenue act of 1918 all storekeepers who handle such preparations, even if their narcotic content exempts them from the provisions of the Harrison act, are required to register with the Collector of Internal Revenue at Portland, and pay a tax of \$1.00 a year or fractional part thereof, and further, to keep records of all sales of such preparations.

Many merchants in Oregon, other than retail druggists, carry such preparations and they should immediately apply to Milton A. Miller, Collector of Internal Revenue, at Portland, for the necessary books to register.

The tax is payable not later than April 25th, for the fiscal year ending June 30th, 1919.

Herald office \$2.00 a year.
