

# STICK — 'til the last Yank is back

## *Finish The Job—*

Our job here at home is not over as long as there is one American soldier overseas—as long as one dollar is needed to finish the task.

Nearly a million Yanks are still "Over There" guarding what they won.

—So STICK.

STICK—"TO THE LAST MAN, TO THE LAST DOLLAR."

STICK WITH THE VICTORY LIBERTY LOAN.

## Every Soldier from Morrow County Stayed Till The Job Was Finished

Are you going to do the same—you who have been a part of that great army that stayed at home and furnished the "sinews of war"—are you going to finish the job—stick till the last Yank is home? Suppose a Morrow County Boy was the "last Yank" to get home. Would you quit before he got back? Surely not. Then remember that Morrow County's quota is

\$221,175.00 and that every citizen in Morrow County must buy his share. This is not a gift, its a plain business proposition. Uncle Sam borrows this money at a good safe rate of interest—in fact its the safest investment you could possibly make. So go to your bank today and arrange to buy—and buy hard—then you will be finishing the job.
