

THINKS MORROW COUNTY WILL FARE WELL IN ROADS

Sam E. Van Vactor who went to Portland last week to represent the Heppner Commercial club at the state highway meeting returned Sunday evening.

Mr. Van Vactor says there was a great crowd present at the meeting together with plenty of oratory and confusion. He interviewed members of the commission regarding Mor-

row county's status and received assurance that the county will receive fair and just treatment in the matter of roads.

However nothing definite will be done for Morrow or any other county until the bonds are voted and money available for the counties to do their part. The first step necessary is for Morrow county to put over the \$290,000 bond issue and get into the game right.

Strengthen that arm against the enemies of America and Americanism with the Victory Liberty Loan.

Lend to America for America

Uncle Sam gave the Huns an awful wallop with that arm and just now he's a little groggy from his training efforts. Money is the greatest tonic in the world just now—and it's up to you to do your share to help Morrow County administer her \$221,175.00 dose. It's only a teaspoonful but it will have a very stimulating effect. You can surely see where it's your duty to do this

Every Fighter wore two of these around his neck. DID YOU?

Then identify yourself with the **VICTORY LIBERTY LOAN**

Even though you did not wear one of Uncle Sam's little metal tags you can have a badge of honor that shows your loyalty just as plainly as the soldier's tag—and that is by buying a Victory Liberty Bond. And don't stop at one bond but buy just as many as you can possibly pay for—and then buy some more. The boys who wore the little metal tags went the limit and you must do the same.

HEPPNER, OREGON

WILL LOCATE IN HEPPNER

Dr. Harold Bean was in Heppner a few days last week making arrangements to locate here in the practice of his profession. He expects to return about May first.

Dr. Bean is a son of Federal Judge Robert S. Bean, of Portland, and is a graduate of the University of Oregon, where he was a classmate of C. L. Sweek, of this city. Following graduation at the U. of O. Dr. Bean graduated from John Hopkins University, at Boston, and later served an internship at one of the large hospitals in New York City.

When the United States entered the big war the British government requested the United States to send them 500 doctors at once and Dr. Bean was one of the first to volunteer for this service. He spent about seven months in France and Belgium with the British forces being most of the time in the first aid hospitals near the front line.

Since returning to the United States Dr. Bean has been associated with Dr. Coffee in the practice of medicine and surgery in Portland.

OREGON MEN ARRIVE FROM FRANCE

The steamer Calamarese docked at New York last Thursday bringing many Oregon men members of the 9th division. Among them were noted Joe Mason, postmaster of Ione, T. M. Benedict, Jr., of Moran, and Royal E. Hebb, of Central Point, who is well known in Heppner having held the position of foreman in the Herald office for several months two years ago.

A telegram was also received in Heppner Friday from Ray McFarren stating that he had just landed and was stationed at Camp Mills. He says the good old U. S. A. looks mighty fine to him.

Dr. and Mrs. McMurdo and family accompanied by Mrs. Whetstone, have gone to the Mayo institute at Rochester, Minn., where Mrs. Whetstone goes for treatment while Dr. McMurdo will seek expert advice regarding his little son, Toddy, who has never fully recovered from an attack of influenza early in the winter.

Mrs. E. C. Maddox, former resident of Heppner, was here from Arlington yesterday on business.

Orve Rasmus who was dangerously ill most of the winter, was in town Saturday looking as though he had never been sick a day in his life.
