ARMY TO GET TALKS IN THRIFT CAMPAIGN

To teach thrift through subscriptions to the Victory Loan and War Savings Stamps, three lectures on wise buying will be delivered to 1,500,000 soldiers now in the service. The talks will be made under the approval of Brigadier General Edward L. Munson, General Staff, U. S. A., and will be given under the direction of the Y. M. C. A.

OUR SOUL WILL PAY

There was very little to find fault with in the spirit which the American people showed when the war was brought home to them daily by deeds of heroism sent back from the fields of France. In those days, beneath the selfishness of commercialism, was laid bare the soul of our people. It was the same true, untarnished soul which built the country through nearly a century and a half of struggles which tested every fiber of our being as a nation.

It is this spirit and soul of our nation which makes possible the achievement by the American people of any task which they set themselves to do from the bottom of their heart. Our nation never went into anything with a more determined will than it did to defeat the abominable militarism which had been the lone star of the German people. The American people won that battle.

The government is now making an appeal to the same spirit which won that victory. The only work that remains to be done to make sure of an oversubscription to the fifth loan is to bring home to the American spirit which won the war the realization that there is another great task which it is right to be done. That is paying the bill of the war. The American people know the bill is just and will pay it.

A dollar saved is a dollar made. Invest in War Savings Stamps.

W. S. S. means sane saving. Get the habit.

FARM WAGES WILL HOLD UP

No lower farm wages this year are in sight, counsels J. W. Brewer, O. A. C., and federal farm help specialist for Oregon. He has refrained from saying so as long as there was any prospect that readjustment in living costs might operate to lower labor wages. Rook bottom wages in western Oregon are \$50 a month and board, and in eastern Oregon \$60 and board. The call for many-horse teamsters on the wheat ranches is growing, with offers of \$60 to \$75 per month.

MORO-HEPPNER GAME FRIDAY

Moro high school ball team will play the Heppner team on the local diamond Friday and the home boys say it will be some game. All the boys want is for every loyal Heppner rooter to turn out and get properly busy and they will do the rest. Admission to the game will be only the small sum of 25 cents.

Mrs. Donovan of near Ione, underwent a major operation at the Heppner hospital last Thursday.

THE BACK AND FRONT OF IT

Back

Back of the Victory Loan stands the treasury of the United States—the vast wealth of a great and powerful nation. That makes it safe.

Back of the Victory Loan is the call of duty. That makes it patriotic.

Back of the Victory Loan is Government interest. That makes it a good investment.

Front

We are mustering out about fifteen thousand men a day, and at this rate it will take ten months to demobilize the army.

It will cost over three billion dollars to bring the boys back and feed and care for them until it is done.

That gives us an idea of the size of the job. Do you want the boys brought back? Your subscription to the Victory Loan is your answer.
