

# Save Money on all Buildings now

Lumber is lower now than it will be for several years, and is already NOW advancing. Secretary of the Navy says—"The man who says he will build a house as soon as wages goes down, is inviting panic, disaster and calamity. For I tell you and it is the truest thing I could say that wages in the United States are never going back to the old level."

#### RECENT DEATHS

##### BALDWIN

Mrs. Lizetta Zaver Baldwin, wife of W. E. Baldwin, former well known resident of this city died at a Portland hospital Friday, May 2nd at the age of 26 years, after a very short illness.

Her husband was formerly in the train service on the Heppner branch leaving here two years ago for Portland where they have since resided.

The remains were taken to Grangeville, Idaho, for interment.

##### TRI-SCHOOL EXERCISES AT LENA

(Communicated. Received too late for last issue.)

An unexpected pleasure was enjoyed by Mr. and Mrs. Emmet Cochran and Messrs. Bisbee, Thomson and Clark at Lena on Friday last the occasion being the closing exercises staged by three school districts in that vicinity. The school children were joined by the people of the surrounding community and the exercises were held in a grove at the cross roads; at Lena. Teachers of the schools taking part were Misses Josephine McDevitt, Myrtle Miller and Grace Leathers.

The program was carried out to perfection in God's own stadium—blue skies above, green grass and trees below forming the proper setting for the following: "Salute The Flag."

"Come Let's Make a Garden," by Marine Vincent, Veda and Darrel Hiatt, Gerald Swaggart, Edwin and Anita Hughes and Earl Ayers. Recitation, "Johnny's History Lesson," by Earl Ayers. Song, "Lullaby."

Horse races, bucking contests, for ladies' race (Mrs. Thompson refused to move from the post—just baby, you know)—boys' races and girls' races. The exercises closed by all singing the "Star Spangled Banner."

After this was a big feed in the grove, with plenty left for a midnight supper to be enjoyed by all those who enjoyed the all night dance.

It was truly a royal event in which fathers, mothers, sisters, bro-

thers, sweethearts and friends joined to have and to give a jolly good time and so it was.

##### ATTEND NEWSPAPER CONFERENCE

Mr. and Mrs. Vawter Crawford returned last Tuesday from a trip to Eugene where they went to attend the conference of Oregon newspapermen in session there the previous week. Mr. Crawford reports the meeting to have been very successful and thinks the editors are beginning to buckle down to real business at these meetings more than they used to do when the principal features were junket trips and big banquets. On their return from Eugene Mr. and Mrs. Crawford spent several days in Portland visiting friends and looking after business matters.

##### "Y" WORKER SPEAKS FOR VICTORY LOAN CAMPAIGN

A. D. Wier, of Corvallis, who spent more than a year in the war area as a Y. M. C. A. secretary, told of his experiences and exhibited a number of trophies which he had gathered and some from the trophy train last Wednesday to the people of Heppner.

He explained the use of various implements of war and told of the destruction wrought by aerial bombs and big shells, flayed the German frightfulness when he demonstrated the workings of the flame thrower and various kinds of gasses and praised the fighting qualities of the American soldier. One Yankin an open fight was worth a dozen Boches he said, and told of how American resourcefulness triumphed over the machine-like German system.

His talk was interesting throughout and was listened to by hundreds of people during his stay here. He made a strong plea for the support of the Victory Liberty Loan, pointing to the weapons he had with him, the aerifice made by the boys, and the need for completing the job so well begun as reasons for every person subscribing his limit.

Mr. Wier spent three days in Morrow county, going from here to Lexington Wednesday afternoon and finishing at Ione on the following day.

## The Victory Liberty Loan

Morrow County citizenship must come up to this standard 100 percent. She has never yet failed to come up to the expectations of Uncle Sam and she will not at this last opportunity. Just think, this is the last opportunity your government gives you to help pay the expenses of those boys who "went over the top" from Morrow county. Surely you will not fail him.
