

We Announce The Arrival This Week Of A Carload Of Valve-In-Head Buicks

The adaptability of Valve-in-Head Buicks for local condi-. ions is so well known that to sing its praises here would seem almost superfluous and we merely wish to refer you to the performances of the many cars we have already sold here. The demand for Valve-in-Head Buicks is going to be so strong that our allotment will not last long and if you are contemplating owning one you had better file your order early.

The assurance of material for quantity production of Buick Cars enables the Buick Motor Company to establish the following prices on the various Buick models. These prices will not be changed during present seling agreements: Three Passenger Open Model H-Six-44 \$1739.25 Five Passenger Open Model H-Six-45 1730:25 Four Passenger Closed Model H-Six-46 \$2241.29 Five Passenger Closed Model H-Six-47 \$2454.00 Seven Passenger Open Model H-Six-49 \$2036.37 Seven Passenger Closed Model H-Six-50 \$2835.59
