METHODIST DRIVE FOR WORLD WORK BEGINS MAY 18

Thousands Take Part in \$105,000,000 Campaign.

\$2,664,000 FROM NORTHWEST

Greatest Religious Effort Ever Conceived is Planned to Put Christianity Before Every Living Being in World in Five Years.

On May 18 Methodism of the world will open its campaign for \$105,000,000 in seven days. Thousands upon thousands of Methodist ministers and laymen have been mobilized and will jump into the fight at the "zero" hour.

Ten thousand recruits will go "over the top" in the Northwest and an intensive financial campaign, such as has never been known in the history

of the church, will be waged with the rebuilding of the world the sole aim in view.

The Portland area, which includes a large part of Oregon, Washington and northern Idaho, has been given a quota of \$2,664,000 for the ensuing five years. This money is to be used in the greatest program of a religion of service the world has ever known. It will be used in meeting the challenge which church leaders say has been laid at the door of Methodism.

How Money Will Be Spent.

The \$105,000,000 to be raised under the Methodist Centenary has already been partly spent in advance. The great Methodist mission ship, leaving for Europe with \$3,000,000 worth of portable houses, tractors, plows and seeds, is an instance of how Europe's share of the gigantic religious fund is to be expended.

Forty million dollars is to be spent on the home programme on nearly 10,000 different projects. For instance, the rural church in America is to receive \$11,000,000 to be spent on a gigantic programme of helping and erecting community country churches, mainly seven days a week churches. Some of these churches will have swimming pools and be equipped somewhat on the lines of Y. M. C. A.'s. Pastors will be engaged who are experts. The church will be made the center of rural activities in that center. Three thousand projects of that kind are enumerated in the centenary budget. Great city community churches, work among the highlanders of the South, work among the Mormons, the Indians, the Orientals of the Pacific Coast, industrial groups, etc., make up the total of \$40,000,000.

\$40,000,000 Abroad.

A similar sum is to be expended in the foreign field, divided among the countries of the world. Educational work, medical work with hospitals and dispensaries, with evangelistic work in the manner in which this money will go. There are 1,200,000,000 illiterate people in the world and 700,000,000 who go hungry every night. These it is the centenary hopes to aid.

The remaining \$25,000,000 is to be spent equally in this country and in Europe on direct war reconstruction work. In this class comes the famous mission ship. Boys will be aided to college if they have a religious career in view. Camp work will be carried on and other active assistance rendered.

Frank C. Jackson is the campaign director in the Northwest. The headquarters are at Portland. The Northwest quota is \$2,664,000. Dr. Charles A. Bowen and Dr. A. L. Howarth are secretary and associate secretary respectively of the centenary movement in the northwest.

MAY RE-ENLIST IN MARINES FOR DIRECT DUTY IN FRANCE

Discharged soldiers and marines may enlist for direct duty overseas from now until fall, at which time they will be returned to the United States and discharged. The object of this splendid opportunity of a five months trip to France is to relieve the marines now serving in the army of occupation, who have been ever-seas for the past two years.

This is an opportunity of a lifetime for an ex-soldier or marine who served his time in the states to take that much desired trip to France, with the assurance of a discharge upon return in the fall. This offer does not hold good for long, so take advantage now. Applications may be made at any postmaster or marine recruiting station.

Four year enlistments are also being made of men between the ages of seventeen and forty years who have had no previous military service for duty in the United States and abroad. The pay in the marine corps is thirty dollars a month with clothes and medical attention furnished free.

Sixteen more musicians are needed at the present for the famous Mare Island Marine Band and application will be received at any postoffice or marine recruiting station.

Any further information regarding the "Devil Dogs" will be gladly furnished by the marine recruiting station, Third and Alder streets, Portland, Oregon, or any postmaster.
