

DO YOU WANT TO HELP THE SALVATION ARMY

Do you believe in the kind of relief work they do? If you are not familiar with the work they did in the big war

ASK A SOLDIER

The first one you meet on the street. He will tell you what the army stands for and what it means to the soldiers at the front.

The Salvation Army is asking \$13,000,000 with which to carry on its great work and of this amount Morrow County is asked for \$1,200,000, and the week of June 22 to 30 has been set apart as the time when this money shall be raised.

DO YOUR BIT

By helping the organization that helped our boys in the trenches when they most needed help.
