## MORROW COUNTY'S PROUD RECORD

While the vote polled in this county last Tuesday was light, as it was in every other county in the state, the result was one that will send a thrill of pride through the veins of every progressive citizen in the county.

Not only did the county road bonding measure carry by a vote of almost five to one but every state measure on the ballot, with the single exception of the lieutenant governor bill, a purely political measure, receive the endorsement of a majority of the voters.

It is a record we may well be proud of for it places Morrow county in line with the most progressive counties in the state. It means that from this time on Morrow county is going ahead in the matter of good roads and other modern improvements and that, ultimately, this county will be known as one of the wealthiest counties east of the Cascade range.

Good roads and irrigation will turn the trick but before anything could be realized along either line it was necessary for the people to declare themselves as being in favor of progress.

Last Tuesday was a red letter day in the history of the country. It marked the parting of the ways between the command of old General Apathy and young Lieutenant Action.

## THE GOOD ROAD MEASURES

County Road Bond—majority 435.  
Six per cent road indebtedness limitation—majority 274.  
Roosevelt Highway—majority 160.  
Market Roads—majority 296.

When Judge Campbell and other good road boosters from Morrow county again go before the State Highway Commission to urge immediate and hearty co-operation between the commission and the county in building highways they will have no reason to feel ashamed of their county's record on the question of good roads at the recent election. They will go to the commission with clean hands on the road question and they will go with the assurance they are backed up to the limit by the people whom they represent.

The vote on county road bonds, six per cent limitation good roads and that they are willing to pay for them; and market roads proves that Morrow county people the vote on the Roosevelt Highway proves that they want people in other and remote sections of the state to have good roads and that they stand for the development of Oregon as a whole.

And this spirit, as demonstrated by the voters last Tuesday will not be without its effect on the members of the highway commission. The members of the commission are big, broad minded men, working for the best interests of the entire state in the matter of good roads and they are sure to have a fellow feeling for the people of every county, big or little who stand for the same things they stand for.

Stand back gentlemen and ladies and watch the wheels of progress begin to move. It's a fine, big machine, built something after the tank order and it is just as well not to get in front of it and go to sleep. The result might be serious.

It is a disgrace to the State of Oregon that the measure providing funds to build a new penitentiary was defeated. The old prison is a disgrace to civilization but the people of the state do not seem to be generally aware of the hideous conditions there. The big mistake was that too many measures were tied together on the ballot. One was bound to defeat some other one and it required not much of a prophet to foresee the result. All legislative bodies are not paragons of wisdom when submitting measures to the people. They seem not wise to the fact that more and more people are coming to think before they vote.

### WHEAT LAND WANTED

We have clients wanting to buy and trade for wheat land. If you desire to dispose of your place please write us price and terms or state

what you will accept in exchange for the same.

## MAKING HUNS CLEAR UP THE YPRES CATHEDRAL RUINS

German prisoners of war at work clearing away the debris from the cathedral of Ypres which they wantonly destroyed.

### ALL STARS WIN PAST GAME OVER BOARDMAN

Every fan in Heppner from Manager Aiken down to the 6-year-olds, was pleased with the game last Sunday between the All Stars and the Boardman team, not so much because Heppner won but because it was a rattling good game. Everybody on both teams were on their toes every minute and bonehead plays were dispensed with.

Lapman pitched a fine game for the Stars and Wilson, behind the mask stopped all comers and played the game straight through. Reitman on second earned the title of star of the All Stars in that game and gave additional evidence that the Reitmans are a baseball family.

Boardman's battery was Keyes, pitcher, and Rand, catcher, and anybody who thinks they are not onto their jobs has another guess coming. It was a good, clean game from start to finish such as will, sooner or later put the national game back on the map in Morrow county.

Harry Suito, former big league pitcher with the Chicago White Sox umpired the game Sunday giving splendid satisfaction to both teams. The score was 6 to 2 in favor of Heppner.

### UMATILLA VS ALL STARS NEXT SUNDAY

Manager Aiken announces the Cariller of the season for next Sunday when Umatilla and Heppner will go to it on the local diamond.

The Umatilla Braves are undefeated so far this year and it is promised they will have on their war paint next Sunday.

The game will be a hummer and will be worth many times the price of admission because Speck says, "by hokey," his team is going to win it.

### RAIN CLOUDS STILL FICKLE

Morrow county wheat fields need rain and for a week the indications have been almost daily that the needed moisture would be supplied but the clouds are still fickle and the north wind drives them back. The cool weather helps some, however, and the needed rain may blow in any day.

### MESDAMES McMURDO AND SIMS ENTERTAIN

A most pleasant social affair of the past week was the bridge party given by Mesdames McMurdo and Sims at the McMurdo home on Chase street Thursday afternoon. About 45 guests were present and the afternoon was pleasantly spent at bridge. Mrs. Roy Cochran, Mrs. C. Darbee and Miss Lavelle Lucas favored with musical numbers during the afternoon. Mrs. B. F. Butler was awarded the first prize and Mrs. Osman Hager secured the second prize. Dainty refreshments were served after the games.

### MARRIED AT WALLA WALLA

A very pretty wedding occurred Sunday, June 1, at high noon, when Mrs. Katherine Elizabeth Blahm and Mr. John J. Brickner were united in marriage. The ceremony was performed by Rev. Minneman at the residence of the bride's parents, Mr. and Mrs. Henry Blahm, 603 Pleasant street. The wedding march was played by Miss Emma Blahm as the wedding party assembled. Following the ceremony Miss Elizabeth Blahm sang "I Love You Truly." The rooms were beautifully decorated with pink roses and greenery. Plates were laid for forty at the prettily appointed table. Mr. and Mrs. Brickner left for Portland, Seattle and other points on a brief wedding tour. They will be at home to their friends after June 15 near College Place.—Walla Walla Bulletin.

# The Building Question

Is paramount in the country today. During the war practically all building operations throughout the United States were stopped—while the demand for houses and other buildings went on increasing day by day until it is now one of the most important questions before us.

The need is greater than ever today and lumber and other material will get no cheaper but will go much higher. We are doing everything possible to encourage building in Heppner and have a fine showing of

you can build cheaper now than you can six months hence. Lumber and other material will get no cheaper but will go much higher. We are doing everything possible to encourage building in Heppner and have a fine showing of

## Plan Books, Blue Prints and Estimates

Which we gladly place at the disposal of our patrons. They cover a broad field in the building line and include everything in the way of late ideas in residences from a neat little cottage to the most pretentious bungalow. On the farm nothing adds to the pleasure of life more than a correct solution of the housing question. And we can solve it for you—whether it be a residence, a barn, machinery shed, dairy house, chickenhouse, grainery, or whatever the need may be.

We have everything you need in the way of High Grade Lumber and Building Materials and will be glad to talk over your Building Problems with you.
