San Francisco Judges to Make Guilty Choose Between Fines and Investment
Instead of forcing persons guilty of minor transgressions of the law to pay fines, in future Police and Superior Court Judges of San Francisco, as a corrective measure tending to character building, will give offenders appearing before them an alternative of helping themselves by investing in United States War Savings Stamps.
"I shall be glad," said Judge T. I. Fitzpatrick, Presiding Judge of the Police Court, "to assist in the movement in this direction as far as I can, under the provisions of the charter of this city and county, upon the thesis that a thrifty man is a better citizen and that many of our economic ills and much of our present day social unrest are due directly to thriftlessness."
The policy agreed to by the San Francisco judges is a move to promote a better citizenship among those persons coming before them upon misdemeanor charges. Fines them, while serving as a corrective measure, leaves the self supporting ability of defendants, whereas compelling them to purchase interest earning securities of the United States Government, in the judges' belief, will give them a start toward building up a bank account, and, proportionately, a feeling of responsible citizenship. The only condition attached to the alternative of purchasing securities instead of paying the fine will be that the defendants must hold the securities until maturity.

GIVE THE OLD MEN A CHANCE

Having reached that age where men are not wanted in either commercial or industrial life, being turned down in favor of younger men, but feeling that I am not yet ready to be laid on the shelf, I am now going to specialize in insurance and ask your patronage. Have two of the best fire insurance companies in the United States, both purely American, and have just taken the agency for The Idaho State Life insurance company, a purely western company with the most popular policies written. If you are in the market for Life, Fire or Automobile insurance, give me a call. Let the young men do the work and give the old man a chance to make a living for himself and family. Your best
