\$5 PER MONTH FEEDS ORPHAN

Cleveland H. Dodge Shows What Near East Relief Can Do in Efficient Purchasing.

Buying in wholesale lots and under the most favorable market conditions Near East Relief of 1 Madison avenue, New York city, with representatives in every state of the Union, has been able to battle the high cost of living so far as relief supplies for the suffering millions of the Near East are concerned.

Cleveland H. Dodge, treasurer, in a statement shows that the committee is able to provide food for the suffering people of the Near East at prices much lower than the average charge here.

A donation of \$5 per month will provide food for one orphan, \$10 per month provides not only food, but also clothes and shelter for one orphan and for \$15 per month attendance at a school is assured to each orphan in addition to food, clothing and shelter.

In the appeal for funds to save the starving remnants of the Armenian and other western Asia peoples, Near East Relief is inviting the American public to "adopt" an orphan at the rates given here. Over 250,000 homeless children are in need of help in the Near East. Women's organizations, lodges, churches and social clubs are responding to the appeal by adopting quotas of orphans for support over a definite period.

WOMEN ADOPT 10,000 ORPHANS

Connecticut to Provide Foster Mothers for Little Victims of Turks.

Ten thousand little victims of Turkish brutality are to be foster-mothered by the big hearted women of Connecticut as the result of appeals by Near East Relief, the former Committee for Armenian and Syrian Relief of 1 Madison avenue, New York city. The women at a meeting voted to "adopt" that number as their share of the 250,000 homeless and starving boys and girls orphaned in the massacres and deportations.

Three hundred representatives of women's organizations attended the meeting at Hartford, at which Governor Marcus H. Holcomb presided and pleaded the cause of the stricken people. Another speaker was Henry Morgenthau, former U. S. Ambassador to Turkey.

Assurances that the example of these noble hearted Connecticut women will be followed by similar organizations in all the other states have been received at the headquarters of the Near East Relief, 1 Madison avenue, New York city.

Airman's Record Glide.

What is believed to be a world's record for gliding with a dead motor was accomplished at Ithaca, N. Y., in a Thomas-Morse two-seater biplane, says the Scientific American. This machine flew to the head of Cayuga lake, a distance of thirty-five miles, and having attained a height of 17,500 feet, the pilot switched off his motor and glided to Ithaca, at which point he still had 5,000 feet altitude. If his glide had been continued it is estimated that an additional fifteen miles could have been covered, making a total of fifty miles without the use of his motor. The longest glide previously recorded was that of Capt. Baylham, according to Aeronautics, when he glided from Brooklands to Hendon, in England, a distance of twenty-two miles.

Discover New Diamond Field.

A new African diamond field has been discovered by officers of the British geological survey in the Gold Coast. The stones are found in shaly quartz gravel 65 miles northwest of Accra, capital of the colony. About 600 gems have already been found.

WAR NURSE FROM ARMENIA ASKS AMERICA'S AID

Soldier Husband and Battlefield Baby Touring Country With Her for Near East Relief.

A mother, father and daughter, the latter born in a fattened Red Cross tent in the icy Caucasus while guns raged all around and Turkish shells, ignoring the mercy emblem, burst near it, are touring America in behalf of their native Armenia. They are General Mesrop Nevton Azgapatian, his

LADY ANNE AZGAPETIAN.

wife, Lady Anne, and French Esther Araxie Azgapatian, whose baby eyes opened upon scenes of horror and later through them saw much of the sufferings of the people of Armenia.

The family are making their tour under auspices of the Near East Relief, the big organization which has saved hundreds of thousands of the people in that part of the world from death by hunger and cold and is soon to open a nation wide campaign for funds to complete the work of saving the survivors, more than a half million of whom must perish unless aid comes to them soon. America is their only hope.

General Azgapatian served gallantly in the Russian armies in the Caucasus against the Turks. His wife, who accompanied him to the front, did noble work for the wounded and sick, and it was while in this service that her baby was born in a hospital tent during a battle. An army blanket swung from two poles in one corner of the tent was the baby's crib during the rest of that terrible winter campaign. With the collapse of the Russian armies after the Bolshevik revolution the Azgapatians returned to Armenia for a brief spell and did their best to alleviate the suffering they found on every hand. But with a Turkish price on his head the father finally made his way with his family through Russia to Finland and then to this country. What they tell of conditions and needs in Armenia is first hand evidence.

In the Caucasus, Armenia, Syria, Turkey and Persia are more than 250,000 orphans, helpless little victims of war, massacre and deportation, and for the great majority the only bar between them and absolute starvation is a bowl of hot bean soup every day. This soup is supplied by the Near East Relief now making an appeal to the American people for sufficient funds to increase this dole and to provide these suffering little ones with clothing and give them an education that will help them to become self supporting. It is estimated that more than 1,500,000 in Western Asia will die of starvation unless American aid is continued.

Philatelic Notes.

The illustration on the current dollar stamp in China represents the arch of the Temple of Confucius at Peking.

The Sultan of Egypt recently sent \$800 to a dealer in Philadelphia for 11 rare Egyptian stamps. It is said the sultan possesses the most valuable collection of Egyptian stamps in the world.

The 10 cent red stamp issued by Belgium on July 19, 1910, was completely sold out in five days. There were only 25,000 copies printed and only five stamps were allowed to be sold to one person.

New stamps are appearing for the city of Flume bearing the words "Poste Flume" instead of "Flume."

General Badoglio is in command of Italian forces in the Flume region opposed to the troops under D'Annunzio, who seized the city.
